GOVERNOR ALBERT BRYAN JR.

# TERRITORY OF THE VIRGIN ISLANDS

FY 2025 OPERATING BUDGET

## UNITED STATES VIRGIN ISLANDS

### MISSION

To be brilliant at the basics: delivering reliable, responsive, high-quality services.

### VISION

The U.S. Virgin Islands is a hub of opportunity and innovation.

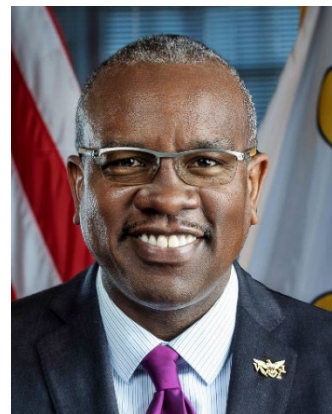

### PURPOSE

Improving quality of life for all Virgin Islanders, every day.

## A Message from the Governor

May 30, 2024

The Honorable Novelle Francis  
Senate President  
Thirty-Fifth Legislature of the Virgin Islands  
Capitol Building  
St. Thomas, VI 00802

### **RE: Proposed Executive Budget for Fiscal Year 2025 for the Government of the Virgin Islands**

Dear Senate President Francis:

I am pleased to submit to the 35<sup>th</sup> Legislature of the Virgin Islands our proposed Executive Budget for the Government of the Virgin Islands for Fiscal Year 2025. The theme of our budget proposal is "Fulfilling the Promise of Fiscal Solvency." We are proudly building a legacy within the Bryan/Roach Administration of submitting budgets that are balanced by accurate revenue forecasting and restrained operating expenditures. Most importantly, we have made steady and unequivocal progress towards retiring the outstanding debts of the Government of the Virgin Islands to our residents, employees, and vendors.

Fiscal Year 2024 has tested our ability to maintain our momentum of revenue growth and increasing fiscal strength. The economic stimulus provided by the federal government in the aftermath of the COVID-19 pandemic has been mostly exhausted, and as a result, we are having to rely on the prudent investment of local resources to keep the economic engine revving at full speed. We believe this budget provides the platform for continued success in that effort.

The proposed Fiscal Year 2025 Executive Budget continues our conservative approach to controlling government expenditures. We are proposing a reduction in budgeted General Fund appropriations from \$974,062,924 in Fiscal Year 2024 to \$896,803,010 in Fiscal Year 2025. This is an approximately 8% reduction. However, this budget still provides adequate funding for all essential government obligations and once again includes \$5 million from the Transportation Trust Fund earmarked exclusively for local road repairs and a \$5 million dollar contribution to the Budget Stabilization Fund.

While we have reduced the proposed expenditures in the upcoming fiscal year, we remain optimistic about the strength of revenue collections. This budget projects revenue increases in four of the five major revenue collection categories: Personal Income Tax, Corporate Income Tax, Gross Receipts Tax, and Excise Tax. The only exception is Real Property Taxes, where we are anticipating a 1% decrease in the upcoming fiscal year. Our revenue outlook is buoyed by low unemployment, a strong tourism sector, expected construction activity, and continued growth in the Gross Territorial Product. Our mission with this budget then, is to not erode our revenue growth with accelerated government expenditures.

We are also especially proud of the continued embrace of technology in the Government of the Virgin Islands that has been driven by the Bryan/Roach Administration. This year our Executive Budget submission goes fully digital! This marks a significant accomplishment in our efforts towards greater transparency. Now, any resident will be able to access the full budget online, in a user-friendly format, that reflects legislated adjustments in real-time. The Office of Management and Budget should be congratulated for their continued innovation.

Our government has been blessed with a sustained period of relative economic stability. This has allowed us to make investments in the non-profit sector, the business community, and in individual households. We have been able to make unprecedented investments in public infrastructure, increase public sector wages to a competitive standard, and enhance government services to our residents. We have planned diligently for this fiscal prosperity and pray that the United States Virgin Islands continues to be blessed with fiscal and economic growth so that we may continue the fulfillment of our promise of sustained fiscal solvency in benefit to our people.

Respectfully,

A blue ink signature of Albert Bryan, Jr., consisting of stylized initials and a surname.

Albert Bryan, Jr.  
Governor

## A Message from the OMB Director

May 24, 2024

The Honorable Albert Bryan, Jr.  
Governor of the U.S. Virgin Islands  
Office of the Governor  
5047 (21-22) Kongens Gade  
St. Thomas, V.I. 00802

Dear Governor Bryan,

I am pleased to submit to you the Proposed Executive Budget Book for Fiscal Year 2025. Centered around the theme **"Fulfilling the Promise of Fiscal Solvency"**, our collective efforts have yielded significant accomplishments, ensuring the continued stability and prosperity of the Territory.

Key in this Budget Book submission is our decision to only submit a proposal for one fiscal year, instead of the two we have done previously. While our commitment to planning and transparent fiscal management remains unwavering, we decided to place the focus on the actual budget as we continue to work to diligently uphold accountability and stewardship of public funds. By adhering to rigorous financial oversight practices, we ensure that every dollar is allocated efficiently and effectively towards fulfilling the administration's goals and objectives. This steadfast dedication to transparency not only cultivates confidence among our community but also reinforces our collective responsibility to uphold the highest standards of governance. Through collaborative efforts and strategic investments, we stand poised to advance our shared vision for a prosperous and resilient future for the Territory.

One of the key initiatives of the Bryan/Roach Administration is that of enhanced use of technology. In heeding this mandate, I am pleased to inform you that this year marks a significant milestone as we proudly unveil **our first-ever digital budget book**. This is a testament to our ongoing commitment to transparency and accessibility in governance. With this innovative platform, we empower the public with easy access to comprehensive budget information, a full understanding of projected revenues, and details related to the projected expenditure of every department and agency. By embracing technology, we reaffirm our commitment to modernizing governance practices enabling residents to make informed decisions and participate meaningfully in the democratic process, while also fostering greater engagement and understanding of our fiscal priorities and allocations.

### Introduction

Within the proposed General Fund fiscal year 2025 budget of \$896,803,010 you will find a continuation of the prudent and conservative approach we have employed since 2019. In contrast to the fiscal year 2024 General Fund appropriation total of \$974,062,924, the proposed fiscal year 2025 budget has been reduced by approximately \$77 million; a decrease mostly attributable to the elimination of several one-time obligations as well as a reduction in the wage adjustment line item to only cover pending negotiated contracts scheduled to take effect on October 1, 2024.

This cautious strategy ensures that we are putting forward a balanced budget that matches our estimated revenues for Fiscal Year 2025 and aims to ensure financial stability and resilience in the face of potential uncertainties or fluctuations in the economic landscape. By maintaining a cautious stance, we prioritize fiscal responsibility and mitigate the risks associated with unforeseen challenges. This approach also allows us to build and maintain reserves, providing a safety net for unexpected expenses or opportunities that may arise throughout the fiscal year, as has traditionally been the case. Overall, our commitment to conservative budgeting reflects our dedication to prudent financial management and sustainable growth for the territory.

### Highlights

We have further demonstrated our commitment to the well-being of our community by providing additional resources for essential services to the Gov. Juan F Luis Hospital, Schneider Regional Medical Center (\$1 million

each) and the Virgin Islands Waste Management Authority (\$1.4 million), guaranteeing that vital utilities are adequately budgeted for, and they can continue to meet the needs of our residents.

We continue to budget \$5 million for road repairs territory-wide which underscores our dedication to enhancing transportation infrastructure and promoting economic development. Additionally, our sustained commitment to funding the Budget Stabilization Fund at \$5 million dollars, ensures that we maintain a prudent fiscal reserve to weather unforeseen challenges and secure a stable financial future.

We were also able to include funding for the Department of Sports, Parks and Recreation's Clinton E. Phipps Racetrack operations and the Virgin Islands Police Department's Executive Security Unit, thereby safeguarding key aspects of public infrastructure and safety.

Notable this year also, is our official transition to an Outcome Based Budget. The Administration's six (6) priority outcomes that were developed during the Performance Management Conference were used to help departments and agencies re-strategize their focuses for the upcoming fiscal year. You will notice a budget that aligns with these outcomes of providing *Quality Education*, advancing technology to support a *High Performing Government*, prioritizing commitments for *Safe and Sustainable Infrastructure*, promoting the well-being of *Healthy Citizens*, bolstering *Economic Growth*, and making strategic investments into becoming a *Clean and Energy-Efficient Territory*. Our proposed budget framework is now structured to drive accountability for agency service outcomes and delivery, paired with performance measures that guide implementation strategies. By prioritizing outcomes and performance metrics, we are ensuring that every dollar invested yields tangible and measurable results. This strategic approach not only enhances the effectiveness of our budget allocations but also fosters a culture of continuous improvement and innovation across all sectors. This is our resolve to deliver value and impact for the residents we serve.

Despite the reduction in budget ceilings from fiscal year 2024 to fiscal year 2025, we remain committed to ensuring that each agency and department can effectively maintain essential services to the community. This has been achieved through shrewd financial management and strategic resource allocation, allowing us to prioritize the most critical needs while navigating cyclical financial constraints. Moreover, we will continue to meet our obligations regarding wage negotiations, recognizing the importance of fair compensation for our dedicated public servants. By striking a balance between fiscal responsibility and meeting the needs of our workforce, we demonstrate our unwavering dedication to both sound fiscal management and the well-being of our community.

### ***Forecasting the General Fund***

In addition to weekly cash flow analysis and projections, the Office of Management and Budget consistently forecasts quarterly and annual revenues and expenditures from all sources, with a particular focus on the General Fund. These forecasts inform our overall financial planning, guiding revisions to our forecasts and five-year plan as needed.

### ***Local Revenues***

The five major revenue categories vary regarding growth and reductions in comparison to the fiscal year 2024 year-to-date projections, with the largest anticipated increase of 23% being in the Corporate Income Tax category and the only decrease being in Property Taxes. However, all areas show overall growth in comparison to fiscal year 2023's actual collections of \$941,421,531, inclusive of hotel occupancy taxes.

- ***Personal Income Tax (PIT)*** – An increase of 9%  
**Forecast** – Individual Income Tax collections are expected to increase from the projected \$458.8 million for fiscal year 2024 to \$502.3 million in fiscal year 2025. This increase will continue to hold fast as the territory continues to maintain a low unemployment rate and continues to grow an improved labor market. This growth is projected to remain consistent and flourish for future fiscal years as the workforce grows with the anticipated opening of new hotels.

- **Corporate Income Tax** – An increase of 23%  
**Forecast** – With the launching of the billion dollar bid packages and the expected increase in construction activity, we project that we will see a significant increase of \$19 million as fiscal year 2025 projections increase to \$100.2 million versus the current projections of \$81.3 million for fiscal year 2024.
- **Real Property Tax** – A decrease of 1%  
**Forecast** – In fiscal year 2024, revenue projections for real property tax are estimated at \$61 million. In fiscal year 2025 however, the projections are estimated at \$60.3 million. While we have remained optimistic with high anticipated collections in property tax, and the economy is showing steady growth, with the realization that past projections have not been achieved, a decrease in real property tax projections provides an opportunity for a more realistic goal.
- **Gross Receipts Tax (GRT)** – An increase of 9%  
**Forecast** – While Gross Receipts Tax collections are projected to increase in fiscal year 2024 to \$214 million, a \$6 million uptick from the fiscal year 2023 unaudited actuals, they are projected to increase further in fiscal year 2025 due to the increased project bundles and construction activity. Consequently, fiscal year 2025 is projected to see an increase from \$214 million to \$234.3 million.
- **Excise Tax** – An increase of 6%  
**Forecast** – Excise Tax is projected to increase by 6% and will continue to increase as the economy exhibits a robust and sustainable growth trajectory attributed to flourishing tourism and construction industry activity. Excise tax collections are projected to increase from \$42 million to \$44.3 million.

Other notable revenue increases can be found in various areas including the Hotel Tax and Non-Hotel Tax categories with slight increases in the preliminary actuals from fiscal year 2023's \$40.8 million to revenue projections of \$43.7 million in fiscal year 2025.

While Hotel and Non-Hotel Taxes are not a part of the General Fund, this growth shows stability for the Tourism Revolving Fund, and is being tracked, along with other local funds, to provide an overall total revenue projection to align with all proposed appropriations. Overall, the General Fund Revenue projections of \$897,047,415 for fiscal year 2025 has increased by 3% when compared to the projected \$872,160,208 for fiscal year 2024. Additionally, while the General Fund is projected to collect a net revenue of \$897,047,415 the Gross Revenue collections are projected at \$1,081,505,382.

### **Budget Overview – All Funds**

The presented proposed Fiscal 2025 budget from the Government of the Virgin Islands comprehensively includes mandatory expenditures totaling \$1,440,562,222. This sum encompasses both appropriated and non-appropriated funds, detailed as follows:

General Fund:	\$ 896,803,010
Other Appropriated Funds:	\$ 97,949,177
Federal Funds:	\$ 416,839,994
Other Non – Appropriated Funds:	<u>\$ 28,970,041</u>
<b>TOTAL BUDGET:</b>	<b><u>\$ 1,440,562,222</u></b>

### **Federal Grants**

The total federal grants funding projected to be available to the territory for fiscal year 2025 has increased significantly by 127.24%, reaching \$8,706,908,404.85. This is a substantial increase compared to the \$3,831,524,652.09 presented for fiscal year 2024. The primary driver behind this increase is the surge in disaster funding allocated to the territory, growing from \$3,259,053,688 to \$8,263,884,447, primarily due to the approval of additional projects by the Federal Emergency Management Agency (FEMA).

In addition to disaster funding, \$443,023,957 of the projected total represents non-disaster-related federal dollars available to the Government of the Virgin Islands (GVI). This amount includes \$26,183,963 from the Department of Interior's Office of Insular Affairs. This significant increase in funding underscores the enhanced support and resources being directed towards both disaster recovery and general development within the territory. You will note here that while the \$8.2 billion is available/obligated to the Territory, that number does not form part of the budget and instead we are only accounting for the \$443 million from other federal agencies, including the Department of Interior.

FEDERAL GRANTS	TOTAL AVAILABLE
Budgeted FY25 Total Non-Disaster/Pandemic Federal Funds	\$ 416,839,994
Total Department of Interior Grants	\$ 26,183,963
Total Disaster Recovery Grants	\$ 8,263,884,447
<b>Total Federal Grants</b>	<b>\$ 8,706,908,404</b>

## Conclusion

In conclusion, the submission of the Proposed Executive Budget Book for Fiscal Year 2025, themed *"Fulfilling the Promise of Fiscal Solvency,"* underscores our commitment to transparency, accountability, and the prosperity of our Territory.

A significant part of that commitment to transparency has resulted in the introduction of our first-ever electronic budget book which will allow the public to better understand the process. We are pleased to have been able to ensure the allocation of resources towards essential services, infrastructure improvements, and fiscal reserves; further demonstrating prudent financial management and a dedication to meeting our community's needs.

As we continue to advance outcome-based budgeting and navigate performance and results constraints, our unwavering commitment to sound fiscal management and the well-being of our workforce remains paramount. Together, we are poised to build a prosperous and resilient future for all who call our Territory home.

We will always face periods of fiscal challenge, primarily due to the cyclicity of our revenue collections and the increasing expenditure, but through collaborative efforts and strategic investments, we will continue to achieve significant milestones, ensure stability, and improve resiliency.

On behalf of the staff of the Office of Management & Budget, we thank you for the opportunity to continue to serve, and to deliver your Administration's fifth Proposed Executive Budget.

Respectfully,

Jenifer C. O'Neal  
Director  
Office of Management and Budget

# TERRITORY OF U.S. VIRGIN ISLANDS DEMOGRAPHICS

ST. THOMAS | ST. CROIX | ST. JOHN | WATER ISLAND

## USVI OVERVIEW

The Virgin Islands of the United States are in the turquoise seas of the Caribbean, approximately sixty (60) miles east of Puerto Rico and one thousand seventy-five (1,075) miles south of Miami, Florida. The Virgin Islands of the United States is an unincorporated territory of the United States. Sixty-eight (68) islands comprise the group; however, three (3) main islands, St. Thomas, St. Croix, and St. John, are the most significant. Water Island is geographically located within the boundaries of the St. Thomas-St. John District and is commonly referred to as the fourth Virgin Island. The Territory is more than one hundred and thirty-three (133.6) square miles and is almost twice the size of Washington, D.C., with territorial waters that stretch over six hundred and three (603.9) square miles into the Atlantic Ocean.

## QUICK FACTS ABOUT THE USVI

### THE FLAG

The flag of the United States Virgin Islands, adopted by Executive Order on May 17, 1921, displays on a field of white nylon with a golden American eagle between letters V and I, holding in its right talon a sprig of laurel and in its left talon a bundle of three (3) blue arrows which represent the three (3) major islands. The eagle has a shield of the United States on its breast.

### THE CAPITAL

Charlotte Amalie is a city and cruise ship port on the Caribbean Island of St. Thomas. It is the capital of the U.S. Virgin Islands. Its Danish colonial architecture includes Blackbeard's Castle, a 1600s watchtower. The 99 Steps ascend to the tower, which has panoramic views. The 17th-century Fort Christian is now a museum with art and artifacts.

### THE SEAL

The Great Seal of the Government of the Virgin Islands of the United States was adopted by the 18th Legislature in 1990 and became effective on January 1, 1991. Mitch Davis, a native Virgin Islander, designed it. The seal features the three-island design of the main islands of Saint Croix, Saint John, and Saint Thomas, often seen throughout the territory.

## TRAVEL TO THE USVI

Passports for U.S. Citizens are NOT required for the U.S. Virgin Islands, but you must be prepared to show evidence of citizenship upon leaving the territory (such as a government-issued photo ID). Citizens of countries other than the U.S. should follow U.S. travel regulations.

## USVI SHOPPING

The USVI Territory is also a duty-free shopping region. U.S. citizens, including children, can go shopping and return with up to \$1,600.00 worth of duty-free merchandise every 30 days.

## FORT CHRISTIAN, ST. THOMAS

Fort Christian in Charlotte Amalie is the first fort built in the former Danish West Indies. It was constructed between 1672 and 1678 on a rocky peninsula in the bay named after Christian V of Denmark.

## CLIMATE

The U.S. Virgin Islands enjoys an arid climate, moderated by trade winds. Temperatures vary little throughout the year with typical temperature patterns ranging from around 91° F in the summer to 86° F in the winter. Rainfall averages about 38 inches per year, with the wettest months from September to November and the driest being February and March. Hurricane season lasts from June 1st through November 30th.

## U.S. VIRGIN ISLANDS CLIMATE 2024

Avg. Annual High Temperature (Fahrenheit)	87.7° F
Avg. Annual Low Temperature (Fahrenheit)	75.4° F
Avg. Annual Rainfall (Millimeters)	1,005 ml.
Avg. Daylight Hours	8.2 hrs.
Avg. Night Hours	11.8 hrs.
Avg. Water Temperature (Summer)	84° F
Avg. Water Temperature (Winter)	79° F

## COMMUNITY PROFILE & DEMOGRAPHICS

### ABOUT THE VIRGIN ISLANDS

## ST. THOMAS

The city of Charlotte Amalie on the island of St. Thomas is the capital of the U.S. Virgin Islands. St. Thomas, historically mercantile, is a cosmopolitan island; yet it retains distinctive characteristics of a European settlement manifested in the architecture of its historic district. St. Thomas is a favorite stop for cruise ship passengers who take advantage of the duty-free shopping for which the island is known. The islands of St. Thomas and St. John are mountainous and volcanic in origin. St. Thomas' Crown Mountain is the highest peak at one-thousand five hundred and fifty-six (1,556) feet or four hundred and thirty-five (435.86) meters above sea level.

## ST. CROIX

The largest island, St Croix, forty-three (43.74) miles south of St. Thomas, is less mountainous. St. Croix boasts two cities: Christiansted on its eastern end and Frederiksted on the western end. This tropical island is three (3) times the size of nearby St. Thomas and possesses a uniquely diverse terrain. A lush rainforest in the western mountains and undulating hills in the interior is in stark contrast to the spiny, desert vegetation and dry, rocky, red cliffs found on the eastern end. Christiansted was once the capital of the Danish West Indies and is presently designated a National Historic Site. St. Croix Point Udall remains the most eastern point of the United States.

## ST. JOHN

St. John, just three (3) miles east of St. Thomas, is home to a National Park on 7,200 acres of land, of which 5,600 acres were gifted to the National Park Service by Laurence Rockefeller in 1956. Though it is the smallest of the three (3) U.S. Virgin Islands, St. John's natural landscape is perhaps the least spoiled of all frequently visited Caribbean islands. In 1962, the United States Congress expanded the boundary of the National Park to include five thousand six hundred and fifty (5,650) acres of submerged lands to protect and preserve the beautiful coral gardens and seascapes. In January 2001, through Presidential Proclamation, the Virgin Islands Coral Reef National Monument was established.

## WATER ISLAND

Water Island is four hundred and ninety-one (491.5) acres or almost two (2) square miles, a half-mile south of the harbor of Charlotte Amalie. During World War II, the island served as a military installation. On December 12, 1996, the Department of Interior transferred Water Island to the Government of the U.S. Virgin Islands.

## EDUCATION

### 2023-2024 USVI SCHOOL ENROLLMENT

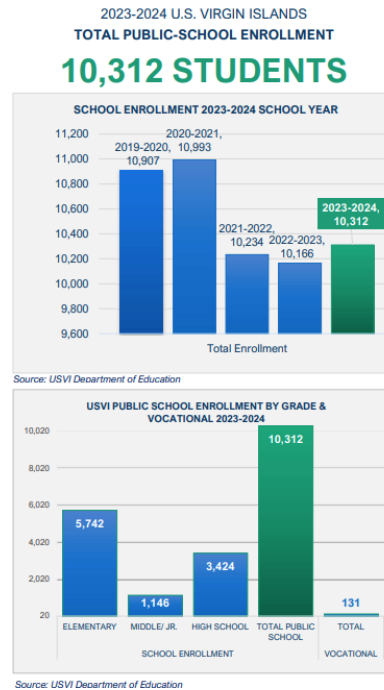

The Virgin Islands Board of Education was established as an independent agency of the Government of the United States Virgin Islands by Act No. 2252. Its duties are to recommend the establishment of public schools, prescribe general regulations and orders, adopt curricula and courses of study, recommend laws and amendments, and recommend appropriations required for the operation of the public schools and the Department of Education.

The Board certifies educational professionals, exercises oversight over federal dollars, and manages the Territorial Scholarship Program. The USVI's public education system, administered by the Department of Education, is currently comprised of a State Education Agency (SEA) and two (2) Local Education Agencies (LEAs); one for the St. Thomas/St. John District and one for St. Croix District.

The St. Thomas/St. John District has two (2) high schools, seven (7) elementary schools, one (1) middle school, two (2) Elementary- K8 schools, and two (2) alternative schools.

The St. Croix District has two (2) high schools, one (1) junior high school, one (1) vocational school, three (3) elementary/junior schools, and four (4) elementary schools.

There are 857 teachers employed in the territory, and there are currently 10,312 students enrolled in the USVI Public School system for the 2023-2024 school year. There is a total of twenty-eight (28) Non Public/Parochial Schools in the Territory with a total enrollment of 3,234 students.

## HEALTH & HUMAN SERVICES

### FACILITIES & SERVICES

*The Schneider Regional Medical Center and the Myrah Keating Smith Community Health Center St. Thomas/St. John District.*

*Charlotte Kimelman Cancer Institute serves St. Thomas/St. John District.*

*On the island of St. Croix, the Governor Juan F. Luis Hospital and Medical Center provides both basic and critical care and includes a Cardiac Center.*

The Virgin Islands Government Hospital and Health Facilities Corporation was established to ensure quality, comprehensive health care to residents and visitors.

Worldwide, the functions of public health are inextricably tied to varied forms of health department governance and operations. Operations for the Virgin Islands Department of Health were no different when faced with the COVID-19 Pandemic. On March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. Sec. 1601, et. Seq. and consistent with Section 1135 of the Security Act, as amended (42 U.S.C. sec. 1320b-5), declared a national emergency which began January 20, 2020. Society on that very date, the Governor of the United States Virgin Islands declared a State of Emergency (SOE) for the Territory designating the Health Commissioner as the Incident Commander; this declaration led to a unified effort inclusive of all agencies on a federal and local level; public and private expanding training, testing, mitigation, and public health operations from preventative care to increased vaccination.

The rebuilding of the Women & Infant Children Program (WIC) Knud Hansen Building on St. Thomas will restore the physical building and replace equipment, technology, and other infrastructure damaged by Hurricanes Irma and Maria in 2017. When completed, this new 5,200- square-foot, state-of-the-art structure will provide a central service location for the staff and participants of the WIC Program.

The \$3.7 million in funding for the WIC office rebuilds is provided through a \$6.3 million US Department of Agriculture grant awarded to the VI Health Department in August 2018 for the WIC program. This award is pursuant to the authorities of the Bipartisan Budget Act of 2018.

Department of Health has since tripled its outreach while fostering relationships designed to encourage best practices and the development of new and improved guidelines, testing, and facilities for public health.

## HUMAN SERVICES

The Department of Human Services serves as the “state agency” for publicly financed programs that address the needs of the indigent, disabled, elderly, and low- income populations. The department also addresses the needs of the juvenile population through Foster Care, Child Abuse and Neglect, Juvenile Justice, and Juvenile Delinquency Prevention Programs. The Department is also assigned oversight responsibility to end homelessness in the Territory.

The Department of Human Services, through a partnership with other government departments, agencies, and other organizations, assists in the rehabilitation of individuals to place them in competitive employment to achieve self-sufficiency.

## GOVERNMENT

### THE UNITED STATES VIRGIN ISLANDS

#### GOVERNMENTAL STRUCTURE

The U.S. Virgin Islands is an organized, unincorporated Territory of the United States and a part of the United Nations’ list of Non-Self-Governing Territories. The Organic Act of 1936 and the Revised Organic Act of 1954 created the contemporary political system. A unicameral legislature was organized to unify the Territory after the Revised Organic Act of 1954. In 1968, the Elective Governor’s Act provided for the Territory’s voters to select their chief executives. In 1970, Dr. Melvin H. Evans became the first elected governor. In 1968, the position of Delegate to Congress for the Virgin Islands was approved, and in 1970 Ron de Lugo became the Virgin Islands’ first Delegate to Congress. In 1982 the Judicial Branch was given more power to gradually create its own territorial court system. The Organic Act of 1936 allowed for the creation of the Government of the Virgin Islands which was tasked with providing services and creating employment for the Territory’s citizens. The Revised Organic Act of 1954 passed by the U.S. Congress and administered by the Office of Insular Affairs and the U.S. Department of Interior, established the present three branches of government: Legislative, Judicial, and Executive.

#### THE CULTURE POLITICS

Politics is a driving force for economic and social change in the United States Virgin Islands, which is founded on the principle of elected individuals who represent the people. Elected representatives are charged with the responsibility of acting in the people’s interest, but not as their proxy. Virgin Islanders are U.S. citizens who cannot vote in U.S. presidential elections, or exercise a representative vote in Congress, but have an elected delegate in the United States House of Representatives who chairs and votes in congressional committees outside of the House itself. Nevertheless, once Virgin Islanders establish residency in any of the contiguous United States, Alaska, or Hawaii, they can vote in presidential elections. There are three (3) political parties in the U.S. Virgin Islands (USVI): The Democratic Party, the Independent Citizens Movement (ICM), and the Republican Party. Candidates for elected offices, who do not platform as a member of one of the three political parties, platform as Independents.

**"VIRGIN ISLANDERS ARE U.S. CITIZENS WHO CANNOT VOTE IN U.S. PRESIDENTIAL ELECTIONS OR EXERCISE A REPRESENTATIVE VOTE IN CONGRESS."**

## U.S. VIRGIN ISLANDS ECONOMY

### FISCAL YEAR 2023 TO 2024 ECONOMIC SNAPSHOT

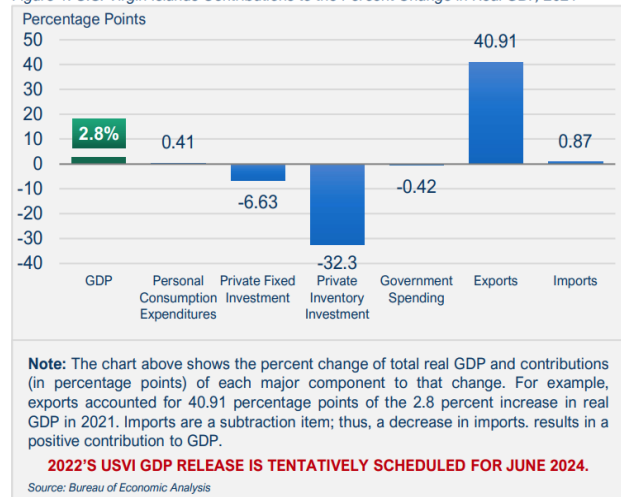

The US Virgin Islands' economy fared better in 2023 despite concerns about some broader economy's weaknesses and inflation drag. Nonetheless, the territory's economic recovery has supported the strongest labor market in over two years, with more workers now employed than when COVID-19 first struck. Approximately 35,336 nonfarm workers were employed in 2023 compared to 35,110 at the end of 2022, and the unemployment rate has stayed below 4% for 12 consecutive months since January 2023, reaching a low of 1.1% in December 2023. The employment growth has expanded by 1.7% overall, with the services sector emerging as the primary driving force. This growth is supported by increased economic activities in accommodation and food services, leisure and hospitality, and trade, transportation, and utility subsectors. These industries have undoubtedly been some of the hardest hit by the COVID-19 pandemic, making their recent rebound all the more remarkable. Taken together, these developments offer reason for cautious optimism as the economy continues to recover.

### 2021 GDP GROWTH

The U.S. Virgin Islands economy grew in 2021, returning with resilience from 2020. Real Gross Domestic Product (GDP) increased by 2.8% at an annual rate, to a level of \$4 billion in 2021, according to the U.S. Bureau of Economic Analysis (BEA). Real GDP shrunk by 1.9% in 2020 or declined to \$3.9 billion when the pandemic led to ordered lockdowns and businesses to shut down or reduce hours.

As shown in Figure 1, contributions to GDP growth in 2021 came from exports and personal consumption expenditure, which contributed 40.91 and 0.41 percentage points, respectively, to the overall 2.8% growth rate. Exports which grew 94.9%, reflected a surge in crude oil and petroleum products exports and services, primarily visitor spending. The 0.6% growth in consumer spending reflected increased spending on goods and services. Within goods, the leading contributor was nondurable goods. Health care, food services, and accommodations led to the growth of services.

Figure 1. U.S. Virgin Islands Contributions to the Percent Change in Real GDP, 2021

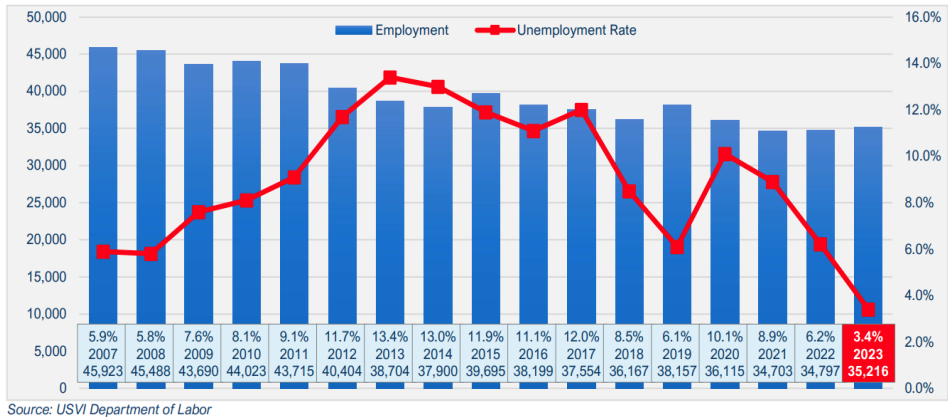

Subtractions to growth came from fixed private investment, which decreased 36.8% and subtracted 6.63 percentage points from the overall GDP growth rate. The decrease reflected declines in business spending on construction and equipment, which were elevated in prior years to support capital improvement projects, including the restart of the oil refinery on St. Croix. Decreasing private inventory investment subtracted another 32.3 percentage points from overall GDP growth due to crude oil and petroleum product inventories drawn down for export and use in petroleum refining. Government spending decreased by 1.2% and

subtracted 0.42 percentage points from growth, primarily reflecting a decline in federal government spending to support the reconstruction of federal facilities damaged during the 2017 hurricanes Irma and Maria. Territorial government spending decreased by 0.3%, reflecting a decline in the compensation of government employees. Imports, which are a subtraction in the calculation of GDP, also decreased.

## LABOR MARKET

In 2023, the employment market began to show signs of recovery, and employment rates increased by an average of 1.7%. This increase led to 40,067 individuals being employed, compared to 39,405 in 2022. The decrease in the unemployment rate to a record low of 3.4% in 2023 was the lowest since 1988, when it was 3.3%. When taking into consideration the closure of the oil refinery in 2012, the devastating hurricanes Irma and Maria of 2017, and the COVID-19 pandemic of 2022, which further exacerbated the employment decline, causing many businesses to close and leading to job losses across various industries, the USVI employment market stabilized impressively compared to previous downturns. This positive development resulted from the collective efforts of the government, businesses, and individuals to rebuild the economy and create new job opportunities.

Figure 2. Annual Nonfarm Employment and Unemployment Rates, FY 2007–2023

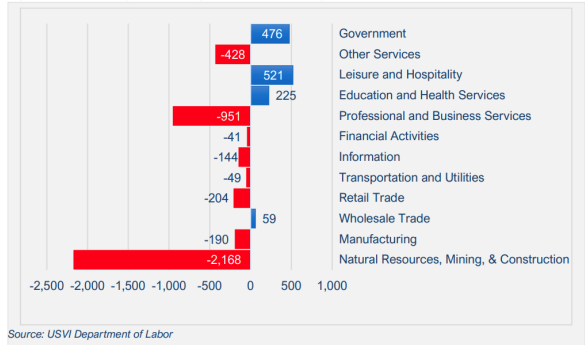

The labor market has been showing signs of recovery, resulting in a decrease of 30.6% in unemployment rates as of December 2023 when compared to pre-pandemic levels. In 2023, the total nonfarm employment averaged 40,067, and the unemployment rate declined by 1.4% compared to a workforce of 39,405 in 2022. This is a substantial improvement compared to the 10.4% annual rate in 2020.

Several industries have experienced a rise in employment opportunities. These include Customer Service (+285), Leisure & Hospitality (+232), Accommodations (+177), and Total Tourism sector up by (+223). Total Private employment is up by (+174). Most of these industries are related to capital projects and infrastructure development, except for the Customer Service sector, which saw an increase in employment due to the opening of Best Western Marriott.

During the pandemic, employment losses were distributed across most industries. Still, the heaviest losses were in Professional services and businesses, with (-25) job losses, Financial Activities (-18), Construction (-21), and Goods Production (-15) job losses. Other industries, such as trade and transportation utilities (-113), retail trade (-92), and other businesses, depend highly on infrastructure. When evaluating the change in jobs between January 2022 and December 2023 by industry, it is clear that some sectors' employment remained dampened while others were fully recovering and increasing to exceed their prepandemic levels (Figure 3).

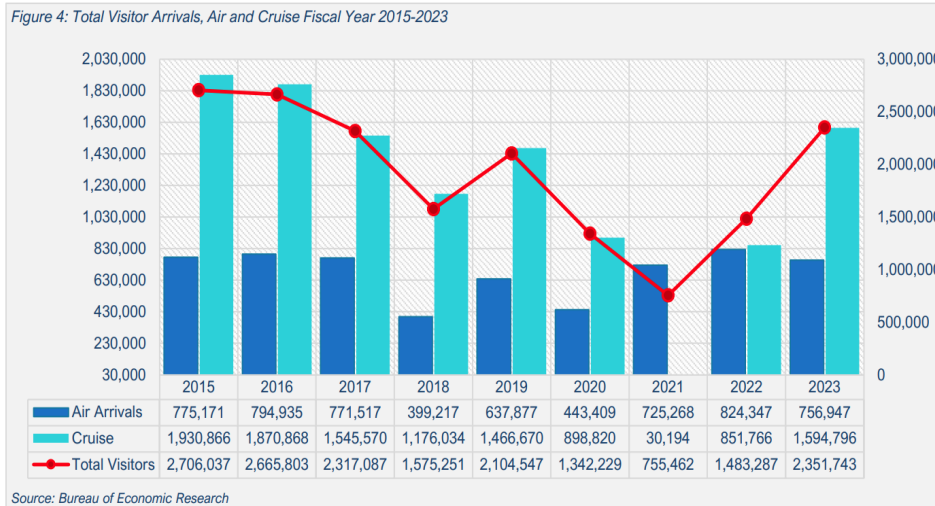

Figure 3: Net employment change between February 2020 and December 2023

## TOURISM

Visitor arrivals reached roughly 2.4 million in fiscal year 2023, marking a rise of around 677,386 over 2022—or a 40.2% increase. Furthermore, visitor arrivals surpassed 2019 pre-pandemic levels by 11.4%. This significant expansion testifies to the industry's resilience and ability to bounce back from the challenges posed over recent years.

Tourism's strength is also reflected in the performance of other industry indicators. Notably, the occupancy rate increased to 88.2% in December 2023, marking the highest rate since May 2021 (Figure 4). January 2024, hotel occupancy rates continued to grow, registering 74.5%, up ten percentage points from the previous year's 64.9% rate.

### AIR ARRIVALS

As of February 2024, air arrivals have shown a remarkable increase of 21.2% compared to the previous year, with a total of 175,577 passengers recorded. The monthly air arrivals data indicates that there has been a steady recovery in passenger arrivals following the pandemic. While there was a decline in air visitor arrivals in the first three quarters of 2023, with a slowdown of 1%, 11.3%, and 5.2%, respectively, the overall trend has been positive. Starting from August 2022 and continuing through to 2023, there was a slight decrease of 1.3% in air arrivals. Despite this decline, tourist arrivals remained consistent with air visitor arrivals and remained stable. In fact, tourist arrivals exceeded 2019 levels by an impressive 22%, demonstrating continued growth in the tourism industry.

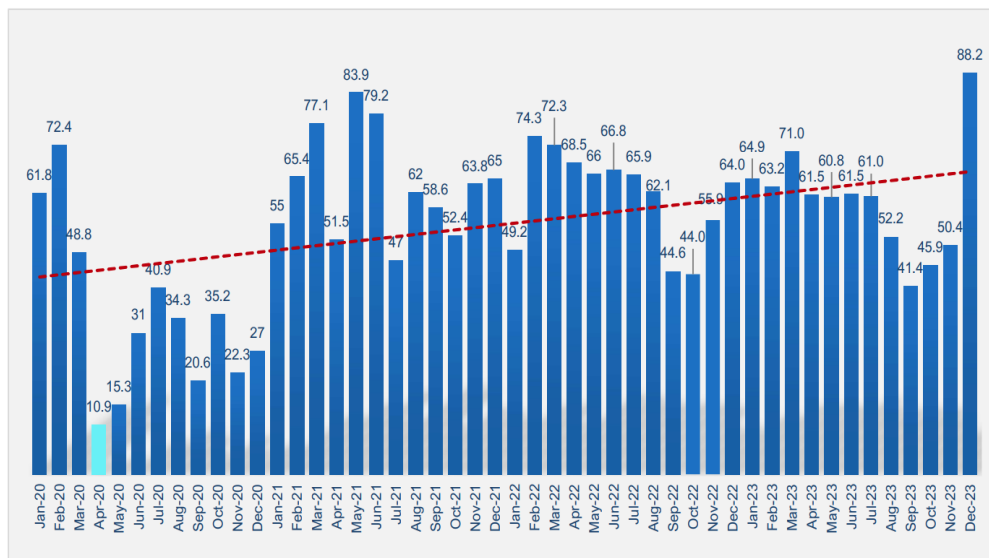

### CRUISE ARRIVALS

In 2023, cruise passenger numbers increased by 58%, reaching 1,613,554 passengers compared to 1,021,182 in 2022 as shown in Figure 4. All quarters of 2023 saw a significant recovery in cruise arrivals post-pandemic. The first quarter experienced the highest increase in visitor arrivals, with a rise of 167%, followed by a 72.5% increase in the second quarter. The third and fourth quarters showed more modest increases at 20% and 4.9%, respectively. In 2024, passenger arrivals are expected to continue increasing slightly, with 570,477 passengers as of March 2024, confirming the stability of cruise passenger arrivals. Additionally, starting from January 2024, the world's largest cruise ship, Icon of the Seas, will dock every Wednesday in the US Virgin Islands.

## ACCOMMODATIONS

The US Virgin Islands tourism industry boasted 75 establishments that provided overnight accommodations, amounting to 3,328 room nights sold in fiscal year 2023. Regrettably, the industry experienced a substantial decline in 2020 due to the global pandemic, with April witnessing an all-time low occupancy rate of 10.9%, while the annual rate amounted to 34.9%. However, the sector began to recover from the setback in May 2021, demonstrating an occupancy rate of 83.9% for the month and a 63.2% annual rate. Despite the anticipated decline in the hotel occupancy rate for 2023, which is projected at 60.3%, which is 0.8% lower than the previous year, it still indicates stability. Notably, the occupancy rate increased to 88.2% in December 2023, marking the highest rate since May 2021. The hospitality sector has been on a steady incline since 2021, further bolstered by the construction completion of several accommodations in 2023 and 2024, increasing the available room supply. January 2024 Hotel occupancy rates continued to grow at 74.5%, up 10% from the previous year at 64.9%. As the number of tourists and hotel stays is expected to rise, there is a high likelihood of continued growth in occupancy rates. The hotel sector witnessed significant developments, with the total supply of rooms increasing by more than 12.4% over the past year, supplemented by substantial additions to the market in 2024, including the 639 rooms at Westin Beach Resort & Spa at Frenchman's Reef. The number of room nights sold to tourists surged from 3,085 in 2019 to 3,328 in 2023 and 3,741 in the first quarter of 2024, an increase of 13.2%.

Figure 5. Hotel Occupancy Rates (%), CY 2020-2023

Source: USVI Bureau of Economic Research

## HOUSING MARKET

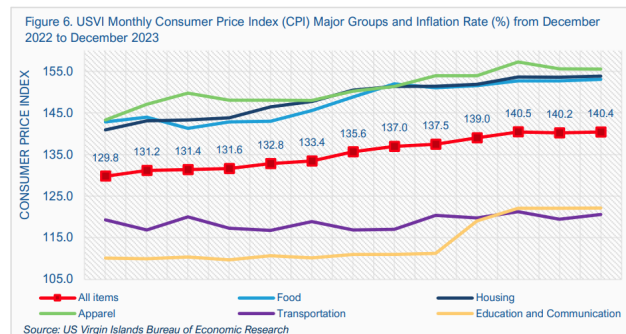

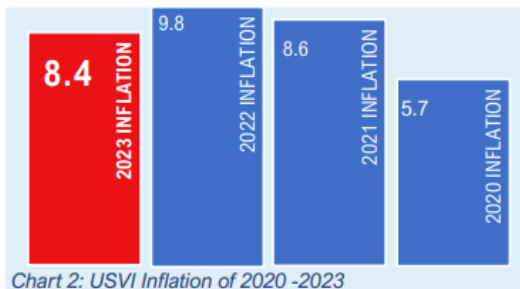

The demand for new homes and building construction permits was strong in 2023. Total building permit values, which indicate building intentions, increased 43.3% to \$310.8 million, surpassing the previous year's \$216.9 million value (Figure 6). Also, reversing the pattern in the last year, growth in private residential construction was robust at \$168.6 million, or a 9.2% increase compared to last year's value of \$154.4 million. Meanwhile, the non-residential building permit value of \$85.2 million was roughly 206% higher, up from \$27.9 million in 2022. The value of government construction permits nearly doubled, reaching \$57 million compared to last year's \$34.6 million value. The total value of building permits as of February 2024 was \$109.8 million and is expected to increase as ongoing projects approach completion and new capital projects begin construction.

## INFLATION

As measured by the USVI Consumer Price Index (CPI), inflation generally trended upward monthly (Figure 6), rising **8.4%** in 2023 and 9.8% in 2022. Gasoline, food prices and the LIAC increased sharply from strong demand and pandemic-related supply shortages, driving inflation.

Overall consumer prices, measured year-over-year, declined steadily to 8.4% in 2023 from 9.8% in 2022 (Chart 2). While prices have eased in some categories over the past several months, including food and energy, they remain elevated in others. The housing market experienced the highest inflation rate at 10.7% in 2023. Rising rental prices, which grew 6.2%, were the most significant contributor to price growth in the housing sector. In 2023, food prices decreased 7.3% from the previous year's 14.2%. This decrease was primarily driven by lower prices for fresh fruit and vegetables. However, consumers had to bear increased egg prices, which rose 38.1%.

The transportation index decreased 2.2% in 2023 due to lower gasoline prices. However, the price of tires under the transportation index increased by 3% in 2023. Meanwhile, the overall prices for other goods and services increased by 10% from the previous year, and remittances grew by 5.2%. The primary reason for the inflation in the other goods and services category was an increase in property taxes, which now range from 2% to 3% for properties worth up to \$350,000 versus 1.25% in 2021. In 2023, food prices decreased 7.3% from the previous year's 14.2%. Lower prices for fresh fruit and vegetables primarily drove this decrease. However, consumers had to bear increased egg prices, which rose 38.1%.

## U.S. VIRGIN ISLANDS 2024-2025 ECONOMIC OUTLOOK

Despite economic challenges faced by the world, the US Virgin Islands' economy is exhibiting a robust and sustained growth trajectory. This can be attributed to a flourishing tourism sector, an improving labor market, and substantial business investments. The USVI's government has played a crucial role in bolstering economic growth, particularly in the face of the pandemic. Most economic indicators have shown consistent growth year-to-date, reflecting steady economic growth. However, it is pertinent to note that global headwinds and geopolitical tensions are still prevalent and could pose risks to the positive outlook in the months ahead.

# GOVERNMENTAL STRUCTURE

FY25 OPERATING BUDGET

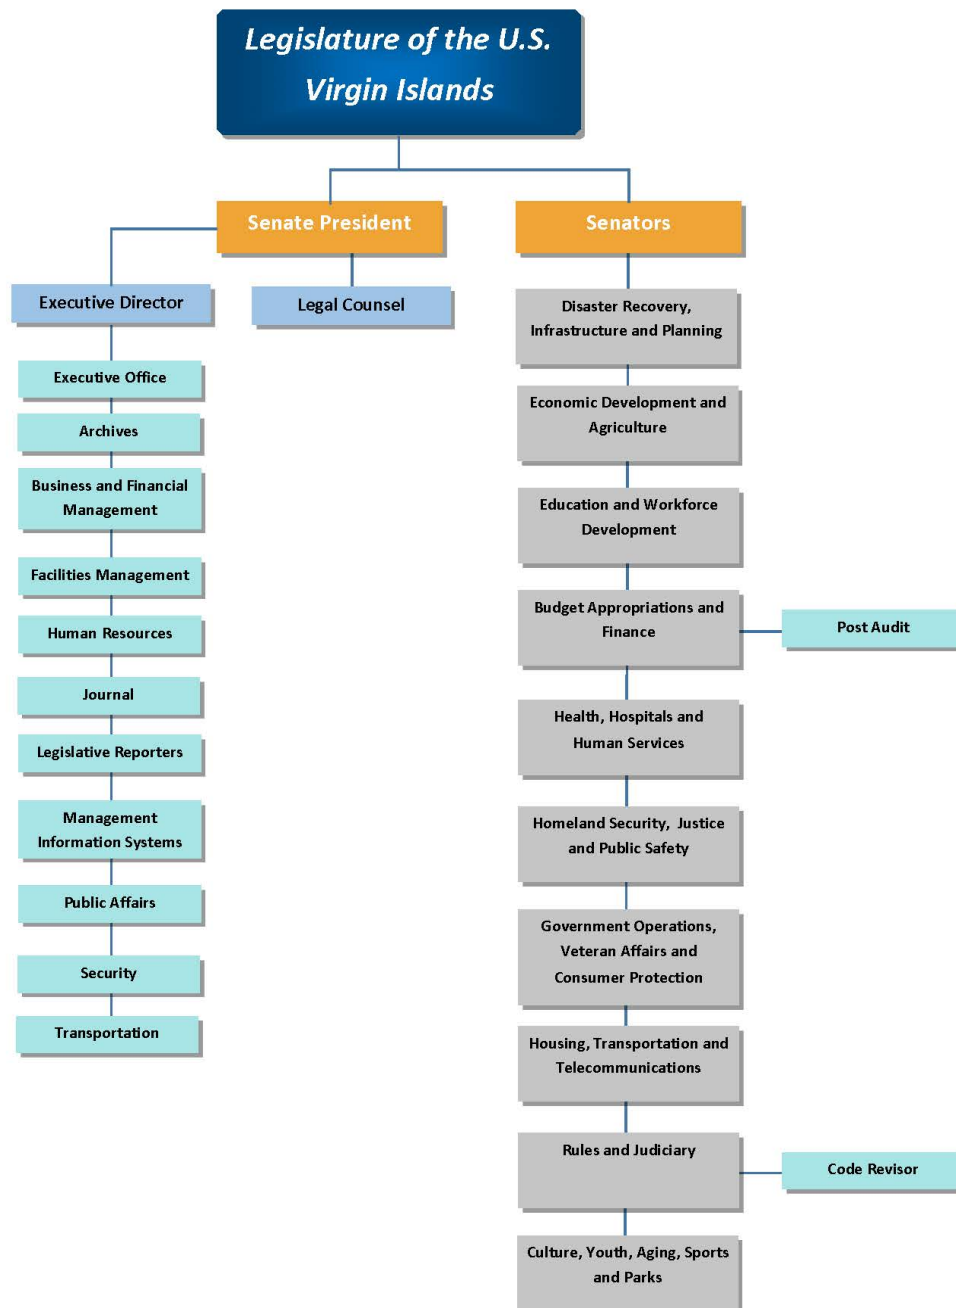

The U.S. Virgin Islands is an organized, unincorporated Territory of the United States and a part of the United Nations list of Non-Self-Governing Territories. The Organic Act of 1936 and the Revised Organic Act of 1954 created the contemporary political system. A unicameral legislature was organized to unify the Territory after the Revised Organic Act of 1954. In 1968, the Elective Governor's Act provided for the Territory's voters to select their chief executives. In 1970, Dr. Melvin H. Evans became the first elected governor. In 1968, the position of Delegate to Congress for the Virgin Islands was approved, and in 1970 Ron de Lugo became the Virgin Islands' first Delegate to Congress. In 1982 the Judicial Branch was given more power to gradually create its own territorial court system.

The Organic Act of 1936 allowed for the creation of the Government of the Virgin Islands that was tasked with providing services and creating employment for the Territory's citizens. The Revised Organic Act of 1954 passed by the U.S. Congress and administered by the Office of Insular Affairs and the U.S. Department of Interior, established the present three branches of government: Legislative, Judicial and Executive.

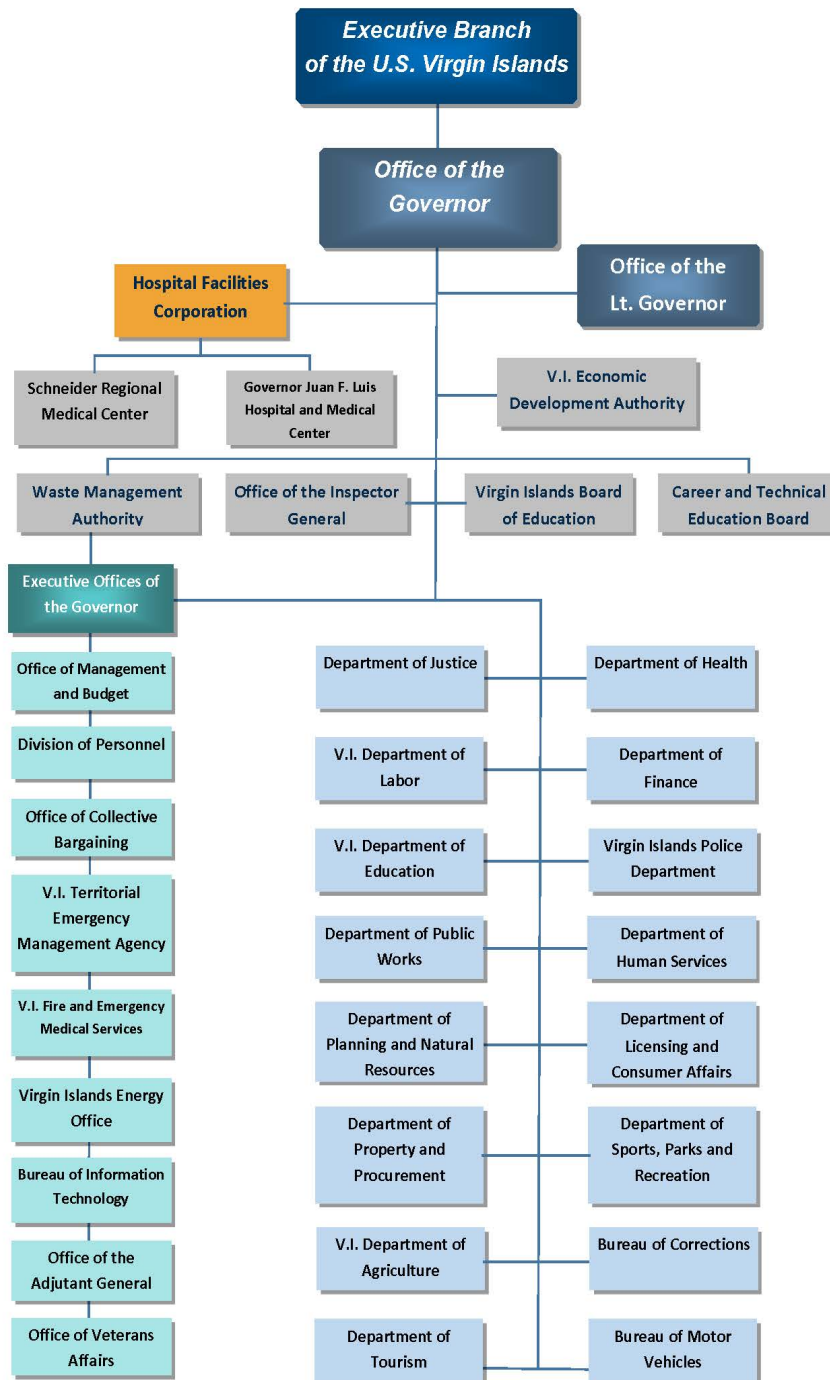

## LEGISLATIVE BRANCH

The Legislative Branch is a 15-member unicameral body. Seven (7) Senators are elected from each island district of St. Thomas/St. John and St. Croix. The fifteenth (15th) senator, designated as "at-large," must be a resident of St. John. Senators are elected for two-year terms.

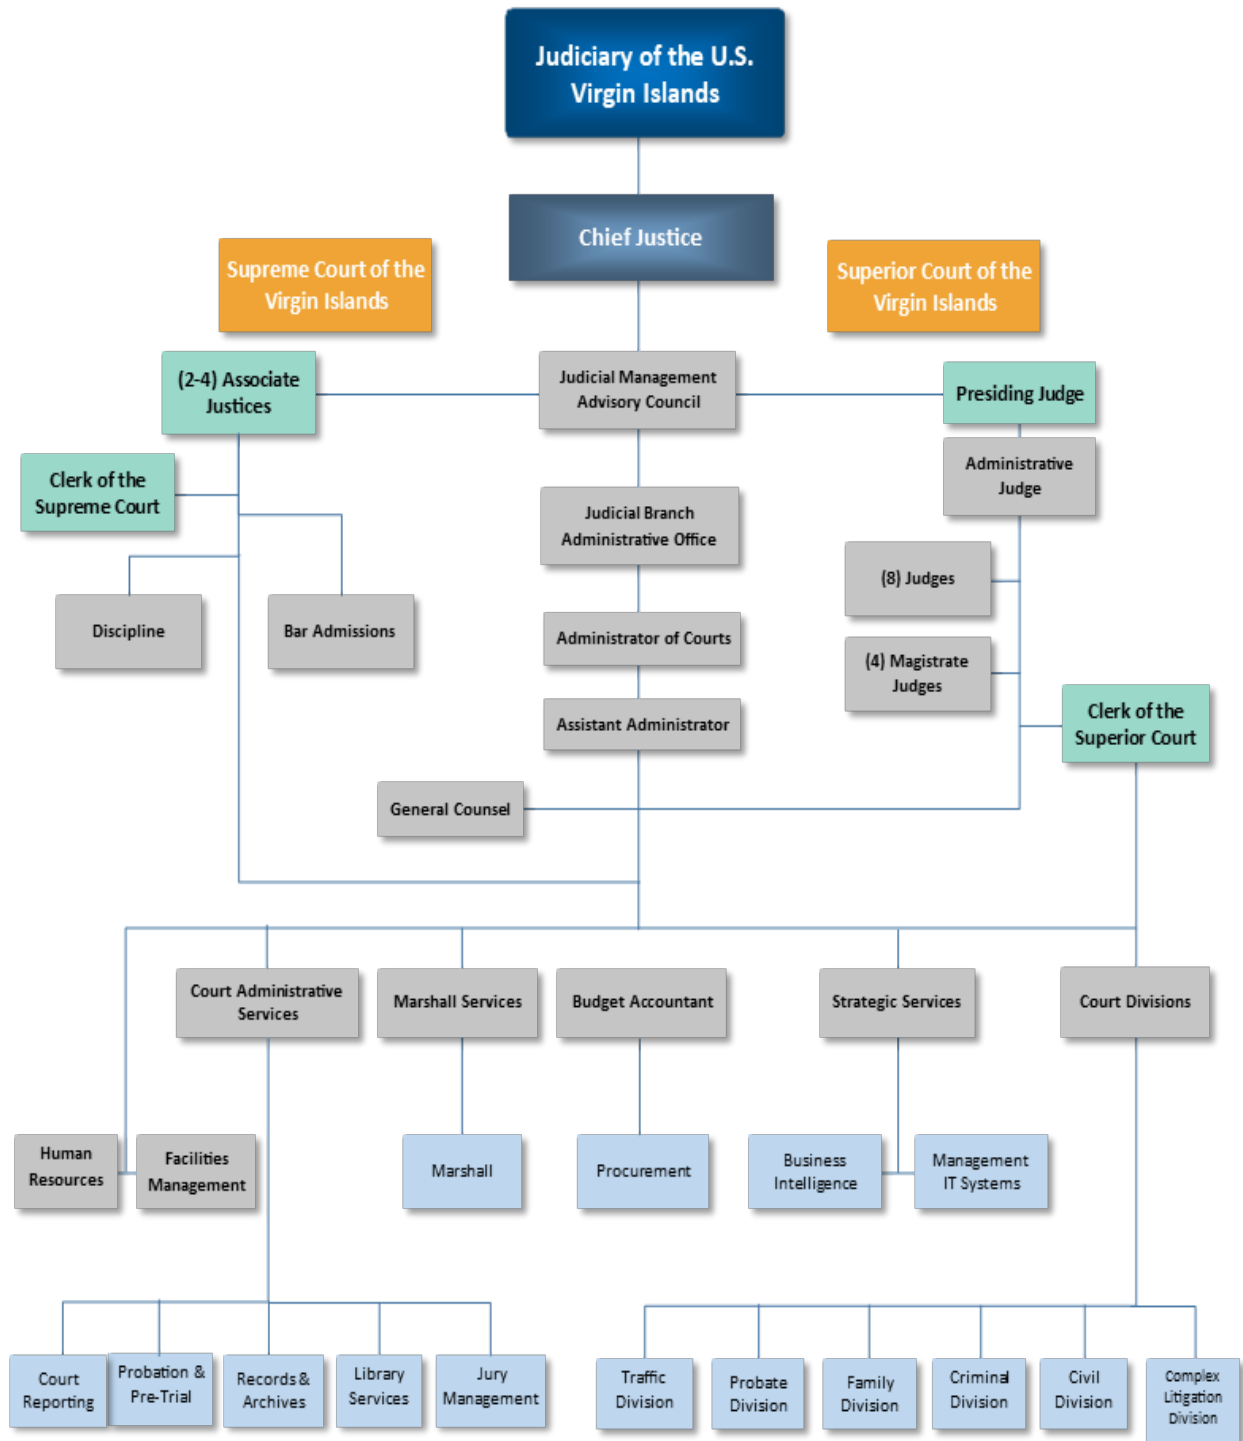

## THE EXECUTIVE BRANCH

The Executive Branch is headed by the Governor and Lieutenant Governor who are elected by popular vote and serve for a period of four (4) years, with a mandated limit of two (2) consecutive terms. The Governor is responsible for the administration of government. He may grant pardons, reprieves, and forfeitures against local laws as well as veto legislation. He retains the powers afforded to Governors throughout the fifty (50) states of the United States.

## THE JUDICIAL BRANCH

The Judicial Branch is comprised of a Federal District Court (District Court) of the Virgin Islands, a Supreme Court and a Superior Court. Judges for the District Court are appointed for a period of 10 years. The District Court of the Virgin Islands is technically a local court, created by Congress, and is not an Article Three Court under the U.S. Constitution. The Superior Court is a court of general jurisdiction over most civil, criminal, and family cases. The newly established Magistrate Division of the Superior Court has jurisdiction over small claims, landlord/tenant issues, traffic, probate and petty criminal matters, and other powers as prescribed by law. The newly established Supreme Court of the Virgin Islands is responsible for appeals from the Superior Court filed on or after January 29, 2007. Appeals filed prior to that date are heard by the Appellate Division of the District Court. Judges of the District Court of the Virgin Islands are appointed by the President of the United States and confirmed by the U.S. Senate, while justices of the Supreme Court of the Virgin Islands and judges of the Superior Court are appointed by the Governor of the Virgin Islands and confirmed by the Virgin Islands Legislature.

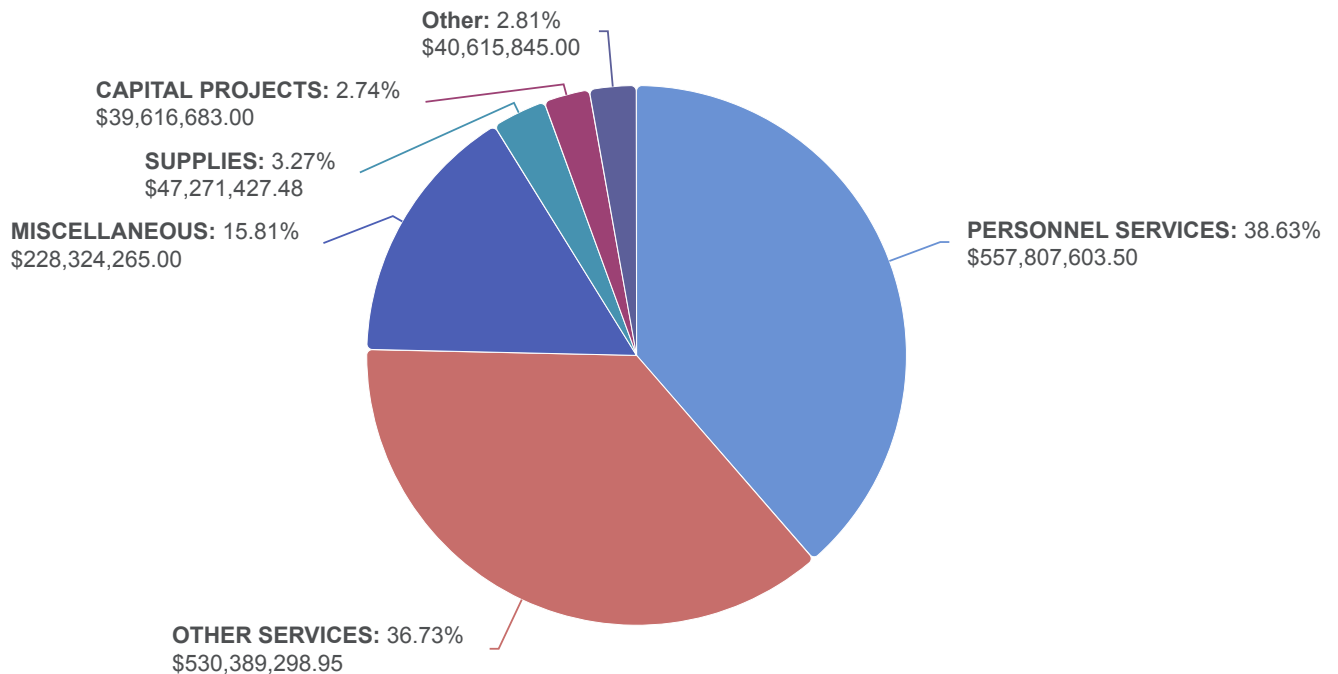

# OPERATING BUDGET

## ABOUT THE OPERATING BUDGET

The Executive Budget document presents an in-depth insight into the financial status of the United States Virgin Islands. The budget book reflects the intention of the Administration to provide readers with a comprehensive and transparent view into the use of resources that provide services to the residents of the territory. With a focus on financial information, budget policy, capital planning, performance management, and strategic forecasting, the budget book conveys the necessary information to gain a level of understanding of the Territory's funding capabilities and its spending priorities.

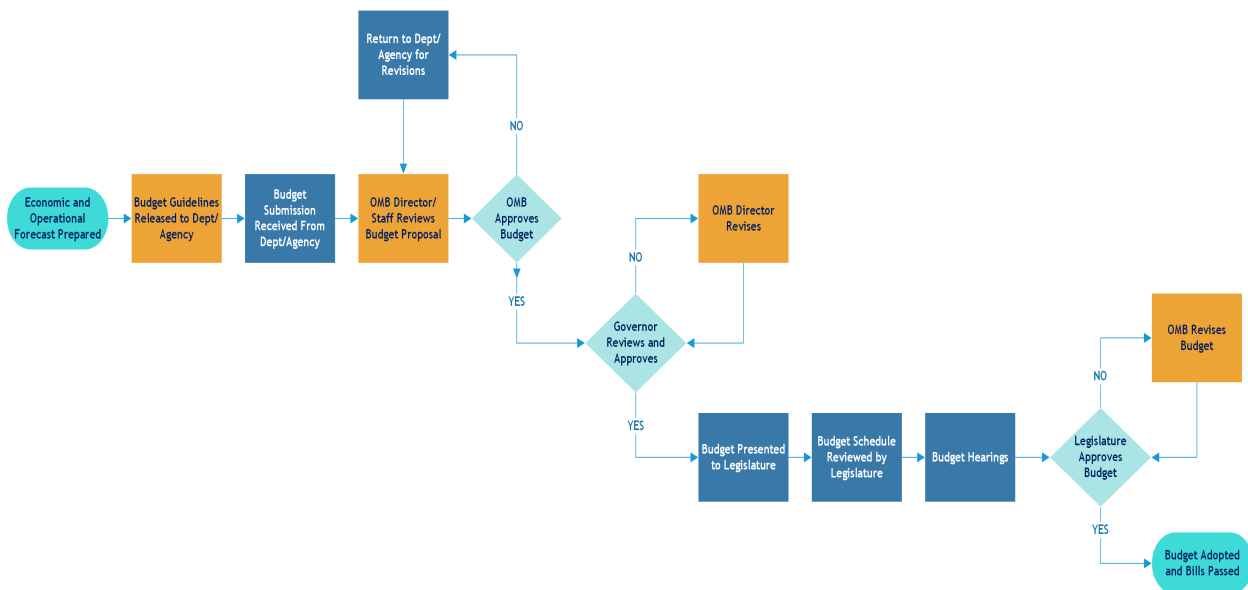

# ANNUAL BUDGET PROCESS

The annual budget preparation process and statutory role of the Office of Management and Budget (OMB) are certified by Title 2, Chapter 2 and Title 3, Chapter 1, Section 4. The Executive Branch is responsible for developing, formulating, and compiling a comprehensive, balanced budget proposal, which is modified by the Legislature and enacted into law. The Governor is required by law, pursuant to Title 2, Chapter 2, Section 24, to seek and coordinate requests from all the departments and agencies of the government; to develop a complete spending plan of proposed expenditures, listing revenues available to support them; and to create a prospective, balanced budget. This budget, along with the necessary appropriation bills and enabling legislation, is mandated by law to be submitted to the Legislature on or before **May 30<sup>th</sup>** each year. The Governor is also required to execute the adopted budget through administrative actions during the fiscal year. The annual budget is prepared on a Generally Accepted Accounting Principal (GAAP) basis, except for encumbrances, which are reported as expenditures for budget reporting purposes, by the Virgin Islands Office of Management and Budget (hereinafter “OMB”) working in conjunction with other Governmental offices and agencies. Encumbrances that are not yet released in the next year are just carried forward to the next year but do not affect the budget appropriation for the next year. The Government of the Virgin Islands’ fiscal year begins October 1 and ends September 30; however, the actual “budget cycle,” representing the time between early budget preparation and final disbursements, extends over the entire year, commencing in the first quarter of the current fiscal year.

The budget process consists of six major activities:

1. Budget Formulation
2. Agency Budget Preparation
3. OMB Budget Review/Recommendation
4. The Governor’s Proposal
5. Legislature’s Action
6. Budget Execution

## BUDGET FORMULATION

**December – January:** The budget formulation process begins with the development of the revenue projections. The Director of the Office of Management and Budget (hereinafter “OMB”), in conjunction with the OMB revenue team meet periodically to analyze past economic trends and monitor revenue flow to begin developing revenue projections for the upcoming fiscal year. During the month of December, the Director and staff of OMB, begin the development of the budget ceilings for all departments and agencies based on projected revenues for the upcoming fiscal year.

**January:** The Director of OMB issues budget guidance to all departments and agencies with the projected ceiling levels as dictated by projected revenues. During this time, OMB conducts budget orientation sessions in both the St. Thomas/St. John and St. Croix districts with the commissioners, directors, fiscal personnel, and program directors and provide the necessary guidance in the budget formulation or explains all budget guidelines. Analysts assigned to each department and agency answer inquiries about the guidelines. The analysts work with the departments and agencies on a one-to-one basis to address particular budgetary concerns. Additionally, site visits are conducted if necessary, during this period to familiarize the analysts with the departments and agencies’ operational plans.

## AGENCY BUDGET PREPARATION

**February:** The departments and agencies develop their spending plans in agreement with the expenditure ceilings and guidelines in the Budget Call along with training and hands-on budget orientation sessions.

## OMB BUDGET REVIEW/RECOMMENDATION

**March – April:** The departments and agencies submit their proposed budgets for the upcoming fiscal year to OMB. The Director, along with the OMB staff, analyzes the individual budgets and prepares recommendations for the departments and agencies; updates the departments and agencies' narratives; drafts the necessary appropriation bills and enabling legislation; and develops budget schedules, summaries, and revenue statements. The OMB Director and staff then presents the head of each department and agency with a copy of OMB's recommendation (justification letter, management letter, and personnel listing) for their Department and Agency to review and discuss with OMB's staff at scheduled internal budget hearings, if necessary. In the event of changes made during the internal budget hearings, the analysts revise a department or agency's budget along with the budget schedules, summaries, and revenue statements. If necessary, analysts make changes and update the budget and supporting documents for presentation to the Governor after finalization of revenue projections at the Spring Revenue Estimating Conference.

## THE GOVERNOR'S PROPOSAL

**May:** Pursuant to Title 2, Chapter 2, Section 24, subsection (b) and Chapter 12, Section 251 Virgin Islands Code, a balanced budget for the Government of the Virgin Islands is submitted to the Legislature by May 30th or as otherwise authorized. In consultation with the Governor, the recommended budget for the Executive Branch is finalized and submitted to the Legislature. The Governor's submission includes his message to the Legislature, along with the OMB Director's budget message to the Governor.

The proposed Executive Budget includes government funds subject to appropriations pursuant to law from the General Fund, Internal Revenue Matching Fund, Government Insurance Fund, and others. It also includes non-appropriated government funds, which are funds that generate revenues from fees, services, and other sources; and funds used by the revenue-generating departments and agencies (i.e. Data Processing Fund and Fire Service Emergency Fund).

## LEGISLATURE'S ACTION

**June – September:** During this time, the Legislature reviews and deliberates on the proposed Executive Budget, supporting appropriation bills, enabling legislation, schedules, and summaries as submitted by the Governor. The Post-Audit Division of the Legislature analyzes the budgetary information and prepares reports for the Committee of Budget, Appropriation and Finance to conduct individual department and agency budget hearings. During the hearings, commissioners, directors, and their key financial personnel take the opportunity to testify on their recommended budgets. At the conclusion of all hearings, the Committee on Budget, Appropriations and Finance acts on the Governor's proposed Executive Budget and forwards its recommendations to the Committee on Rules and Judiciary, and finally to the entire Legislative body for consideration at a legislative session.

During the legislative process, the Legislature may add, change, or delete any item in the budget proposed by the Governor. The proposed Executive Budget and accompanying legislative bills must be approved by the Legislature and signed into law by the Governor on or before September 30th. If the budget is not approved before the commencement of the new fiscal year, pursuant to the 1954 Revised Organic Act, Section 9(e), the appropriations of the preceding fiscal year, as they may be deemed applicable, are automatically re-appropriated until the approval of a new budget. Once approved, this becomes the Adopted Budget as amended by the Legislature.

## ADOPTED BUDGET EXECUTION

**September:** Upon approval of the Adopted Budget, the Governor has another opportunity to veto the budget partially or in its entirety and return it to the Legislature with his objections. This is known as a gubernatorial veto. A gubernatorial veto can be overridden by a two-thirds majority of all members of the Legislature and thereby become law. The Governor could also allow the budget to become law without his signature.

**October – September:** Once the budget is enacted, fiscal control of expenditures is exercised by the Governor through the Director of OMB. If the fiscal resources available to the Government in any fiscal year are insufficient to cover the appropriations approved for that year, the Governor, through the Director of OMB, may take administrative measures (such as reducing or withholding budget allotments) to align expenditures with available resources.

# PERFORMANCE/OUTCOME BASED BUDGETING OVERVIEW

## UNDERSTANDING THE BUDGET FRAMEWORK

### PERFORMANCE/OUTCOME BASED BUDGETING

The Operating Budget for fiscal year 2025 represents the first year of the Territory's transition to Performance Based Budgeting (PBB)/Outcome Based Budgeting (OBB). Compared to traditional budgeting methods, PBB/OBB outlines a process to make fiscal decisions based on essential services and programs that our community values and align with our priorities. In this budget, you will still see organization by department, but you will also see what progress we have made in measuring performance for each department/agency into the services that they provide (by Activity Center).

PBB/OBB ensures that funding is provided to departments that can execute (perform) their established functions. To adapt this new framework, agencies were asked to group related programs and services performed for a specific purpose and/or population into containers or what we call, Activity Centers. From there, agencies were asked to consider, exactly what resources (personnel and operating costs) are required to successfully carry out those functions. Budgeting by Activity Center encourages departments to consider the planned benefit (or outcome) and identify the specific resources needed to impact their performance measures. In addition, the goal of PBB/OBB is to shift the budget discussion from "what to cut" to "what to keep." By lowering initial ceilings, agencies were able to build their budget from the ground up, prioritizing services and considering what outcomes we seek as a government on a whole. This method increased the percentage of spending that is tied to rational analysis and results, not fossilized priorities from generations past.

In this year's budget publication, readers will see for each program area (Activity Center), how dollars fund activity functions, how these functions are expected to generate certain outputs, and what outcomes should then be the result. Performance Based Budgeting changes the starting point for the budget from last year's budget to the next year's goals. Departments are broken down into measurable services and organized by the strategic outcome that their performance will impact.

### PRIORITY OUTCOMES

In preparation for the transition to PBB/OBB, the Office of Management and Budget's Performance Management Unit, along with Governor Bryan and GVI agency key leadership, developed the Administration's priority outcomes in a strategic planning session in August 2023. At the beginning of this fiscal year, we presented the established priorities to the Activity Center leads for each department. Through a series of workshops, agency staff worked to incorporate the priority outcomes into the budget along with developing key indicators to measure progress towards each of the priorities. The Performance Overview sections of the department pages contain an enhanced explanation on how agencies are being measured against their expected outcomes.

This budget is structured to align closely with the Governing Body's six strategic goals or outcomes, which encapsulate the Administration's vision for progress. These objectives encompass providing Quality Education, advancing technology to support a High Performing Government, prioritizing commitments for Safe and Sustainable Infrastructure, promoting the well-being of Healthy Citizens, bolstering Economic Growth, and making strategic investments towards transforming into a Clean and Energy-Efficient Territory.

High  
Performing  
Government

Quality  
Education

Safe and  
Sustainable  
Infrastructure

Growing  
Economy

Healthy  
Citizens

Clean and  
Energy  
Efficient  
Territory

## AGENCY PERFORMANCE MEASURES

The starting point for PBB/OBB is identifying a set of outcomes that the territory wants to achieve, including indicators to measure performance and progress. At the start of Fiscal Year 2024, the PMU collaborated with agencies GVI-wide to drive performance measurement and management through a rigorous review of agency performance measures. The collaboration has worked to align accountability for agency service outcomes and delivery, and played a major role shaping the roadmap for Fiscal Year 2025. The performance measure review, conducted after the Annual Performance Conference, resulted in agreement between agencies and the PMU to either keep measures, create new ones that align with the Administration's six (6) priority outcomes or delete measures that were no longer relevant, duplicative, hard to understand or were majorly impacted by factors beyond the agency's control. In the PBB/OBB framework, the unit of measurement shifts from departments to the services provided by said departments.

There are four types of performance measures that you will see throughout the department sections:

Type	Description	Performance Measure Example
Output	How much service is being delivered	Number of EMS responses
Efficiency	The cost in dollars and/or time per unit of output	Percent of EMS fees collected versus total billable
Effectiveness	How well the service meets standards based on customer expectations	Percent of EMS responses within 9 minutes
Outcome	How much better off is the resident	Percent of patients surviving cardiac arrest

In the agency detail budget sections, you will find a meticulously curated set of key performance indicators (KPIs) that encapsulate the essence of the departments' mission and objectives. These KPIs were carefully selected to offer stakeholders a comprehensive understanding of the department's performance, effectiveness, and the tangible impact they have on the communities they serve. Through diligent analysis and consideration, these indicators serve as powerful tools for assessing the department's progress, identifying areas for improvement, and ultimately guiding strategic decision-making. The OMB Performance Management Unit invites stakeholders to delve into the data provided on departments' Performance Overview pages, where each KPI provides an inside look into areas that matter the most and align with the overall priority outcomes.

## UNDERSTANDING THE INDICATORS

**Activity Center:** Activity Centers are the building blocks of the budget. How well we can connect resources to results and hold people accountable for performance and financial management is the core purpose of clearly defined Activity Centers.

**Indicator/Performance Measure:** Indicators are typically used to quantify the achievement of a result. Performance measures are typically used to quantify the achievement of a program, answering "how much," "how well," or "better off" questions.

**Polarity:** The trend in data that indicates success. "Higher is Better" (Increase) or "Lower is Better" (Decrease) are the two trends used when measuring values.

**Current Trend:** The Current Trend column displays the current trend of the Actual Values for a measure. A green arrow indicates a good direction and a red arrow indicates a bad direction. The coloring of these arrows is determined by the polarity of the measure. The number next to the arrow indicates how many periods this trend has been continuing for. If the measure is quarterly, then a 2 would mean that for two quarters, the trend has been going in that direction. If the measure is annual, a 2 would mean that for two years, the trend has been going in that direction.

**Current Target Value:** The Current Target Value column displays the Target Value for a measure for the time period denoted in the Most Recent Period column.

**Current Actual Value:** The Current Actual Value column displays the Actual Value for a measure for the time period denoted in the Most Recent Period column. If a color band exists for the Actual Value, it will display as the background color.

**Prior Actual Value:** The Prior Period Actual Value displays the Actual Value for a measure for one time period in the past before the Most Recent Period column. If a color band exists for the Actual Value, it will display as the background color.

**Most Recent Period:** The Most Recent Period column displays the time period for the corresponding Current Actual Value, Current Target Value, and Current Trend.

# SCHEDULE OF PRINCIPAL LONG-TERM DEBT

The Virgin Islands Public Finance Authority, on behalf of the Government of the United States Virgin Islands, through authorization from the Legislature of the United States Virgin Islands, has secured funding for the following working capital and long-term projects. Outlined below is a brief description of each bond issuance reflected in the Schedule of Principal and Interest due on Long Term Debt for **Fiscal Year 2025**.

## SCHEDULE OF PRINCIPAL AND INTEREST DUE ON LONG-TERM DEBT

ISSUE AND SOURCE OF PAYMENT	OUTSTANDING	PRINCIPAL	INTEREST	TOTAL
	AS OF 4/30/2024

## GENERAL OBLIGATION DEBT (GROSS RECEIPT TAXES)

- Proceeds from the **Series 2006A Gross Receipts Taxes - Revenue Bonds** were used to refund a portion of the Authority Revenue Bonds, Series 1999A Bonds, pay the cost of a termination fee in connection with an outstanding swap option agreement, fund certain necessary public sector capital development projects of the Government of the Virgin Islands, fund the Debt Service Reserve Account in an amount necessary to meet the Debt Services Reserve Requirement, pay the premium in connection with the Series 2006 Bond Insurance Policy, fund a net payments reserve account for a new swap agreement and pay the costs of issuing the Series 2006 Bond. The repayment of this bond series is funded by the General Fund from Gross Receipts Taxes. The bonds were issued in October 2006 at a value of \$219,490,000. As of April 1, 2024, the outstanding principal balance was \$119,560,000.
- Proceeds from the **Series 2012A Gross Receipts Taxes – Revenue Bonds** were used to refund the outstanding Series 1999 Bonds, refund the Series 2010A Notes, pay the costs and expenses of issuing and delivering the Series 2012A Bonds and fund the Debt Service Reserve Account in the amount necessary to meet the Debt Service Reserve Requirement related to the Series 2012A Bonds. The repayment of this bond series is funded by the General Fund from Gross Receipts Taxes. The

Bonds were issued in November 2012 at a value of \$197,065,000. As of April 1, 2024, the outstanding principal balance was \$110,390,000.

- Proceeds from the Series 2012B Gross Receipts Taxes - Revenue Bonds were used to refinance the Series 2011A Note, which initially financed the Broadband Project, pay the cost and expenses of issuing and delivering the Series 2012B Bonds and fund the Debt Service Reserve Account in an amount necessary to meet the Debt Service Reserve Requirement related to the Series 2012B Bonds. The Bonds were issued in November 2012 at a value of \$31,740,000. As of April 1, 2024, the outstanding principal balance was \$11,030,000.
- Proceeds from the Series 2012C Gross Receipts Taxes – Revenue Bonds were used to finance all or a portion of the costs of certain capital projects, fund capitalized interest on a portion of the Series 2012C Bonds and pay the costs and expenses of issuing and delivering the Series 2012C Bonds. The Bonds were issued in December 2012 at a value of \$35,115,000. As of April 1, 2024, the outstanding principal balance was \$18,830,000.
- Proceeds of the Series 2014A Gross Receipts Taxes – Revenue Bonds were issued to finance operating expenses of the Government, to fund the amount necessary to meet the Debt Service Reserve Requirement for the Bonds, and to pay certain costs of issuing the Bonds. The Bonds were issued on September 5, 2014, in the principal amount of \$49,640,000. As of April 1, 2024, the outstanding principal balance was \$33,225,000.
- Proceeds of the Series 2014C Gross Receipts Taxes - Revenue Bonds were used to refund the Authority's outstanding Revenue Bonds (Virgin Islands Gross Receipts Taxes Loan Note), Series 2003A, to finance all or a portion of the costs of certain capital projects, including the Paul E. Joseph Stadium Project and certain projects at the Governor Juan F. Luis Hospital & Medical Center and Schneider Regional Medical Center, and pay the costs of issuance related to the Series 2014C Bonds. The Bonds were issued on November 14, 2014, in the principal amount of \$247,050,000. As of April 1, 2024, the outstanding principal balance was \$194,760,000.
- Proceeds of the Series 2014D Gross Receipts Taxes - Revenue Bonds were used to finance certain costs associated with the Broadband Expansion Program, finance the amount necessary to meet the Debt Service Reserve Requirement upon the issuance of the Series 2014D Bonds, and pay the costs of issuance related to the Series 2014D Bonds. The Bonds were issued on December 3, 2014, in the principal amount of \$5,765,000. As of April 1, 2024, the outstanding principal balance was \$3,830,000.

## **TAX INCREMENT FINANCING DEBT**

- Proceeds from the Series 2009 / 2011 / 2012 / 2019 Tax Increment Revenue Bond Anticipation Notes were used to provide interim financing of a portion of the Island Crossings Project, which is a shopping center development project, and to pay certain costs incidental to the issuance of the Series 2009A Bond Anticipation Notes. The repayment of these Notes will be funded by Gross Receipts Tax Revenues and incremental Property Tax Revenues. The Tax Increment Revenue Loan provides for the initial borrowing in the principal amount of \$15,700,000. As of April 1, 2024, the outstanding principal balance was \$4,911,441.

## **FEDERAL HIGHWAY GRANT ANTICIPATION REVENUE DEBT (GARVEE)**

- Proceeds from the Series 2015 Grant Anticipation Revenue Bonds (Federal Highway Grant Anticipation Revenue Loan Note) were used to (i) finance all or a portion of the costs of certain capital projects, including the Veteran's Drive Phase I Project on the island of St. Thomas and the following projects on the island of St. Croix: Melvin Evans Highway-Route 66, Mahogany Road-Route 76, Hams Bluff Road-Route 63, Spring Gut Road Phase I & II, St. Croix Estate Welcome to the South Shore Road-Route 85, Sion Valley Road from Rattan Road through Peter's Rest to the intersection at Blue Mountain Water, Rattan Road Route 74, Prince Street, Queen Frederiksted-Route(s) 7029, 7027, 7025, 7023 & 702 and Improvements to Christiansted Roads-Route(s) 754, 75E, 75W; (ii) fund the amount necessary to meet the Debt Service Reserve Requirement for the Bonds; and (iii) pay the costs of issuance of the Series 2015 Bonds. The repayment of this bond series is funded by the Federal Highway Grant Revenues. The Bonds were issued in December 2015 at a value of \$89,880,000. As of April 1, 2024, the outstanding principal balance was \$58,475,000.

# FUND BALANCES

## COMMISSION OF INSURANCE ADMINISTRATION FUND

Pursuant to Title 22, Chapter 25, Section 603, the Commission of Insurance Administration Fund is a special fund established to administer the Division of Insurance in the Virgin Islands. It is funded by a 5% tax on quarterly gross receipts premiums for all types of insurance, excluding annuities, in the Virgin Islands or related to risks in the Virgin Islands. This tax excludes return premiums and reinsurance premiums from authorized insurance companies. Half of these taxes form a special fund, not exceeding \$3,000,000 annually. This fund supports the operations and activities of the Division of Insurance, ensuring regulatory oversight and compliance within the insurance industry in the territory.

## DISTRICT PUBLIC ROAD FUND

The District Public Road Fund consists of four separate accounts: St. Croix Public Road Account; St. Thomas Public Road Account; St. John Public Road Account; and the Water Island Public Road Account. Two percent (2%) of all property taxes collected for each island shall be deposited into the respective island's Public Road Account. The Commissioner of Finance shall make distribution of property tax collections into each island's Public Road Account within 30 days from the end of each quarter. In addition to the two percent (2%) of all property taxes collected for each island before October 1, of each year, two percent (2%) of all delinquent property taxes, including interest, paid after October 1 of each fiscal year, shall be deposited into the respective island's Public Road Account. The Commissioner of Finance shall make available, out of the funds in each island's Public Road Account, disbursements for expenditures under the direct control of the Engineering Division of the Department of Public Works exclusively for the repair of the respective island's local public roads, including drainage, maintenance, pavement and beautification. The Commissioner of Finance shall maintain and provide for the administration of each island's Public Road Account.

## INTEREST REVENUE FUND

The Interest Revenue Fund was created pursuant to Title 33, Chapter 111, Section 3026a, VIC, to provide the accounting mechanism for the collection and disbursement of unrestricted funds as they relate to interest earned. All revenues of the Government of the Virgin Islands derived from interest earned on deposits of governmental funds, except interest earned on funds which the government holds or administers as custodian or trustee, or any interest revenues which by law are paid into other special funds of the Treasury, are deposited into this fund. Therefore, no funds are available for expenditure except as provided by the Legislature, that appropriates amounts as a contribution to the General Fund.

## ST. JOHN CAPITAL IMPROVEMENT FUND

The St. John Capital Improvement Fund was created as a separate and distinct fund in the Treasury of the Virgin Islands pursuant to Title 33, Chapter 111, Section 3057, VIC. All monies deposited in such fund shall be appropriated by law exclusively for capital improvement projects, road maintenance, solid waste collection and disposal, and the maintenance and operation of the sewage system on the island of St. John. The source of revenue for this fund is all payments made by the Government of the United States to the Government of the Virgin Islands in any fiscal year as payment in lieu of taxes on property owned by the Government of the United States. Further, in each fiscal year, one million five hundred thousand dollars (\$1,500,000) of the amount collected by the Government of the Virgin Islands as taxes on real property shall be deposited into this fund.

## TERRITORIAL PARK FUND

Title 32, Chapter 2A, Subsection 31 established the Territorial Park Trust Fund. Investment earnings credited to the assets of the Fund shall become part of the Fund. All monies shall remain in the Fund until expended. Money shall be disbursed from the Fund by the Commissioner of Finance, upon the authorization of the Board. As the Government acquires land pursuant to the chapter, the Chairperson of the Board shall direct the Commissioner of Finance to set aside an amount from the Fund not to exceed twenty percent of the value of the land acquired, or the land affected, if less than a fee interest was acquired, to be placed in a special stewardship account in the Fund. The special stewardship account shall be a non-lapsing account, and income derived from investment of the account shall be credited to the account. The special stewardship account shall be used solely for the management of land acquired under this chapter, as directed by the Board.

## VI COASTAL PROTECTION FUND

The Virgin Islands Coastal Protection Fund is established to be used by the Department of Planning and Natural Resources as a revolving fund for carrying out the purposes listed in Title 12, Chapter 17 of the VIC. The Fund shall be limited to the sum of one million (\$1,000,000) dollars. To this fund shall be credited all license fees for each registrant license of the terminal facilities in the territory and shall pay therefore an annual license fee, the amount of which is to be determined by the Department, penalties and other fees and charges related to the chapter, including administrative expenses, and costs of removal of discharges of pollution. Monies in the fund not needed currently to meet the obligations of the Department in the exercise of its responsibilities under the chapter shall be deposited with the Commissioner of Finance to the credit of the fund and may be invested in such manner as is provided for by statute. Interest received on such investment shall be credited to the Virgin Islands Coastal Protection Fund. Whenever the balance in the fund has reached the limit provided under this section, and as long as it remains so, license fees shall be proportionately reduced to cover only administrative expenses.

FUND - 6014	ACTUAL FY 2022	ACTUAL FY 2023	BUDGETED FY 2024

## VI EDUCATION INITIATIVE FUND

Monies in the Fund shall be dispersed by the Commissioner of Finance into an Imprest Fund Checking Account for each public school in the Virgin Islands pursuant to the following formula: Each public school shall be awarded a base amount of \$50,000. Each public school shall receive an additional sum of \$15 per student for every student enrolled over an enrollment of 500. In the event that one school district receives a larger sum than the other, the district receiving the smaller sum shall be awarded an additional sum, so that each district receives an equivalent sum. The additional sum received by the district shall be divided proportionately to the number of students in each school. Any sum remaining in the Imprest Fund Checking Account at the end of fiscal year shall be returned to the Virgin Islands Education Initiative Fund for redistribution in the next fiscal year.

## YOUTH TRANSIT FUND

Pursuant to Title 33, Chapter 111, Section 3092, the Youth Transitional Employment Fund consists of one-hundred percent of the fees collected under Title 23, Section 455(b), Virgin Islands Code and Title 27, Section 302(a), Virgin Islands Code, ("Firearms and ammunition—distributor or wholesaler; Firearms and ammunition—retail sales; Firearms and ammunition—gunsmith"); any funding from the federal government, any funds appropriated thereto from time to time by the Legislature and all gifts, contributions, and requests made thereto. All contributions to the fund shall remain available until expended from the purposes enumerated under this section. Monies shall be disbursed from the fund by the Commissioner of Finance upon the authorization of the Commissioner of Labor for the purpose of carrying out the provisions of the Youth Transitional Employment Program. Monies appropriated under this act shall not be used for any purpose other than for the payment to employers and administrative costs as provided for in the VIC.

# U.S. VIRGIN ISLANDS FY 2025 PROPOSED LEGISLATION

**Bill No. 35-**

Thirty-Fifth Legislature of the Virgin Islands of the United States

Regular Session 2024

An Act appropriating money for the operation of the Government of the Virgin Islands during the  
Fiscal Year October 1, 2024, to September 30, 2025.

Proposed by the Governor

Be it enacted by the Legislature of the Virgin Islands:

Section 1. The sums listed herein, or so much thereof as shall be sufficient to accomplish the purposes specified are set forth and are appropriated and authorized to be paid from any funds in the General Fund of the Treasury of the Virgin Islands, which shall be available for Fiscal Year October 1, 2024, to September 30, 2025.

**Bill No. 35-**

Thirty-Fifth Legislature of the Virgin Islands of the United States

Regular Session 2024

to appropriate monies for salaries and expenses of the University of the Virgin Islands for the Fiscal Year October 1, 2024 through September 30, 2025 and for other purposes.

Proposed By: The Governor

Be it enacted by the Legislature of the Virgin Islands:

**FY2025**

**Section 1.** The sum of **\$26,130,458** or as much as may be necessary, is hereby appropriated out of any available funds in the Treasury of the Virgin Islands, to be transferred to the University of the Virgin Islands Fund for Expenditure by the University of the Virgin Islands, for the purposes named in this section in accordance with Title 17, Chapter 33 and 35, Virgin Islands Code. \$ 26,130,458

(A) For Salaries, including pay for regular and temporary employees; salary increases; employer's FICA and Retirement contributions; overtime compensation of hourly rated employees; books, magazines, teaching materials and audio-visual supplies; equipment and supplies for offices, classrooms, laboratories, library, student and faculty lodgings; recreational and common rooms; vehicles and their maintenance of the University campus and its buildings and other appurtenances; contracted outside services, such as legal, architectural, auditing and printing services; and payment of any other legitimate expense of the University, including principal and interest of bonds and notes.

(B) For incidental expenses including travel expense and per diem of the University faculty, administrative and other employees, and members of advisory councils, boards and overseers; family travel and moving expenses from other points of the Virgin Islands for new staff members; and for the expenses of such conferences and workshops as may be approved by the Board of Trustees.

**Section 2.** In order to supplement the sums appropriated by this Act, the Board of Trustees is hereby authorized to levy such fees for tuition, housing, food services, and the use of university owned buildings as may be reasonable and proper, devoting such fee income solely to the purposes specified in subsection (a) and (b) of Section 1 of the Act. The Board of Trustees shall continue to make every effort to secure gifts, grants, and loans to the University of the Virgin Islands Fund from private individuals, foundations, and federal government agencies and to utilize such gifts, grants and loan for the purpose specified by the donor or lender.

**Section 3.** Appropriated from the General Fund of the Treasury of the Virgin Islands for the Fiscal year ending September 30, 2025, **\$2,808,059** to the University of the Virgin Islands for the payment of debt services cost of the University of the Virgin Islands. \$ 2,808,059

**Section 4.** Appropriated from the General Fund of the Treasury of the Virgin Islands for the fiscal year ending September 30, 2025, **\$300,000** to the University of the Virgin Islands to provide matching grants for the Small Business Development Center pursuant to Title 17, Virgin Islands Code, Chapter 33, section 474. \$ 300,000

**Section 5.** Appropriated from the General Fund of the Treasury of the Virgin Islands for the fiscal year ending September 30, 2025, **\$100,000** to the University of the Virgin Islands for senior citizens tuition pursuant, Title 17, Chapter 33, section 475, Virgin Islands Code. \$ 100,000

# DEPARTMENT OF JUSTICE - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Justice (DOJ) of the Virgin Islands showcases a varied performance across several key performance indicators (KPIs), as revealed in the provided data dashboard. The department exhibits commendable performance, starting with the processing of autopsies within the critical timeframe of 48 to 96 hours. In March 2024, it achieved a processing rate of 77%, surpassing the set target of 65%. This suggests a robust operational capacity to manage forensic procedures promptly, which is crucial for maintaining public trust and aiding investigations. However, challenges emerge in collecting current child support, where only 55% of the target value was attained in March 2024. This signifies potential shortcomings in the enforcement or compliance mechanisms, necessitating a thorough review of existing procedures and interventions to enhance collection rates. While the Department of Justice demonstrates strengths in certain operational aspects such as autopsy processing, notable areas exist, particularly in child support collection, case closure rates, and handling of serious criminal offense cases. Addressing these challenges through targeted interventions and strategic initiatives is essential to enhance the department's overall performance and effectiveness in upholding the rule of law and protecting the rights of individuals and families across the Virgin Islands.

At the heart of the Department of Justice's endeavors, DOJ is committed to advocating for the well-being of families and children in our community by championing legislation that ensures equitable access to child support. An exemplary accomplishment in this endeavor is the successful passage of Bill No. 35-0226, which establishes a minimum default amount for child support. This achievement supports the DOJ's proactive approach to addressing community needs and its dedication to safeguarding the rights and interests of children and families in our jurisdiction. This bill addresses a crucial need for consistency and fairness in child support enforcement, emphasizing the DOJ's commitment to promoting justice and ensuring the welfare of our community's most vulnerable members.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

AC Department of Justice (DOJ)		Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
1	The percentage of autopsies processed within 48 to 96 hrs	Apr 2024	77%	42%	65%	↓ 1
1	The percentage of current child support collected	Apr 2024	55%	54%	95%	↓ 1
1	The number of civil matters/medical malpractice cases closed	Apr 2024	3	1	4	↓ 2
1	The number of cases processed involving homicide (murder, att. murder, etc.)	Apr 2024	2	1	30	↓ 2
1	The number of subpoenas and arrest warrants served	Apr 2024	31	89	480	↑ 1
1	The number of contracts reviewed within 3-5 days of DOJ receipt	Apr 2024	15	23	5	↑ 1

# OFFICE OF MANAGEMENT AND BUDGET - PERFORMANCE MANAGEMENT

FY2025 OPERATING BUDGET

## ACTIVITY 21011 PERFORMANCE MANAGEMENT

### FUNCTIONAL STATEMENT

The Performance Management Unit aims to enhance government performance in the Virgin Islands by aligning resource allocation with priority outcomes, as mandated by the Government Performance and Results Act of 1993. It promotes results-oriented budgeting, incentivizes performance and agency goal achievement, fosters accountability and fiscal responsibility, and drives strategic initiative implementation across the GVI.

# OFFICE OF MANAGEMENT AND BUDGET - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Office of Management and Budget (OMB) has demonstrated an unwavering commitment to enhancing financial accountability and efficiency within federal operations. Through diligent efforts, significant strides have been made in reducing federal account receivables, bolstering fiscal stability, and promoting responsible financial management. Notable achievements include the successful submission of the second-quarter Corrective Action Plan (CAP) report, reflecting dedication to transparency and proactive measures in addressing areas requiring improvement. Additionally, the diligent review and approval of fiscal year 2021 indirect cost draft rates underscore OMB's commitment to ensuring cost allocation methodologies align with federal guidelines, promoting fiscal prudence and efficient resource utilization. Moreover, the punctual submission of all federal reports pertaining to OMB grants, including the Broadband Equity, Access, and Deployment (BEAD) Grant, highlights a steadfast adherence to deadlines and regulatory requirements, ensuring effective management of federal funds and accountability. OMB's Budget Operations Unit has shown significant improvement in one of their core functions by significantly improving the turnaround time for processing of PRFs. This efficiency measure ensures that qualified candidates are swiftly onboarded, maintaining operational efficiency and preventing workflow disruptions in other government agencies. Furthermore, the proactive initiatives and steadfast dedication of the Office of Management and Budget have yielded tangible results in enhancing financial management practices and promoting accountability within federal operations. Additional accomplishments include driving remarkable improvements in agency engagement and timeliness of performance data submission, marking a significant shift towards a performance-based budget model that maximizes the impact of every dollar spent. As OMB continues to lead initiatives such as the establishment of a Law Enforcement Overtime Curtailment Focus Group and the comprehensive cleanup of department Activity Centers, it remains committed to upholding the highest standards of fiscal stewardship.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend

# DIVISION OF PERSONNEL - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Division of Personnel (DOP) has made significant strides in enhancing its operations and supporting the Government of the Virgin Islands (GVI) workforce. Monthly training sessions for GVI HR personnel, accessible resources on the DOP website, and wellness initiatives such as the GVI Wellness Program have been pivotal in maintaining a skilled and adaptable workforce. Notable events, including the Spring Into Action Career Fair, online sexual harassment prevention training, and the distribution of produce for the GVI Health and Wellness Expo participants, have reinforced the DOP's dedication to agency transparency, employee engagement, and community support. The introduction of the Reentering Retirees' Program (RRP) highlights a strategic approach to addressing workforce shortages by leveraging the expertise of retired professionals. Despite these initiatives, staffing shortages have posed significant operational challenges, particularly affecting the timely processing of NOPAs. In response, DOP has collaborated with the Office of Management and Budget to automate the Personnel Requisition Form process, demonstrating a proactive stance toward improving administrative efficiency. Additionally, the DOP's recommendation for agencies to update job descriptions aims to streamline recruitment processes, ensuring that candidate selection aligns more closely with the specific needs of each department. Central to these efforts is the NeoGov system, the primary tool for all GVI recruitment, employment cycles, and job application postings. With the goal of expanding its use to performance evaluations, NeoGov represents a critical technological advancement in achieving a more efficient and transparent HR process. DOP has an identified need to secure additional funding to further enhance in-person HR training and fully leverage NeoGov's capabilities. These initiatives are part of DOP's broader mission to re-position the GVI as an employer of choice through strategic recruitment, talent development, training, and technology, ultimately striving to establish a workforce of excellence. Similarly, the average number of business days to process referral lists of eligible candidates after announcement closure underscores the DOP's proficiency in candidate management and recruitment processes. By ensuring timely candidate referrals, the division enables swift decision-making and bolsters organizational capacity, ultimately contributing to enhanced workforce productivity and effectiveness.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average number of business days to process NOPAs internally once submitted	Apr 2024	3	3	5	 1
 The average number of business days to process referral list of eligible candidates to Agency/Department after announcement closes	Apr 2024	3	2	3	 1
 The number of participants trained in compliance/customer service/soft skills & customized training	Apr 2024	303	102	150	 1

# VIRGIN ISLANDS TERRITORIAL EMERGENCY MANAGEMENT AGENCY - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Territorial Emergency Management Agency (VITEMA) stands as a pillar of preparedness and resilience in safeguarding the Virgin Islands' communities and infrastructure amidst the ever-present threat of natural disasters and emergencies. This performance overview examines VITEMA's operational capabilities, grants management efficiency, planning acumen, and preparedness initiatives. While VITEMA showcases commendable efficiency in critical areas such as issuing curfew passes, emergency preparedness campaigns, and conducting hazard migration site visits, it faces notable challenges, particularly staffing of the 911 Call Center. However, VITEMA's proactive stance in personnel training and meticulous asset management reflects a steadfast commitment to readiness and resource optimization.

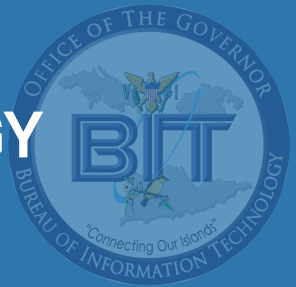

Notably, the agency's unwavering dedication to maintaining operational warning sirens at 95% underscores its unwavering focus on community safety. VITEMA's commitment to transparent evaluation and enhancement, evidenced through regular bi-monthly performance meetings, exemplifies its proactive approach to addressing weaknesses and leveraging strengths. By harnessing the insights gleaned from ongoing analysis of the department's functions, VITEMA is poised to enact targeted strategies aimed at fortifying operational efficacy and resilience. Through innovation of current process, VITEMA reaffirms its pivotal role in ensuring the safety, security, and well-being of the Virgin Islands' residents in the face of adversity.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
<div><div></div><div>The average number of days to issue curfew passes between 1 Jan to 30 Aug before height of hurricane season</div></div>	Mar 2024	2	0	7	<div><div></div>2</div>
<div><div></div><div>The average number of turnovers for 911 ECC Operator (all districts)</div></div>	Mar 2024	0	1	2	<div><div></div>1</div>
<div><div></div><div>The percentage of VITEMA personnel of trained on core competencies within 1 year of employee start date</div></div>	Mar 2024	97%	97%	100%	<div><div></div>5</div>
<div><div></div><div>The percentage of equipment ran and tested to ensure readiness to deploy for mission (installed generators, light towers, forklifts, mobile emergency operations centers)</div></div>	Mar 2024	<div>100%</div>	<div>100%</div>	100%	<div><div></div>6</div>
<div><div></div><div>The number of tabletop (TTX) and functional exercises conducted territory-wide with agencies</div></div>	Mar 2024	0	2	10	<div><div></div>1</div>
<div><div></div><div>The percentage of warning sirens operational</div></div>	Mar 2024	<div>84%</div>	<div>84%</div>	90%	<div><div></div>5</div>

# BUREAU OF INFORMATION TECHNOLOGY

FY2025 OPERATING BUDGET

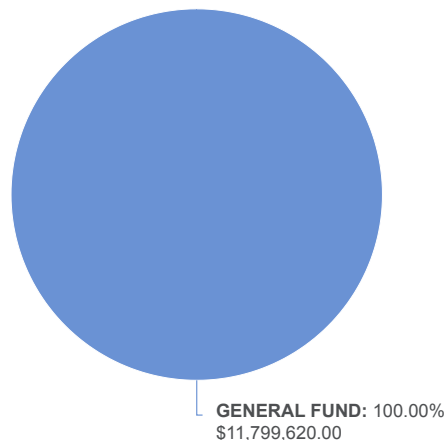

## MISSION STATEMENT

The Bureau of Information Technology (BIT) develops and implements the Comprehensive Technology Strategy for the Government of the United States Virgin Islands, digitally transforming agencies, delivering innovative solutions to improve services, and coordinating emergency communication and interoperability efforts.

# BUREAU OF INFORMATION TECHNOLOGY - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Bureau of Information Technology (BIT) has made significant progress in advancing the Comprehensive Technology Strategy for the Government of the Virgin Islands (GVI). BIT has spearheaded several initiatives to enhance cybersecurity, infrastructure, and inter-agency collaboration. Notably, BIT has launched a Cybersecurity Awareness Program to bolster cyber threat understanding among GVI employees and has successfully initiated a grant program to further strengthen cybersecurity measures. In December 2023, BIT began executing a contract for a major camera project with the Virgin Islands Police Department (VIPD) and hosted a workshop to facilitate the consolidation of GVI agencies into BIT's network and enterprise solutions. Efforts to upgrade hardware infrastructure are underway, starting with the Department of Property and Procurement (DPP), to support this consolidation and improve network security.

BIT's internal developments include staff engagement activities to align team goals and the establishment of a business relationship management office to enhance strategic planning with GVI agencies. Key projects involve collaborating with the Department of Finance on a one-stop payment portal, integrating DPP into BIT's enterprise environment, and upgrading various departmental systems to improve efficiency and service delivery. The Bureau is also focused on managing IT spending more effectively during the budget process and tracking multiple grants to support these technological advancements. Through these comprehensive efforts, BIT continues to provide innovative, cost-effective, and reliable IT solutions, solidifying its role as a critical enabler of the GVI's mission to serve the people of the USVI efficiently. Furthermore, the percentage of customer issues resolved during the first contact with the service desk highlights BIT's dedication to delivering exceptional customer service and support experiences. By prioritizing first-contact resolution, BIT minimizes service disruptions, maximizes user satisfaction, and fosters a culture of responsiveness and accountability within the IT service ecosystem. BIT's proactive stance towards technological innovation and service excellence reaffirms its pivotal role in driving organizational success and fostering a culture of technological excellence and resilience.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

FY2025 OPERATING BUDGET

## ACTIVITY 20500 STATE ENERGY PROGRAM

### FUNCTIONAL STATEMENT

The State Energy Program backs various initiatives for Energy Efficiency and Renewable Energy Efficiency. This encompasses programs like the Energy Star Rebate program, Real-time Energy Monitoring, and Weatherization Assistance. It also includes all administrative functions tied to these initiatives.

# VIRGIN ISLANDS ENERGY OFFICE - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Energy Office (VIEO) demonstrated a steadfast commitment to advancing energy infrastructure and promoting energy efficiency initiatives across the territory. VIEO persistently pursued opportunities to bolster its capacity, shown in its allocation of \$50M from the SCEP grant. Emphasizing the importance of energy-efficient transportation, VIEO engaged in proactive measures such as centralizing vehicle expenses, to assess the feasibility of integrating energy-efficient vehicles into its fleet. Through strategic marketing efforts at events like the Bordeaux Fair and collaborations with community partners, VIEO effectively promoted the benefits of energy-efficient activities and vehicles, fostering public awareness and engagement.

Furthermore, VIEO's impactful initiatives in fiscal year 2024 extended to improving energy efficiency for low-income families through the Weatherization Assistance Program and facilitating the adoption of electric vehicles (EVs) through rebate programs and outreach events. By launching programs like the Equitable E-Mobility Rebate Program and coordinating with stakeholders to provide financial incentives and educational workshops, VIEO actively worked towards its key performance indicators, aiming to enhance energy resilience and sustainability in the Virgin Islands. Two notable milestones are the impending completion of the St. Croix solar farm and the acquisition of electric vehicles for government use. VIEO demonstrated a proactive approach in advancing the region's energy landscape while fostering community participation and collaboration.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of households/participants enrolled in Energy Efficiency & Renewable Energy (EERE) Financial Incentive Programs (SEP/WAP)	Mar 2024	0	22	350	 1
 The number of Comprehensive Energy Outreach/Marketing Plans developed/implemented (Electric Vehicles, Energy Efficiency, Renewable Energy)	Mar 2024	0	0	1	 3
 The number of energy workshops/outreach events provided to stakeholders	Mar 2024	4	7	4	 1
 The number of electric vehicles purchased by GVI reviewed by VIEO for spec and quality assurance	Mar 2024	0	3	10	 1
 The amount of financial direct incentive dollars administered to community	Mar 2024	\$15,000	\$500	\$270,000	 1

# OFFICE OF THE ADJUTANT GENERAL

# OFFICE OF THE ADJUTANT GENERAL - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Performance Management Unit encountered difficulties in assessing the Office of the Adjutant General (OTAG) performance due to incomplete data submissions and limited participation in PerformanceStat meetings. Despite efforts to enhance recruitment processes and support National Guard members through innovative initiatives such as stipends and airfare provisions for service abroad, the absence of comprehensive metrics hindered our ability to complete a thorough evaluation of the agency's effectiveness. While OTAG demonstrated commitment to fostering community-based partnerships and facilitating workforce mobility, the lack of detailed performance data impeded a comprehensive understanding of its operational impact and overall performance.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The percentage of security searches completed	Sep 2023	—	80%	—	→ 0
 The percentage of preventive maintenance completed on buildings and/or equipment	Sep 2023	—	68%	—	→ 0
 The number of community-based partnerships developed/supported	Sep 2023	—	4	—	→ 0
 The percentage of participants that complete community-based programs	Sep 2023	—	80%	—	→ 0
 The average number of days to recruit from initial interaction	Mar 2024	3	1	90	↘ 1

# OFFICE OF VETERANS AFFAIRS

# OFFICE OF VETERANS AFFAIRS - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Office of Veterans Affairs (OVA) demonstrated significant progress in enhancing services and support for veterans in the Virgin Islands. The agency achieved notable milestones, including the expansion of burial facilities with the introduction of multi-vault burial crypts on both St. Croix and St. Thomas, addressing the critical need for space while honoring veterans' legacies. Additionally, the development of the Clarence Beverhoudt Sr. Veterans Multipurpose Center marks a historic moment, providing a dedicated space for OVA's operations in St. Thomas and reflecting the agency's commitment to advancing its infrastructure to better serve veterans.

Despite these achievements, challenges persist, particularly in the area of reimbursing non-service-connected veterans for medical travel expenses. Delays in reimbursement have posed significant hardships for veterans on fixed incomes, highlighting the urgent need for streamlined processes and increased funding allocation. The Performance Management Unit, along with OVA agency leadership, engaged in thorough discussions regarding vital revisions to the current statutes governing medical travel reimbursement procedures. This collaborative effort resulted in the drafting of amendments to the existing legislation, aimed at modernizing and streamlining the antiquated process, thus facilitating a more efficient and effective system aligned with modern day advancements.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of outreach events provided/attended to increase veteran registration	Apr 2024	0	0	2	→ 2

# OFFICE OF THE LIEUTENANT GOVERNOR - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Office of the Lieutenant Governor (LGO) has continued its efforts to better serve the USVI, achieving a significant milestone in securing funding for three new appraisers under the Office of the Tax Assessor. This accomplishment was not a stroke of luck but a result of a comprehensive data analysis conducted by our performance unit. This analysis identified the need for additional personnel to enhance the efficiency of Tax Assessor operations. Through strategic meetings and leveraging insights from previous fiscal years, we successfully addressed deficiencies within the Tax Assessor's office and secured funding for these critical positions. This strategic approach to resource management instills confidence about the LGO's ability to make informed decisions and secure resources for the betterment of the Virgin Islands.

Looking ahead, the Office of the Lieutenant Governor's primary goal is to optimize the performance of newly hired appraisers within the Tax Assessor's office. By providing comprehensive training, implementing efficient methodologies, and fostering a supportive work environment, the Office of the Lieutenant Governor aims to enhance the accuracy and timeliness of property assessments, ultimately contributing to improved revenue generation and taxpayer satisfaction. Additionally, the Office of the Lieutenant Governor remains committed to upholding the provisions outlined in VI Code statutes regarding property appraisals. This includes ongoing efforts to review and update job classifications, ensure adherence to established standards, and, most importantly, facilitate professional development opportunities for our appraisal team. This commitment to professional growth and development instills optimism in the audience about the future of the LGO's appraisers and their ability to meet the evolving needs of the Virgin Islands.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average number of business days to process deeds from the date of receipt	Apr 2024	1	1	3	→ 6
 The amount of tax collections received	Apr 2024	\$2.74Mil	\$987,530	\$61.00Mil	↘ 1
 The average time to process completed Consumer Complaints and/or inquiries and unclaimed property claims from the date of receipt	Mar 2024	9	5	20	↘ 2
 The number of property inspections conducted annually	Apr 2024	87	158	10,480	↗ 5

# BUREAU OF INTERNAL REVENUE

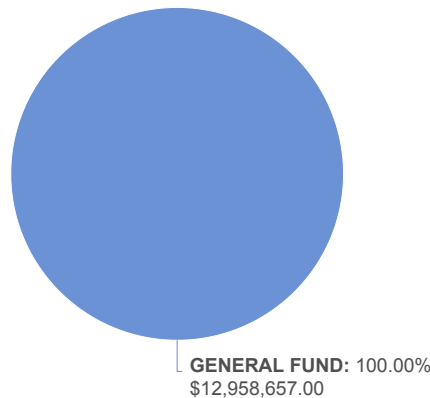

FY2025 OPERATING BUDGET

## MISSION STATEMENT

To enhance voluntary compliance and ensure quality service through taxpayer education and consistent application of the laws to provide budgetary resources for improving the quality of life for USVI residents.

# BUREAU OF INTERNAL REVENUE - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Bureau of Internal Revenue (BIR) has made significant strides in enhancing taxpayer services and operational efficiency, despite facing internal staffing challenges. Through initiatives such as extending filing hours and implementing community outreach programs like earned income credit tax outreach, BIR has successfully promoted timely filing and increased taxpayer engagement. Moreover, BIR's unwavering commitment to fiscal responsibility and taxpayer satisfaction is evident in its efforts to secure delinquent returns, complete audit processes, and offer convenient payment plans. Despite these significant achievements, there remains an urgent need to ensure swift refund distribution to all taxpayers.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The dollar amount of delinquent returns secured	Apr 2024	\$171,422	\$256,856	\$5.00Mil	 2
 The number of income tax returns processed	Apr 2024	3,676	7,106	4,000	 5
 The average number of days to complete audit returns	Apr 2024	294	298	180	 3
 The number of education outreach initiatives provided per quarter	Apr 2024	1	0	1	 2
 The dollar amount of positive adjustments that result in a cost saving for the government	Apr 2024	\$211,225	\$255,590	\$3.50Mil	 1

# BUREAU OF MOTOR VEHICLES - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Bureau of Motor Vehicles (BMV) demonstrates commendable operational efficiency, especially in vehicle registration processing. With an average turnaround time for vehicle registration completion online consistently meeting or exceeding the target value, the Bureau of Motor Vehicles effectively handles registration requests with promptness and accuracy. Furthermore, the low average service center customer wait time reflects efficient in-person service delivery, ensuring minimal delays for individuals visiting physical service centers. The Bureau of Motor Vehicles faces challenges in increasing the utilization of online services for vehicle registration renewals. The percentage of customers utilizing the online system remains below the target value, indicating a need to improve accessibility, increased marketing and/or potential enforcement of the digital platform. By implementing user-friendly interfaces and targeted promotional campaigns, the Bureau of Motor Vehicles can encourage greater adoption of online services, thereby enhancing customer convenience and efficiency.

Conversely, the Bureau of Motor Vehicles maintains a satisfactory average turnaround time for the completion of driver's license applications, consistently meeting or exceeding the target value. This reflects the Bureau of Motor Vehicles's commitment to providing timely and reliable services to its constituents. However, continuous innovation and modernization efforts will be necessary to ensure that the Bureau of Motor Vehicles remains responsive to evolving customer needs and expectations. Despite these challenges, the Bureau of Motor Vehicles demonstrates resilience and adaptability through its investment in staff cross-training, contributing to a versatile workforce capable of maintaining service continuity during fluctuations in demand or staffing shortages. These accomplishments underscore the agency's commitment to operational efficiency and customer service excellence. In conclusion, while the Bureau of Motor Vehicles has made significant strides in embracing technology and building a flexible workforce. By leveraging its strengths and proactively addressing areas for improvement, the Bureau of Motor Vehicles is on track to enhance overall operational effectiveness and elevate the customer experience territory wide.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average turnaround time for vehicle registration completion online	Apr 2024	1	1	2	→ 7
 The percentage of customers who utilize the online system for vehicle registration renewals	Apr 2024	6%	6%	25%	→ 1
 The percentage of staff cross trained in more than one BMV service	Apr 2024	81%	100%	99%	↗ 1
 The average service center customer wait time in minutes	Apr 2024	19	20	30	↗ 2
 The average turnaround time for completion of driver's license application	Apr 2024	3	3	3	→ 6

# DEPARTMENT OF LABOR

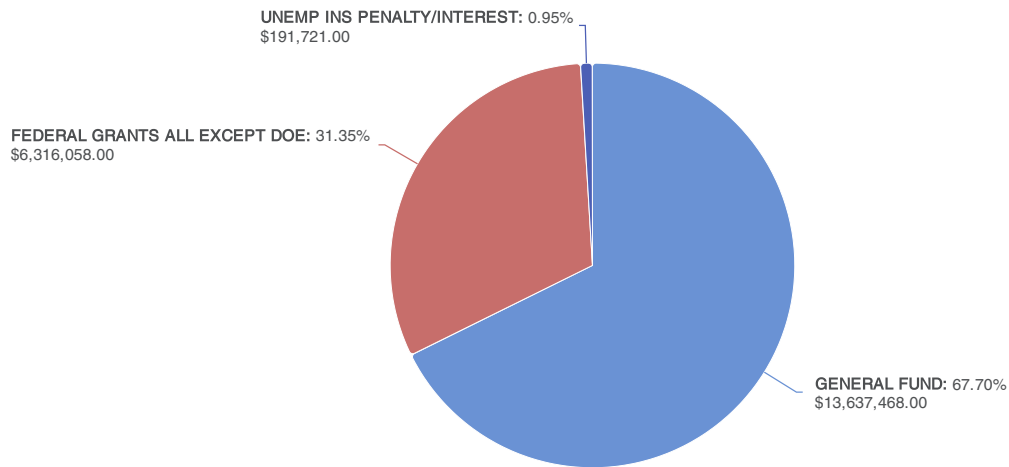

FY2025 OPERATING BUDGET

## MISSION STATEMENT

To administer a system of effective programs and services designed to develop, protect, and maintain a viable workforce.

# DEPARTMENT OF LABOR - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Department of Labor (VIDOL) stands as a beacon of comprehensive labor management and strategic oversight within the region. Through meticulous tracking and proactive engagement, VIDOL demonstrates a steadfast commitment to addressing the diverse needs of both workers and employers across the Virgin Islands. Delving into the intricate workings of VIDOL, it becomes evident that their approach extends far beyond mere administrative tasks. Instead, it encompasses a multifaceted strategy aimed at fostering economic stability, social equity, and workforce development. Within the realm of unemployment insurance, VIDOL's emphasis on timeliness in processing payments and resolving claimants' issues underscores a commitment to providing essential support to individuals during times of need. By closely monitoring key metrics such as the percentage of payments processed within 30 days, VIDOL ensures that vital financial assistance reaches those who depend on it promptly. Moreover, VIDOL's proactive stance on workers' compensation programs goes beyond routine administrative duties. Through organized community outreach sessions and diligent fulfillment of provider referrals, VIDOL not only facilitates access to crucial resources for injured workers but also cultivates a sense of community engagement and support. In the sphere of labor statistics, VIDOL's meticulous tracking of establishment responses and survey counts for occupational wages ensures the accuracy and reliability of data essential for informed decision-making. This commitment to data integrity enhances transparency and fosters trust in the labor market ecosystem, benefiting policymakers, businesses, and individuals alike. Additionally, VIDOL's engagement in strategic planning and monitoring activities, particularly through the evaluation of programs under the Workforce Innovation and Opportunity Act (WIOA), reflects a forward-thinking approach to workforce development. By continuously assessing program performance and outcomes, VIDOL seeks to adapt and refine its initiatives to meet better the evolving needs of the workforce and the economy. In essence, as the Virgin Islands Department of Labor, VIDOL exemplifies a holistic approach to labor management that transcends traditional boundaries. Through their multifaceted efforts, VIDOL remains steadfast in its mission to promote economic prosperity, social well-being, and equitable opportunities for all residents of the Virgin Islands community.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of participants enrolled in registered apprenticeship program	Apr 2024	0	0	5	→ 6
 The percentage establishment response rate to employment survey count for occupational wages	Apr 2024	91%	90%	57%	↘ 1
 The percentage of existing prehearing and preliminary hearings closed within 30 days	Mar 2024	100%	78%	80%	↘ 1
 The number of public sector inspections conducted based on annual federal requirements	Apr 2024	4	5	4	↗ 1
 The percentage of payments processed within 30 days from complete claim submission package to payment	Apr 2024	0%	0%	91%	→ 6
 The percentage of unemployment insurance first payment made to eligible individuals within 21 days	Apr 2024	67%	0%	73%	↘ 1

# DEPARTMENT OF LICENSING AND CONSUMER AFFAIRS - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Licensing and Consumer Affairs (DLCA) has showcased commendable advancements in service efficiency and personnel management. The department has significantly reduced the average resolution time for consumer complaints and streamlined the inspection process for new businesses, achieving an average inspection time of fewer than five days. The efforts to realign licensing officers with department objectives led to a decrease in approval time frames for new business licenses, reflecting DLCA's commitment to quality service and consumer protection.

Despite staffing shortages impacting scanner survey inspections and revenue collection efforts, DLCA remained proactive in addressing operational challenges. Strategic measures such as the recruitment of new employees are expected to enhance service delivery and increase the number of retail meter inspections. DLCA underwent a reclassification process with the Division of Personnel (DOP) for their open positions, involving a thorough evaluation of job descriptions, qualifications, and pay scales to facilitate smoother employee recruitment. Still, DLCA's inability to collect more revenues due to limited enforcement officers and fiscal personnel remains a significant challenge. Also, DLCA has faced disruptions in operational hours and revenue loss due to issues with their current building, emphasizing the need for relocation. However, DLCA is committed to addressing these challenges and enhancing services to better serve the community through proactive measures and strategic initiatives for the upcoming fiscal year.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average number of days to resolve consumer complaints	Apr 2024	4	22	20	 1

# DEPARTMENT OF FINANCE - PERFORMANCE OVERVIEW

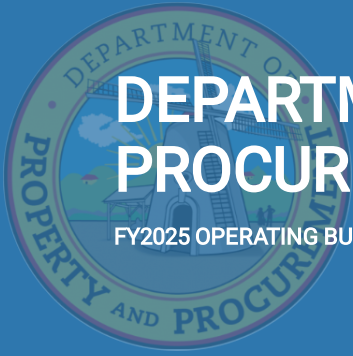

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Finance (DOF) has demonstrated a strong commitment to enhancing internal efficiency and improving financial services for the public through various initiatives. A significant endeavor proposed by the Department of Finance is the one-stop government payments portal, aimed at consolidating fee payments for the convenience of the public. The selection of Tyler Munis for integrating the portal reflects strategic decision-making, although negotiations for final pricing are still underway. Despite facing cash flow challenges, the DOF has prioritized strategic communication with the Office of Management and Budget (OMB) to ensure funds are allocated based on availability, showcasing prudent financial management practices. Additionally, efforts to address staffing shortages within the Treasury Division indicate proactive steps toward bolstering operational capacity. The DOF's performance is evaluated across key metrics, reflecting its effectiveness in managing financial processes and optimizing resource utilization. The department's commitment to operational efficiency is evident in the average days to process invoices, highlighting streamlined workflows and timely financial transactions. Furthermore, the department's efficacy in ensuring prompt invoice validation and approval is underscored by the percentage of vendor invoices processed within stringent timelines, fostering trust and strategic partnerships with vendors. Completing bank reconciliations within set timeframes reflects one of the department's current challenges. The Treasury Division has been working to address staffing shortages, with plans to increase the number of analysts from four to seven, to better manage approximately 40 accounts. Moreover, the percentage of bank reconciliations complete performance measures presents an opportunity for the department to optimize initiatives to effectively and swiftly identify discrepancies to ensure the territory's fiscal stability.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average number of days to process invoices from receipt to AP release	Apr 2024	10	10	20	→ 3
 The percentage of vendor invoices processed at final approval level within 10 business days	Apr 2024	90%	90%	90%	↗ 1
 The percentage of bank reconciliations completed by 15th day of following month	Apr 2024	15%	24%	100%	↗ 1
 The number of business days to deposit revenues collected	Apr 2024	2	2	2	→ 2
 The average number of business days to complete Exit NOPA	Apr 2024	20	20	15	→ 3

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Property and Procurement (DPP) performance measures display the agency's operational efficiency, contract management proficiency, and order fulfillment capabilities, which provide valuable insights into its strategic direction. DPP aims to enhance vendor training programs to streamline inquiries and improve service efficiency. Through ongoing discussions with OMB's Compliance and Performance Management Units, DPP understands the need to oversee fixed assets and property management, recognizing the critical need for adequate staffing and resources. Efforts to enhance staffing levels in crucial areas like Contracts and Professional Services underscored DPP's commitment to bolstering its operational capacity. Moreover, the initiative to recruit summer interns reflects a proactive stance toward addressing staffing shortfalls and nurturing the professional growth of young community members within the department.

In analyzing the average cycle time for processing requests for proposals (RFPs)/requests for quotes (RFQs), the DPP demonstrates commendable efficiency in engaging vendors and securing necessary resources within stipulated timelines. This proactive approach to procurement supports the department's commitment to expediting critical acquisitions while upholding stringent quality standards and regulatory compliance. Turning our attention to the processing of professional services contracts, the DPP consistently adheres to contractual timelines, reflecting its adept negotiation skills and agility. This reliability fosters trust among stakeholders and demonstrates the department's capability to foster enduring partnerships vital for the timely delivery of essential services. Furthermore, the average number of days to fill orders indicates the DPP's ability to streamline supply chain logistics and expedite order fulfillment. Lastly, the analysis of construction contract processing reveals the DPP's proficiency in project management and delivery. By consistently meeting target values, the department demonstrates its ability to navigate regulatory complexities and oversee construction projects precisely, contributing to overall operational effectiveness.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average cycle time for processing requests for proposals (RFPs)/requests for quotes (RFQs)	Mar 2024		59	60	↓ 1
 The average cycle time for processing professional services contracts developed by DPP	Mar 2024		120	65	↑ 2
 The average number of days to fill orders	Apr 2024	1	1	2	→ 6
 The average cycle time for processing construction contracts	Mar 2024		49	40	↓ 1

# DEPARTMENT OF AGRICULTURE

FY2025 OPERATING BUDGET

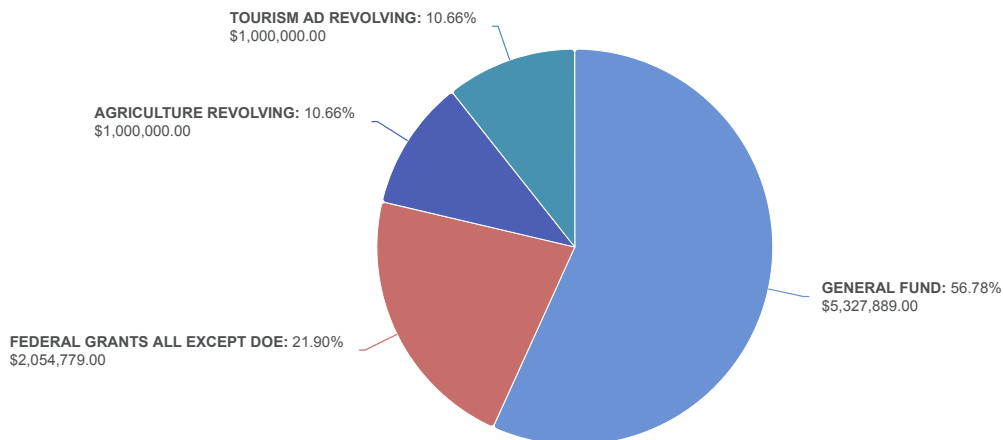

## MISSION STATEMENT

The Virgin Islands Department of Agriculture strives to foster a thriving agriculture industry in the U.S. Virgin Islands, ensuring economic growth while prioritizing consumer and environmental protection.

# DEPARTMENT OF AGRICULTURE - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Department of Agriculture (VIDA) provides a comprehensive overview of its operational landscape, covering administration, land maintenance, agriculture development, conservation initiatives, livestock services, veterinary services, and marketing. While the dashboard reflects active engagement across these domains, it also highlights significant challenges, including the absence of timely data submission, staffing shortages, and operational inefficiencies. These challenges underscore the urgent need for intervention to strengthen VIDA's operational integrity and ensure effective service delivery to the agricultural community. Immediate measures are imperative to address staffing deficits, streamline reporting processes, and enhance compliance frameworks internally. By fostering a culture of accountability, investing in workforce development, and forging strategic partnerships, VIDA can effectively navigate these challenges and emerge as a proactive steward of agricultural excellence, driving sustainable growth and prosperity across the agricultural landscape.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The amount of revenue collected from selling planting materials (seeds, seedlings, trees) and other agricultural supplies (feed, soil, fertilizer, hay, etc.)	Feb 2024	\$4,349	\$1,321	\$150,000	 5
 The numbers of slaughters performed	Apr 2024	43	0	20	 1
 The percentage of owned machinery that is functional	Feb 2024	75%	75%	60%	 1
 The percentage of reports submitted to grantor agencies on time	Mar 2024	100%	100%	100%	 6
 The number of farmers licensing and inspections completed	Mar 2024	5	5	75	 5
 The number of fishing licensing and inspections approved	Apr 2024	5	4	75	 1

# BUREAU OF CORRECTIONS - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Bureau of Corrections (BOC) has made significant strides in operational performance, showcasing achievements across various departments. In the Health Services department, completing eight weekly mental health rounds consistently highlights their commitment to providing essential mental health services. Similarly, the Program and Treatment department's dedication to inmate rehabilitation is evident in the high participation rates in Re-Entry Programs, consistently nearing the 90% target. These efforts underscore BOC's focus on inmate welfare and reintegration. However, challenges remain, such as fluctuating job vacancy rates in the Administration department and ongoing issues in financial management, despite improvements in timely invoice payments. Additionally, inconsistencies in inmate participation in educational and vocational programs highlight the need for equitable access to these resources, crucial for effective rehabilitation and reducing recidivism.

The BOC has also achieved notable successes through innovative programs and community-focused initiatives. The Equine Therapy Program at John A. Bell Adult Correctional Facility, launched in collaboration with the Transforming Lives Foundation, has seen 11 participants graduate, marking significant milestones in their rehabilitation journey. The Transitional Home Initiative aims to support inmates transitioning back into the community, further emphasizing BOC's commitment to reintegration. Additionally, the renewal of Contract No. G041DFTW722 ensures continued maintenance of roadways and gutters, enhancing public safety and quality of life for residents. While BOC demonstrates strengths in mental health services and inmate programs, addressing recruitment, financial management, and program consistency challenges is essential. By building on its strengths and targeting these areas, BOC aims to enhance overall operational effectiveness and fulfill its mission of safe and secure correctional management.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of contrabands seized	Apr 2024	14	17	3	 1
 The average time to complete critical maintenance & repair requests	Apr 2024	8hrs	8hrs	8hrs	 7
 The number of weekly mental health rounds completed	Apr 2024	10	12	8	 1
 The percentage of eligible inmates participating in Re-Entry Programs	Apr 2024	54%	54%	90%	 1
 The percentage of inmates and detainees participating in educational or vocational programs	Apr 2024	34%	34%	65%	 1

# VIRGIN ISLANDS FIRE AND EMERGENCY MEDICAL SERVICES

FY2025 OPERATING BUDGET

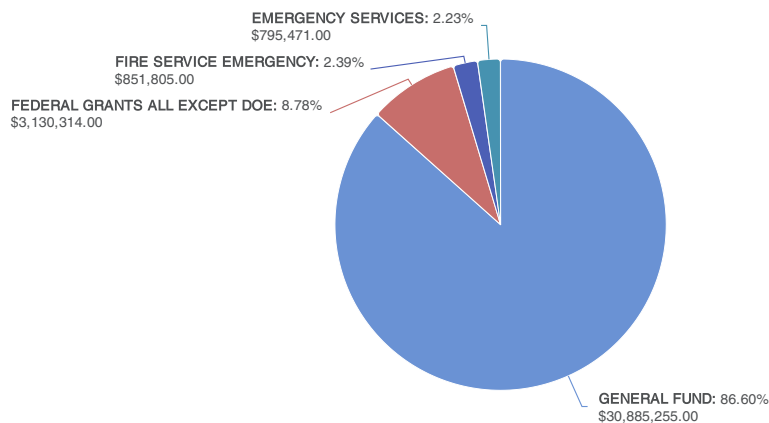

## MISSION STATEMENT

The mission of the Virgin Islands Fire Emergency Medical Services (VIFEMS) is to save lives, protect property and the environment while enhancing the quality of life through public education, fire prevention, code enforcement, and response to fires, medical emergencies, hazardous materials incidents, and all other man-made or natural disasters.

# VIRGIN ISLANDS FIRE AND EMERGENCY MEDICAL SERVICES - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Fire and Emergency Medical Services (VIFEMS) plays a crucial role in ensuring public safety and emergency response effectiveness across the region. This performance overview provides insights into VIFEMS's operational efficiency and effectiveness in managing emergency incidents and medical services. Analysis of response times, shows VIFEMS' progress with the department's emergency response capabilities across different geographical areas. In response to identified communication issues within the Suppression Unit, particularly in the STT/STJ district, efforts are underway to collaborate with stakeholders to address gaps through infrastructure upgrades at three new cell tower sites. However, innovative solutions such as leveraging cell phone pings from residents underscore the unit's commitment to responding to emergency situations despite operational challenges. The department's Emergency Medical Services division has achieved significant improvements in processes, including obtaining DEA digital certification to handle essential narcotics. Completion of treatment protocols and CMS applications will further enhance patient services and funding acquisition. However, challenges remain, including high demand for Emergency Medical Technicians (EMTs) and a nationwide shortage of paramedics. Efforts to attract and retain paramedics are ongoing, with innovative solutions necessary to compete with contracting companies offering higher wages. While progress has been made in various areas, ongoing efforts are essential to address challenges and ensure the continued effectiveness of VIFEMS in serving the community.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The average response time - STJ Suppression Unit	Apr 2024	10	9	10	↓ 1
 The average response time - STT Suppression Unit	Apr 2024	17	13	10	↓ 1
 The average response time - STX Suppression Unit	Apr 2024	11	8	10	↓ 1
 The number of inspections completed by Arson Prevention & Investigations Unit	Apr 2024	451	411	3,900	↓ 1
 The average EMS response time per patient count	Apr 2024	11	11	15	↓ 1
 The number of Emergency Medical Service (EMS) training conducted	Apr 2024	15	6	75	↓ 2

# VIRGIN ISLANDS POLICE DEPARTMENT

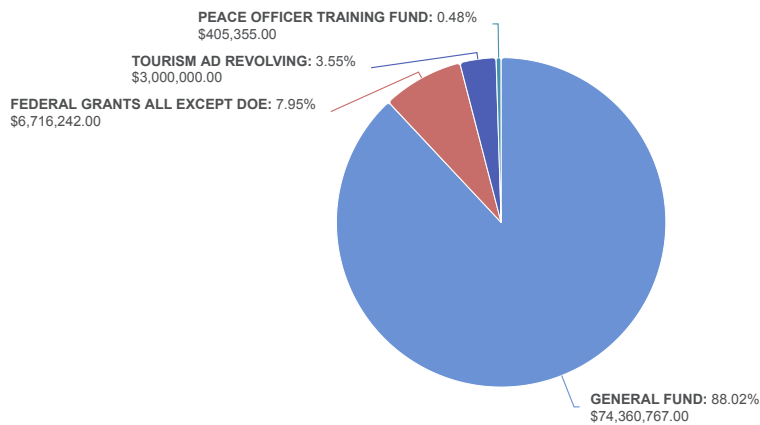

FY2025 OPERATING BUDGET

# VI POLICE DEPARTMENT - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Police Department (VIPD) plays a crucial role in USVI law enforcement and public safety. Throughout the first quarters of fiscal year 2024, VIPD prioritized public safety through various programs and initiatives despite operational challenges. Collaborating with the Virgin Islands Office of Highway Safety, VIPD worked to reduce road accidents and promote responsible driving through targeted campaigns and community outreach. Their proactive approach was further demonstrated by engaging with the community via social media and website articles to disseminate information and solicit public assistance in criminal investigations. Despite staffing shortages and scheduling issues, VIPD remained dedicated to public trust and safety, highlighted by ongoing initiatives and partnerships. Their commitment to professional development, as seen in monitored officer attendance, underscored their focus on enhancing skills and instilling community confidence in VIPD's capabilities. VIPD has made significant efforts to streamline operations and enhance services. Transitioning School Crossing Guards to Community Service Officers (CSOs) improved efficiency, while the "You, Me, and VIPD" community forum exemplified VIPD's dedication to resident dialogue and service guidance. The recovery of illegal firearms and commitment to highway safety initiatives showcased their focus on reducing traffic-related fatalities and promoting road safety. Collaborations with the Office of Management and Budget (OMB) demonstrated VIPD's commitment to fiscal responsibility and efficient resource management, including participation in an Overtime Curtailment Focus Group and revising workday caps legislation. VIPD's review of Collective Bargaining Agreements and integration of advanced technology solutions for scheduling and workforce management further highlighted their pursuit of operational excellence. VIPD exemplifies its commitment to law enforcement excellence and community safety through these strategic initiatives.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures		Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
	The percentage of security cameras operational within the territory	Apr 2024	100%	100%	100%	→ 7
	The number of arrests made as a result of tips gathered through data analysis (Crimestoppers, intel, etc.)	Apr 2024	84	66	100	↘ 1
	The number of active highway safety initiatives	Apr 2024	0	0	3	→ 6
	The number of guns recovered	Apr 2024	16	14	78	↘ 1
	The number of officers who attend professional development training	Apr 2024	95%	98%	90%	↗ 1

# DEPARTMENT OF PLANNING AND NATURAL RESOURCES

FY2025 OPERATING BUDGET

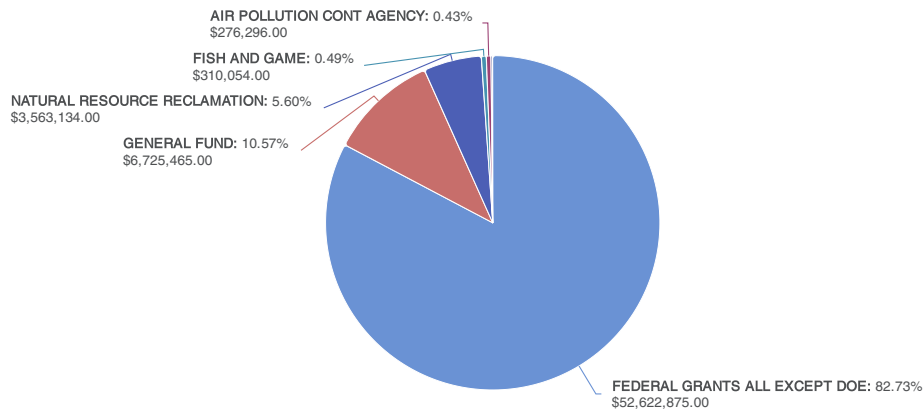

## MISSION STATEMENT

To protect, maintain, and manage both the natural and cultural resources of the Virgin Islands while fostering economic development opportunities for the territory; and is accomplished through coordinated efforts and collaboration with local, federal, and non-governmental organizations to ensure that both present and future generations, through preservation and continued awareness of natural resources education, live safer and fuller lives in harmony with their environment and cultural heritage.

# DEPARTMENT OF PLANNING AND NATURAL RESOURCES - DEP NON-APPROPRIATED

FY2025 OPERATING BUDGET

## ACTIVITY 80020 DEP NON-APPROPRIATED

### FUNCTIONAL STATEMENT

The United States Environmental Protection Agency delegated oversight of protecting the Territory's environment to Environmental Protection. Environmental Protection protects and polices the USVI's environment, affording residents and visitors alike a superior quality of life. It consists of fifteen (15) environmental programs responsible for protecting and enforcing environmental laws and regulations in the United States Virgin Islands. It also monitors changes in environmental trends to detect early warning signs of neglect or deterioration. The division works with some public and private organizations that carry out specific environmental functions.

### FUND SUMMARY

# DEPARTMENT OF PLANNING AND NATURAL RESOURCES - WILDLIFE

FY2025 OPERATING BUDGET

## ACTIVITY 80610 - WILDLIFE

### FUNCTIONAL STATEMENT

Division of Fish and Wildlife (DFW) monitors, assesses, and implements activities to enhance and preserve fish and wildlife resources of the Virgin Islands. The Bureau of Environmental Education provides access and knowledge to the public, the Bureau of Fisheries aids recreational and commercial fishers, and the Bureau of Wildlife coordinates wildlife issues and populations. The DFW is a reliable source of information on how to preserve, protect, restore and manage the natural and ecological environments of fish and wildlife.

# DEPARTMENT OF PLANNING AND NATURAL RESOURCES - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Planning and Natural Resources (DPNR) demonstrated significant progress and commitment to enhancing community services and preserving cultural heritage. Under the leadership of the department's leaders, several initiatives were undertaken to bolster public access and historical preservation. Efforts to renovate and modernize libraries across the territory, including the imminent opening of the Christiansted library, signify a proactive approach to community engagement and education. However, challenges such as staffing shortages were evident, particularly in the need for more librarians to adequately support the open and forthcoming library facilities. Despite recruitment constraints, DPNR exhibited resilience and adaptability in navigating challenges and advancing critical projects. The department's proactive pursuit of federal grants, especially in collaboration with the National Park Service, underscores a commitment to maximizing resources for environmental conservation and community resilience. For instance, DPNR successfully secured grant funding for archival organization, fort exhibits, and historic preservation, demonstrating strategic allocation of resources to safeguard the territory's rich cultural legacy. Moreover, the implementation of technological solutions, such as the e-permitting system and comprehensive conservation planning, reflects DPNR's dedication to efficiency and modernization in service delivery. As the department continues to overcome obstacles, including staffing shortages and budgetary limitations, its steadfast focus on serving the public and safeguarding the territory's natural and cultural heritage remains unwavering, setting a promising trajectory for future endeavors.

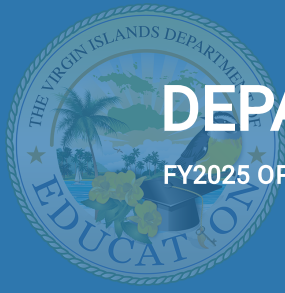

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend

# DEPARTMENT OF EDUCATION - ADMINISTRATION COMMISSIONER

FY2025 OPERATING BUDGET

## ACTIVITY 40000 ADMINISTRATION COMMISSIONER

### FUNCTIONAL STATEMENT

The Office of the Commissioner (OFC) develops, implements, and oversees comprehensive educational policies, programs, and practices. Working closely with the Board of Education, and in collaboration with the United States Department of Education (USDE) and other federal and local agencies, we are dedicated to designing and executing innovative educational initiatives tailored to meet the diverse needs of students from kindergarten through grade 12, as well as adult learners. Our goal is to foster academic excellence, promote lifelong learning, and ensure equitable access to high-quality education across the Virgin Islands.

# DEPARTMENT OF EDUCATION - CULTURAL EDUCATION

FY2025 OPERATING BUDGET

## ACTIVITY 40300 CULTURAL EDUCATION

### FUNCTIONAL STATEMENT

The Division of Cultural Education facilitates the transmission of clear and concise knowledge of history. It provides for experimental learning of cultural traditions of the Virgin Islands to the diverse students and adults of the Territory's schools (and neighborhoods), regardless of ethnicity. Enculturation and acculturation provide greater respect for the Virgin Island's way of life, advancing the culture to achieve a more heterogeneous society.

# DEPARTMENT OF EDUCATION - PUBLIC RELATIONS & COMMUNICATIONS

FY2025 OPERATING BUDGET

## ACTIVITY 40354 PUBLIC RELATIONS & COMMUNICATIONS

The Office of Public Relations provides comprehensive communication and public relations services across state and district levels, encompassing all divisions and schools. Committed to transparency, community engagement, and bolstering the department's public image, the office facilitates seamless communication channels and fosters relationships with stakeholders. By strategically crafting initiatives and maintaining ongoing communication efforts, the Office ensures the effective dissemination of information, highlights achievements, aids in crisis communication, and aligns with organizational objectives. Through proactive outreach and strategic messaging, the office aims to cultivate a positive public perception, enhance community trust, and support the overarching mission of the Virgin Islands Department of Education.

FY2025 OPERATING BUDGET

## ACTIVITY 40400 ADMINISTRATION/LEGAL

### FUNCTIONAL STATEMENT

The Office of Legal Counsel is responsible for providing legal guidance regarding education law, contracts, employment matters, civil rights, student rights, and administrative regulations. Serving as the principal legal support, this office guarantees adherence to pertinent laws, regulations, and policies governing education in the Virgin Islands. Moreover, it evaluates current and prospective policies, regulations, and procedures to verify consistency with local, state, and federal laws. It also scrutinizes proposed legislation and regulations to gauge their potential effects on the department and offers recommendations to guide advocacy initiatives.

# DEPARTMENT OF EDUCATION - ADMINISTRATION/INTERNAL AUDIT

## FY2025 OPERATING BUDGET

### ACTIVITY 40600 ADMINISTRATION/INTERNAL AUDIT

#### FUNCTIONAL STATEMENT

The Office of Internal Audit (IA) provides independent, objective assurance, and consulting services designed to add value and improve VIDE's operations. Its mission is to enhance and protect VIDE's value by providing risk-based and objective assurance, advice, and insight. IA helps VIDE accomplish its objectives by bringing a systematic, disciplined approach to evaluate and contribute to the effectiveness of risk management, control, and governance processes that support its overall strategic objectives. IA conducts operational, financial, and performance audits, which are selected based on the results of rigorous risk identification and risk assessment procedures. The consulting offered includes conducting fraud investigations, managing the VIDE anonymous hotline, and advising on various VIDE initiatives.

# DEPARTMENT OF EDUCATION - CAREER, TECHNICAL AND ADULT EDUCATION

## FY2025 OPERATING BUDGET

### ACTIVITY 46300 CAREER, TECHNICAL AND ADULT EDUCATION

#### FUNCTIONAL STATEMENT

The Career and Technical Education (CTE) programs prepare youth and adults for college and careers through the incorporation of rigorous academic and relevant technical skills. The programs are aligned with the 16 career clusters and offer students the flexibility of choice in a career pathway, culminating in local and National industry recognized credentials that are stackable, affording students the opportunity to transition directly into the workforce, or continue onto post-secondary education, or both.

# DEPARTMENT OF EDUCATION - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Virgin Islands Department of Education (VIDE) continues to demonstrate a commitment to stakeholder engagement and student success. With a focus on data integrity and resource optimization, VIDE prioritized frequent public awareness engagements, technical assistance to district offices, and monitoring of student attendance rates, ensuring cohesive administration of the department's mission. Currently, efforts are underway to bolster attendance rates by implementing dropout prevention training, deploying a consultant to assess and support individual school action plans, and introducing student incentives and parental engagement programs. Additionally, initiatives like rebranding, and vendor payment restructuring showcased VIDE's adaptability and resilience in the face of challenges.

Throughout the first half of fiscal year 2024, VIDE remained dedicated to fostering collaboration and innovation within the education community. From hosting informative radio shows on school safety to organizing workshops for students on emerging technologies, VIDE actively engaged with stakeholders to promote a culture of learning and growth. The department's emphasis on parental involvement, curriculum enhancement surveys, and cultural events highlighted its commitment to inclusive education and community empowerment. By prioritizing transparency, safety, and educational excellence, VIDE demonstrated its unwavering dedication to shaping a brighter future for the students of the US Virgin Islands.

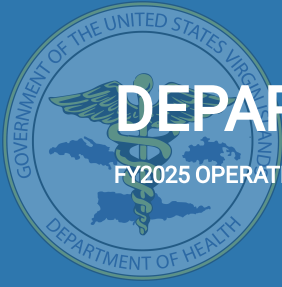

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of monthly public/stakeholder awareness engagements completed	Apr 2024	44	47	15	↗ 1
 The percentage of schools with a monthly attendance rate of 95% or higher	Apr 2024	20%	15%	95%	↘ 1
 The number of students engaged in sports & athletics competitively	Apr 2024	468	521	200	↗ 1
 The percentage of active 504 cases (students with physical and/or mental impairment that hinders their learning) monitored on a monthly basis	Apr 2024	94%	95%	95%	↗ 2
 The percentage of seniors that have a clear college or career pathway	Apr 2024	96%	96%	95%	→ 5
 The number of professional development opportunities provided that focus on administering assessments, core instruction, intervention, and using data to drive instruction	Apr 2024	56	34	15	↘ 2

# DEPARTMENT OF HEALTH - FAMILY PLANNING SERVICES

FY2025 OPERATING BUDGET

## ACTIVITY 70507 - FAMILY PLANNING SERVICES

### FUNCTIONAL STATEMENT

The Family Planning Program provides affordable reproductive health services to women, men and adolescents with priority for services granted to individuals from low-income families. These services include contraceptive services, pregnancy testing and counseling, services to help clients achieve pregnancy, basic infertility services, STD services, preconception health services, and breast and cervical cancer screening. The Family Planning Program also prioritizes identifying and serving individuals, families, and communities in need of, but not currently receiving family planning services, through outreach.

# DEPARTMENT OF HEALTH - COMMUNICABLE DISEASES

FY2025 OPERATING BUDGET

## ACTIVITY 70560 - COMMUNICABLE DISEASES

### FUNCTIONAL STATEMENT

The Communicable Disease Division is responsible for preventing and controlling the spread of sexually transmitted infections (STI). The focus of the unit is to ensure screenings are performed territory-wide, diagnoses of positive STI test results are reported, persons with positive STI test results receive treatment, adherence to treatment is monitored to ensure compliance and, ultimately, public safety, and additionally, educating the community through the facilitation of prevention outreach activities.

# DEPARTMENT OF HEALTH - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

Throughout this fiscal year, the Department of Health (DOH) has focused on enhancing community well-being and ensuring access to essential healthcare services. A significant aspect of DOH's performance is the prompt processing of vital records requests. The percentage of birth and death records processed within five days indicates DOH's efficiency in providing essential documentation, facilitating access to important records, and instilling confidence in administrative and legal processes. Another key metric is DOH's compliance with regulations and standards in the US Virgin Islands (USVI). The percentage of compliant healthcare facilities and professionals reflects DOH's commitment to upholding quality standards, ensuring safe and effective healthcare delivery, and safeguarding patient safety and system integrity.

DOH's efforts in environmental health have also been impactful in promoting public safety and well-being. Regular inspections of environmental health-permitted facilities demonstrate DOH's proactive approach to identifying and addressing potential health hazards. This not only helps prevent environmental health risks but also ensures compliance with regulatory requirements, contributing to a healthier and safer environment. Additionally, DOH's focus on workforce training and certification, particularly in approving ServSafe certifications, highlights its commitment to food safety and sanitation. Ensuring access to prenatal care through the Maternal and Child Health (MCH) Clinic is another vital aspect of DOH's mission. The percentage of women receiving prenatal care measures DOH's efforts to promote maternal and infant health, reducing pregnancy and childbirth complications, and fostering positive birth outcomes.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The percentage of vital records requests for births and deaths processed within 5 days	Apr 2024	90%	94%	90%	↗ 1
 The number of inspections conducted for environmental health permitted facilities	Apr 2024	0	74	4,500	↗ 1
 The percentage of women receiving prenatal care in the MCH Clinic	Apr 2024	0%	0%	50%	→ 3
 The number of breast cancer and cervical screening services performed	Apr 2024	0	0	1,500	→ 1
 The number of behavioral health outreach encounters per month	Apr 2024	465	0	400	↘ 1
 The percentage of babies screened for hearing within 30 days of birth	Apr 2024	81%	66%	95%	↘ 1
 The number of individuals tested for HIV/STI/TB	Apr 2024	43	87	200	↗ 1
 The number of VIDOH satellite programs providing services on the island of St. John per month	Apr 2024	0	0	6	→ 1

# DEPARTMENT OF HUMAN SERVICES - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Human Services (DHS) plays a vital role in serving the needs of vulnerable populations and promoting social welfare across various communities. Efficiency in program enrollment processes, such as the timely completion of new client enrollment applications, has proven essential for ensuring seamless access to DHS services. The number of days it takes clients to receive eligibility determinations for various programs reflects DHS's ability to streamline administrative processes and deliver timely assistance to those in need. By minimizing wait times for eligibility determinations, DHS ensures that individuals can access essential services and support without unnecessary delays, thereby improving their quality of life. This metric underscores DHS's dedication to protecting the welfare and rights of the community. By optimizing enrollment processes, DHS enables individuals to access support more efficiently, enhancing their overall experience and satisfaction with the organization. Lastly, DHS's efficiency in financial management, particularly in processing invoices from providers, is critical for maintaining fiscal responsibility and accountability. The number of days from receipt of invoices to submission for processing reflects DHS's challenge to ensure timely payments to vendors, however, recent recruitment efforts in the fiscal office will support improvement in this area. By continually monitoring these key performance metrics, the PMU will continue to support DHS to enhance its impact, efficiency, and responsiveness, ultimately advancing its mission to support and empower individuals and families in need.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of days it takes clients to receive eligibility determinations (Homemaker Services Program)	Apr 2024	12	8	10	↓ 1
 The number of days it takes clients to receive eligibility determinations (Pharmaceutical Assistance Programs)	Apr 2024	6	7	10	↑ 3
 The percentage of assessments and eligibility determinations reviewed for senior centers within 30 days of receipt of application	Apr 2024	100%	100%	100%	→ 4
 The percentage of reports of disabled adults, elderly abuse, or elderly neglect responded to within 24 hours	Apr 2024	90%	85%	75%	↓ 1
 The number of days to perform a new client enrollment application	Apr 2024	32	33	30	↑ 1
 The percentage of Energy Conservation Assistance Program (ECAP)/Low-Income Home Energy Assistance Program (LIHEAP) bills paid within 60-days of receipt upon release of local/federal allotments	Apr 2024	100%	100%	100%	→ 4
 The number of days from receipt of invoices from providers to date of submission to the DHS Fiscal Office for processing (Subsidy)	Apr 2024	30	30	15	→ 6

# Transportation, Facilities and Communication

Department of Public Works

# DEPARTMENT OF PUBLIC WORKS

FY2025 OPERATING BUDGET

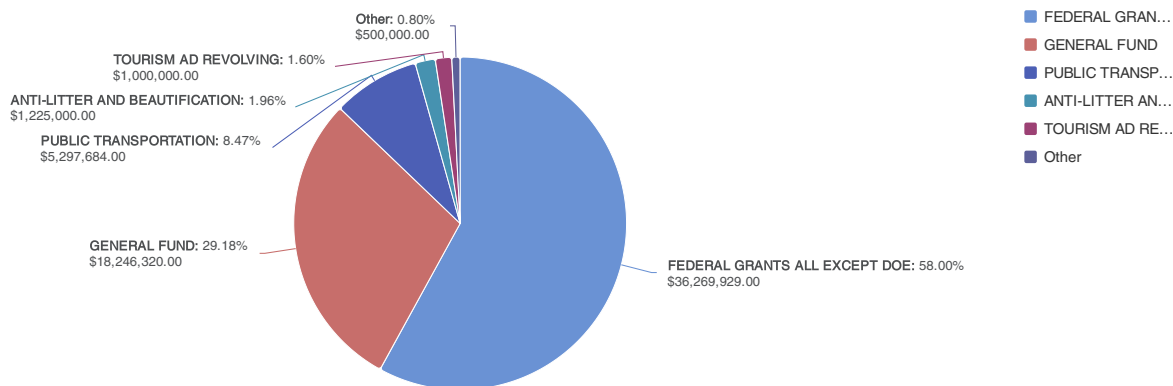

## MISSION STATEMENT

The Virgin Islands Department of Public Works is mandated to plan, construct, and maintain the territory's public roads, highways, storm drainage systems, public transportation systems, public parking facilities, public buildings, and public cemeteries.

# DEPARTMENT OF PUBLIC WORKS - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Public Works (DPW) demonstrated a proactive approach to infrastructure management and community engagement across the US Virgin Islands. Noteworthy achievements included the completion of the Internet Access in Parking Lots project, enhancing connectivity and accessibility for residents and visitors. Despite challenges such as procurement delays and staffing shortages, DPW continued to prioritize service delivery and efficiency, exemplified by initiatives like the digitization of cemetery records to improve data management and accessibility. Additionally, DPW's ongoing efforts to collaborate with the Bureau of Corrections for roadside and cemetery cleaning indicate a developing partnership aimed at addressing staffing needs and fulfilling critical maintenance requirements through innovative collaborations.

Throughout the first two quarters of fiscal year 2024, DPW remained committed to enhancing infrastructure and service quality, as evidenced by projects like the Estate Mt. Pleasant West Road Repair Project. By informing the community of progress and initiatives such as fee increases at parking lots, DPW ensured sustainable revenue streams for ongoing maintenance and improvement efforts. Furthermore, the implementation of the iWorks system for citizen engagement underscored DPW's dedication to transparency and responsiveness. Despite minor operational challenges, DPW's tireless efforts and strategic partnerships reaffirmed its commitment to fostering a safer, more sustainable environment for all residents and visitors of the US Virgin Islands.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The percentage of workdays with outputs, i.e., social media posts, radio interviews, and press releases	Apr 2024	84%	100%	80%	↗ 1
 The percentage of work orders completed versus received - STT	Apr 2024	10%	10%	20%	→ 1
 The percentage of work orders completed versus received - STJ	Apr 2024	15%	15%	20%	→ 2
 The percentage of work orders completed versus received - STX	Jan 2024	0%	0%	20%	→ 3
 The percentage of engineering projects on schedule for on-time completion	Apr 2024	100%	100%	95%	→ 6
 The percentage of projects classified as inactive	Apr 2024	2%	1%	2%	↘ 4
 The average number of fixed route public transportation passengers	Apr 2024	6,350	5,612	3,300	↘ 2
 The percentage of fixed route buses in operation	Apr 2024	75%	85%	90%	↗ 1
 The amount of revenue collected from parked vehicles in the STT district	Apr 2024	\$19,980	\$4,548	\$20,000	↘ 1

# DEPARTMENT OF SPORTS, PARKS, & RECREATION - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Sports, Parks, and Recreation (DSPR) excelled in fostering community engagement and enhancing recreational opportunities across the US Virgin Islands. Through a multitude of sponsored events and partnerships with other government agencies, DSPR showcased its commitment to promoting health, wellness, and camaraderie among residents and visitors. Memorable initiatives include the organization of various sporting events such as kickball awards ceremonies, fitness camps, and boxing tournaments, as well as collaborative efforts like the Battle of The Agencies and Rugrats Soccer Clinics, which received widespread participation and acclaim from the community.

DSPR's dedication to improving park facilities and infrastructure was evident through its diligent efforts in renovation and maintenance projects. The reopening of pavilions at Cramer's Park on St. Croix and the refurbishment of sports courts and facilities on St. John exemplified DSPR's commitment to providing accessible and enjoyable recreational spaces for all. Additionally, DSPR's coordination of a senior volleyball programs further underscored its inclusive approach to community engagement, promoting active lifestyles and social connections among individuals of all ages and abilities. Despite challenges such as staffing shortages and funding constraints, DSPR remained steadfast in its mission to enrich the lives of residents and visitors through high-quality recreational programs and facilities, reflecting its integral role in promoting a vibrant and healthy lifestyle throughout the territory.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures	Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
 The number of community engagement and outreach events held per quarter	Apr 2024	8	12	15	↗ 1
 The number of departmental and non-departmental programs promoted/marketed	Apr 2024	10	16	10	↗ 1
 The number of recreation programs (non-sport & non-competition) provided/supported annually	Apr 2024	4	5	3	↗ 3
 The number of adult recreation programs (sporting) provided/supported annually	Apr 2024	5	7	5	↗ 2
 The number of sporting and recreational programs offered for ages 3-17 annually	Apr 2024	5	5	5	→ 1
 The number of trainings/clinics/professional development sessions held per quarter	Apr 2024	2	3	2	↗ 1

# DEPARTMENT OF TOURISM - PERFORMANCE OVERVIEW

FY2025 OPERATING BUDGET

## PERFORMANCE STATEMENT

The Department of Tourism's performance, as illustrated in the provided reports, showcases a dynamic landscape of marketing endeavors aimed at promoting the United States Virgin Islands (USVI) as a desirable travel destination. Metrics such as video completion rates, paid media impressions, and advertising expenditure offer insights into the effectiveness of DOT's marketing campaigns. While certain periods demonstrate positive outcomes, others reveal challenges that may require strategic adjustments. Fluctuations in these metrics underscore the need for agility and adaptability in response to evolving market dynamics and consumer preferences. Concurrently, the department's proactive approach to adjusting budgets reflects its commitment to optimizing returns on investment amidst changing conditions. This strategy underscores DOT's dedication to maximizing the impact of its marketing efforts while navigating the complexities of the tourism landscape. Through continuous analysis and adaptation, the department aims to refine its strategies, capitalize on emerging opportunities, and reinforce the USVI's position as a premier travel destination.

## HIGH IMPACT KEY PERFORMANCE INDICATORS (KPI)

Measures		Most Recent Period	Prior Actual Value	Current Actual Value	Current Target Value	Current Trend
	The percentage rate of engagements within initial visit to Visit USVI	Apr 2024	40%	41%	50%	↗ 2
	The number of overnight guests in the territory	Mar 2024	87,889	106,655	62,500	↗ 2
	The dollar value of media PR advertisements	Apr 2024	\$3.83Mil	\$4.38Mil	\$44.00Mil	↗ 2
	The number of outbound/inbound sales calls made/received	Apr 2024	13,372	13,696	156	↗ 1
	The percentage of organic traffic (Visit USVI views)	Apr 2024	65%	66%	35%	↗ 2

# ELECTION SYSTEM OF THE VIRGIN ISLANDS

## FY2025 OPERATING BUDGET

The Office of the Supervisor of Elections was established by Act 936 in February 1963, which was later amended by Act 5157, The Election Reform Act of 1984, and codified in Title 18, Chapter 1, Section 4, of the Virgin Islands Code. The Supervisor of Elections is charged with the responsibility of administering and regulating the election laws of the Territory and is subject to the direction, control, and supervision of the Boards of Elections. This includes certifying to the Boards of Elections the names of candidates for primaries and general elections; determining sufficiency of nomination petitions; receiving reports from the Deputy Supervisors and requiring such additional reports as deemed necessary; maintaining records of registered voters; hiring per-diem employees and performing administrative duties involved in maintaining offices in St. Thomas, St. John and St. Croix; and preparing for the review and approval of the Joint Boards the annual budget for the Boards. The Supervisor of Election has the direct responsible for administering the provision of the Campaign Disclosure Law.

The primary objective of the Office of the Supervisor of Elections is to ensure the integrity of elections and uphold accurate voter registration records for citizens of the Virgin Islands, adhering to both federal and local laws, policies, and court rulings. This commitment encompasses a dedication to excellence and proficiency, fostering public trust in the fairness and impartiality of elections, while also facilitating equal participation in the democratic process for all individuals.

**Supervisor of Elections:** Dr. Caroline Fawkes

# HOSPITALS AND HEALTH FACILITIES CORPORATION

## FY2025 OPERATING BUDGET

In accordance with Act No. 6012, as amended by Act No. 6279, the Virgin Islands Government Hospital and Health Facilities Corporation (VIGHHFC) was established to ensure that quality, comprehensive health care is available to residents and visitors throughout the territory. The corporation, whose authority was expanded to incorporate the functions of human resources, the procurement of goods and/or services, and the financial management of the Hospital Revolving Fund, is committed to providing effective, affordable quality health care by implementing a new management structure that preserves decentralized control over health care facilities yet incorporates the benefits of territory-wide planning and coordination.

Pursuant to V.I. Code, Title 19, § 244 and 245, the VIGHHFC shall manage, operate, superintend, control, and maintain the hospitals and health facilities of the Government of the Virgin Islands in partnership with the Government. The legislation further states the Corporation shall have jurisdiction over the Governor Juan F. Luis Hospital and Medical Center, the Roy Lester Schneider Hospital and Medical Center, and the Myrah Keating Smith Health Center; and all personnel and equipment associated therewith.

The Corporation is administered by a Board of Directors which consist of 13 members (5 STX, 5 STT/ STJ and 3 Government Cabinet level members). Both districts have their respective Governing Board that is responsible for implementing their hospital policy and plan in accordance with what is set-in place by The Board of Directors for VIGHHFC.

The members of the Virgin Islands Hospital and Health Facilities Corporation Board are as follows:

Christopher E. Finch - Territorial Board Chairman  
Jerry Smith, MD - Territorial Board Vice-Chairman & Territorial Board Human Resources Chairman  
Director Jenifer O'Neal - Territorial Treasurer & Board Finance Committee Chairwoman  
Commissioner Justa Encarnacion - Territorial Secretary  
Frank Odum, MD - Member  
Faye John-Baptiste - Member  
Greta Hart-Hyndman, DNP - Member  
Albert Titus, MD - Member  
Commissioner Kevin McCurdy - Member

# GOVERNOR JUAN F. LUIS HOSPITAL AND MEDICAL CENTER

## FY2025 OPERATING BUDGET

The Governor Juan F. Luis Hospital's (JFLH) mission is to drive the improvement of the health of those we serve, while exemplifying compassion and respect.

JFLH's core responsibilities are:

- To deliver healthcare services of exceptional quality and value.
- To create an environment of teamwork that bolsters employee morale.
- To recognize and continually develop and encourage partnerships with employees, volunteers, patients, physicians, and other providers.
- To generate sufficient profits for our health system to continually improve our ability to provide quality care.
- To value and promote respect for and between our patients, their families, physicians, team members, and community.
- To foster a strong bond between our community and team members.
- To nurture, encourage, and celebrate the growth of our health system.
- To continuously develop, research, and implement innovative and efficient healthcare products and services.

JFLH's District Board Members and Executive Team:

### Board Members

Christopher E. Finch - Chairman

Faye John-Baptiste, RN, MSN - Member, Nurse Representative

Albert Titus, MD - Member

### Executive Team

Douglas E. Koch - Chief Executive Officer

Hazel Philbert, BSN, MBA, MSHS, RN, CPHQ - Chief Operating Officer

Valarie Lee, RN, MSN, MGA - Chief Nursing Officer

Bernadette Patricia Welcome, Esq. - Chief Legal Counsel

Terry Lynch, RN, MSN - Acting Chief, Human Resources

Raymond Cintron, MD - Chief Medical Officer

Rosalie Javois – Interim Chief Financial Officer

# SCHNEIDER REGIONAL MEDICAL CENTER

FY2025 OPERATING BUDGET

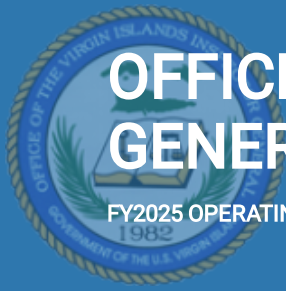

The Schneider Regional Medical Center (SRMC) is a semi-autonomous agency within the Virgin Islands Government. Our facilities include the Roy Lester Schneider Hospital, the Charlotte Kimelman Cancer Institute, and the Myrah Keating Smith Community Health Center on St. John. SRMC's hospital is a 169- bed, licensed facility that offers a plethora of services. The Cancer Institute has advanced technology in cancer detection and treatment, and the Myrah Keating Smith Community Center provides a variety of primary health care services and is the only health center on St. John that offers 24-hour urgent care, seven (7) days a week. SRMC has a solid base of highly skilled and qualified physicians, surgeons, and clinical practitioners committed to providing optimal care. SRMC is exploring opportunities to expand its services at all three (3) facilities and add new technology to further enhance the quality of care we provide, such as digital mammography, pacemaker insertions, surgical ablations (as an alternative to total hysterectomies), and electroconvulsive therapy.

The following are the current board members:

Jerry Smith, DPT, PT, ATC - Chairman  
 Frank Odum, MD - Member, Physician Representative  
 Greta Hart-Hyndman, RN, MSN, DNP - Member, Nurse Representative

**Chief Executive Officer:** Tina Comissiong, Esq.

# OFFICE OF THE VIRGIN ISLANDS INSPECTOR GENERAL

## FY2025 OPERATING BUDGET

The Virgin Islands Inspector General's Office, formerly the Virgin Islands Bureau of Audit and Control, was created on December 14, 1999, with the passage by the Virgin Islands Legislature of Act No. 6333. As a separate, independent agency of the Government of the Virgin Islands, the Virgin Islands Inspector General's Office functions as the major auditing arm of the government. Act No. 6333 gave the Virgin Islands Inspector General's Office additional responsibilities to: a) conduct audits, inspections and investigations of programs and operations of the Government of the Virgin Islands; b) provide leadership in coordinating and recommending policies to promote economy, efficiency and effectiveness in the operations of the government; c) investigate and recommend policies to prevent fraud, waste, and abuse; d) refer criminal conduct to the Attorney General for criminal action; and, e) bring monetary losses to the attention of the Attorney General for appropriate recovery by civil suit.

The audit and investigative authority of the Virgin Islands Inspector General's Office extends to all three branches of the Virgin Islands Government, including the semi-autonomous and autonomous instrumentalities. The law requires that audits be performed in accordance with standards established by the United States General Accounting Office and the American Institute of Certified Public Accountants.

**Inspector General:** Delia Thomas

# PUBLIC EMPLOYEES RELATIONS BOARD

## FY2025 OPERATING BUDGET

The Virgin Islands Public Employee Relations Board (PERB) was established in 1980, by Act 4440, Title 24 V.I.C., Chapter 14, Sections 361-383, which provides for constructive labor relations between the Virgin Islands Government and its employees. The PERB is an impartial agency; it cannot and does not give advice to parties. The PERB is composed of five (5) members appointed by the Governor with the advice and consent of the Legislature. Members of the PERB shall serve terms of five years or as designated by the Governor at the time of appointment. Each member shall hold office until his successor is appointed and confirmed, and upon receipt of the appointment letter from the Governor. Two (2) of the members shall have experience, involving labor relations; on behalf of labor, and two (2) other members shall have experience, involving labor relations; on behalf of management. The fifth (5th) serves as Chairman of the PERB. The Act also requires that at least two (2) members represent the District of St. Croix and, at least two (2), be representatives from the District of St. Thomas and St. John. The Act also requires that the PERB shall have an Executive Director.

The composition of the PERB is as follows:

Pierina Jacobs-Feldman, Chairman (St. Thomas)  
Frederick Joseph, Representative of Labor (St. Croix)  
Annie Day Henry, Representative of Labor (St. Croix)  
Rodney E. Moorehead, Representative of Management (St. Croix)  
Vacant, Representative of Management (St. Thomas)

**Interim Executive Director:** Jessica Philgence

# UNIVERSITY OF THE VIRGIN ISLANDS

FY2025 OPERATING BUDGET

The University of the Virgin Islands (UVI), formerly College of the Virgin Islands, was opened in July, 1963, with a campus on St. Thomas consisting of 175 acres of land previously occupied by a Navy Department installation and deeded to the University by the federal government for educational purposes. To provide educational opportunities for the residents of St. Croix at the University level, an evening program was established in October 1964 on a 125-acre campus obtained from the federal government.

UVI is a public liberal arts-based Masters II university, a Historically Black College and University and a Land-Grant institution. The university has a combined enrollment of approximately 2,000 full-time, part-time and graduate students on its two campuses, St. Thomas and St. Croix, as well as online. The University's objective is to be recognized as the leading American institution of higher learning in the Caribbean. The University is currently governed by a 12-member Board of Directors.

The Board members are:

Honorable Governor Albert Bryan Jr. - Honorary Chairman  
 Henry C. Smock, Esq. - Chair  
 Oran C. Roebuck - Vice Chair  
 Dr. David Hall, - President of the University & Board Secretary  
 Dionne Wells-Hedrington - Commissioner of Education  
 Dr. Kyza Callwood - Chair, Board of Education  
 Jackeima Flemming - Student Trustee, St. Thomas  
 Nisha Clavier - Alumni Assoc Trustee, St. Croix  
 Dr. Sheena Walker - Faculty Trustee, St. Thomas  
 John P. DeJongh, Jr. - Former Governor/Business Executive, St. Thomas  
 Dr. Donna Christensen - Medical Doctor, St. Croix  
 Dr. John A. Quelch - Professor and Dean - University of Miami  
 Dr. Louis Hassell-Habtes - Retired Educator/Administrator - St. Thomas  
 Reginald Vigilant - Business Executive, St. Croix  
 Erica Johnson Creamer - Business Executive, Washington , DC

# VIRGIN ISLANDS BOARD OF EDUCATION

FY2025 OPERATING BUDGET

The Virgin Islands Board of Education was established almost sixty-five (65) years ago to oversee specific functions in education. These functions include, but are not limited to, the following:

- Oversight of the Territorial Scholarship/Loan Program
- Oversight of Special Legislative Grants
- Oversight of federal monies in cooperation with US Department of Education
- Certification of education professionals
- Initiation and revision of educational policies
- Inspection of school plants and facilities

The Board consists of nine (9) elected members, four (4) from the St. Thomas/St. John District, four (4) from the St. Croix District, and one (1) member-at-large from the island of St. John. Current Board Members are as follows:

Dr. Kyza A. Callwood - Chairperson  
 Emmanuella M. Perez-Cassius - Vice Chairperson  
 Shawna K. Richards - Secretary  
 Terrence T. Joseph - Member  
 Nandi Sekou, Esq. - Member  
 Arah C. Lockhart - Member  
 Judy M. Gomez, Esq. - Member

# VIRGIN ISLANDS BOARD OF ELECTIONS

FY2025 OPERATING BUDGET

The Virgin Islands Board of Elections was created through Act No. 936 on February 20, 1963, by the Legislature of the Virgin Islands. The authority for the Election System of the Virgin Islands is derived from Title 18 of the Virgin Islands Code. The statute establishes the organizational structure of the Agency, which is comprised of four divisions: Joint Boards of Elections, St. Thomas-St. John District Board of Elections, St. Croix District Board of Elections, and the Office of the Supervisor of Elections. Each District Board of Elections consists of seven (7) members elected from the respective districts for a four (4) year term: the St. Thomas-St. John District must include two (2) members who reside on the island of St. John. The Boards, within their respective districts, are the policy making bodies of the Election System of the Virgin Islands.

The following are current members of the Joint Boards:

Alecia M. Wells - Chairperson  
 Shikima Jones - Vice Chairperson  
 Lydia Hendricks - Secretary  
 Florine Audain-Hassell - Member  
 Kareem T. Francis - Member  
 Lisa Harris-Moorhead - Member  
 Epiphane Joseph - Member

# VIRGIN ISLANDS CAREER AND TECHNICAL EDUCATION BOARD

FY2025 OPERATING BUDGET

The Virgin Islands Board of Career and Technical Education (VIBCTE) was established in 1950 by Title 17, Chapter 23, Sub-chapter I, Subsections 261 and 262. The VIBCTE is responsible for the administration of all Career and Technical Education (CTE) programs in the Territory's schools.

According to the VI Code, VIBCTE shall: Cooperate with all stakeholders as it relates to CTE and provide certification for all schools in the field of CTE while administering all provisions of the code; Cooperate with federal government agencies in all phases of CTE; Administer both local, as well as federal funds for the promotion of CTE; Approve plans for CTE as an integral part of the VI and aid in the preparation of subject matter teachers; Certify payment of federal Acts relating to CTE programs from funds appropriated for this purpose; Provide for research relating to CT; Promote, maintain, and aid in establishing schools, provide for certification, determine salaries and appointments of teachers; Determine the qualifications of persons who are training in CTE and articulate with other territorial programs; Do all things necessary to receive all federal funds appropriated to the VI under this Code; Issue rules and regulations for the proper administration of this Sub-chapter; and prepare an annual budget and reports to the Legislature.

VICTEB is comprised of eight (8) members and has two open positions:

Joan Murphy - Chairperson  
 Dr. Anastasie Jackson - Vice Chairperson  
 Dr. Michael Francois - Immediate Past Chair  
 Dr. Suxanne Magras - Secretary  
 Genevieve Whitaker - Scholarship Chair  
 Jenny Hawkes - Treasurer  
 Monique Faulkner, Ed. D - Ex-Officio

**Executive Director:** Anton Doos III

# VIRGIN ISLANDS ECONOMIC DEVELOPMENT AUTHORITY

FY2025 OPERATING BUDGET

The Virgin Islands Economic Development Authority (“USVIEDA” or “Authority”) is a semi-autonomous governmental instrumentality responsible for the development, promotion, and enhancement of the economy of the U.S. Virgin Islands. The USVIEDA is the umbrella organization which assumes, integrates, and unifies the functions of the following subsidiary entities: the Economic Development Bank (“EDB”), the Economic Development Commission (“EDC”), the Economic Development Park Corporation (“EDPC”), and the Enterprise Zone Commission (“EZO”).

The USVIEDA operates under one Governing Board (“Board”) in order to achieve maximum efficiency of operation to avoid duplication of services, positions, and responsibilities; to reduce expenses of personnel, physical plant and operations; and to develop comprehensive programs for the economic development of the U.S. Virgin Islands. Pursuant to the legislation which governs the USVIEDA, the Authority shall be governed by a seven (7) member board. Of the seven (7) members, three (3) shall not be employees of the Government of the Virgin Islands or the Government of the United States and shall be appointed by the Governor, with the advice and consent of the Legislature, for a term of three (3) years. Of the three (3) non-governmental employees, one must be a resident of St. Thomas, one must be a resident of St. John, and one must be a resident of St. Croix. Three (3) members shall be cabinet-level appointees. One (1) member shall be appointed from either the Board or executive staff of the Employees Retirement System of the Government of the Virgin Islands, Virgin Islands Port Authority, or the University of the Virgin Islands. Government members shall serve during the term of their government position, at the pleasure of the Governor, and may not receive compensation for their service on the Board. Non-government members are compensated at a rate of \$150 a day, or any fraction thereof.

Members of the Board of Directors are as follows:

Kevin Rodriguez - Chairperson  
 Commissioner Gary Molloy - Vice Chairperson  
 José A. Penn, PhD. - Secretary  
 Anise Hodge - Member  
 Philip Payne - Member  
 Positive T.A. Nelson - Member  
 Vacant

**Chief Executive Officer:** Wayne L. Biggs, Jr.

# VIRGIN ISLANDS HOUSING FINANCE AUTHORITY

## FY2025 OPERATING BUDGET

The Virgin Islands Housing Finance Authority (VIHFA) was created in 1981 by the Legislature of the United States Virgin Islands (USVI) through the enactment of Act No. 4636, the Virgin Islands Homeowners Construction and Mortgage Assistance Act. The Authority was created to address the existing shortage of low- and moderate-income housing in the Territory. The Authority is composed of six (6) service-providing units: Homeownership, Planning and Construction, Federal Programs, Collections and Servicing, Accounting, and Rental Properties.

The members of the VIHFA Board of Directors are as follows:

Director Jenifer O'Neal - Chairperson  
 Carmen M. W. Hedrington - Vice Chairperson  
 Commissioner Jean-Pierre Oriol - Secretary  
 Maureen Burke-Ventura - Member

**Executive Director:** Eugene Jones, Jr.

# VIRGIN ISLANDS HOUSING AUTHORITY

FY2025 OPERATING BUDGET

The Virgin Islands Housing Authority (VIHA) and the United States Department of Housing and Urban Development (HUD) entered into Annual Contributions Contract No. PR-37, dated May 26, 1959. The Housing Authority's powers, duties, and functions are pursuant to V.I. Code Ann. Title 29, Chapter I, as amended by Act No. 5523. The purpose of VIHA is to leverage economic resources to provide financial assistance for families to afford housing and provide programs for families to progress towards economic self-sufficiency.

The Virgin Islands Housing Authority's mission is to encourage the development and professional management of a variety of affordable housing opportunities, facilities and supportive services to sustain vibrant and progressive communities, provide economic development and self-sufficiency options for residents, assuring equal access to quality housing and safer communities through partnerships.

The vision of the Board of Commissioners is to support the need to "right-size" the old public housing inventory through aggressively implementing an asset repositioning plan which entails eliminating old nonviable public housing and the redevelopment of attractive energy-efficient affordable housing, coupled with a strategy to provide housing assistance for more families through expanding the housing choice vouchers program.

VIHA is federally funded through three primary programs: 1) the Public Housing Program; 2) the Housing Choice Voucher Program (HCVP); and 3) the Capital Fund Program (CFP). Total annual federal funding for all programs averages approximately \$40 million. Public Housing receives \$21 million; HCVP, \$14 million and CFP, \$5 million. VIHA's fiscal year is a calendar year and the combination of several funding sources facilitates a full-time staff allocation of 195 employees.

The current business model (asset management) for Public Housing comprises eleven (11) overall cost centers, ten (10) cost centers or groupings of properties, and one (1) Central Office Cost Center (COCC) that comprises a main office in each district. In the next several years, VIHA will collaborate with VIHFA to produce more homeownership opportunities by supporting resident self-sufficiency goals.

The members of VIHA's Board of Commissioners are as follows:

Noreen Michael, PhD - Chairperson  
Dr. Janis Valmond, MS. DrPH. CHES - Vice Chairperson  
Dwayne Alexander - Secretary  
Commissioner Designee Averil George - Member  
Dina Perry-Malone - Member  
Simba Abiff - Member  
Ashley Archibald - Member  
Eugene Jones, Jr. - Member

**Executive Director:** Dwayne Alexander

# VIRGIN ISLANDS LOTTERY

## FY2025 OPERATING BUDGET

The Virgin Islands Lottery (VIL) was founded in 1937 and its mandate was amended in 1971, within Title 32, Chapter 13 of the Virgin Islands Code. VIL is an instrumentality of the Government of the United States Virgin Islands and is the oldest continuous lottery of any state or territory. For the past seventy-eight (78) years, VIL has been part of the social structure of the Territory of the Virgin Islands. From its inception, the traditional or “passive game” has been its staple, providing employment and a means of extra income for participants. The Lottery has experienced significant growth and development. VIL has increased its portfolio of games as a value-added measure and as a means of increasing players’ satisfaction. As a result, the agency has become a more visible and viable contributor to the economy of the U.S. Virgin Islands.

An Executive Director, appointed by the Governor and supervised by the Virgin Islands Lottery Commission, manages VIL, the official lottery of the Virgin Islands. The Commission is comprised of the Department of Finance Commissioner, the Office of Management and Budget Director and five (5) appointed members. Each member of the Commission serves for a period of four (4) years. The Lottery Commission is the policy-making body, providing advice and oversight on operating and administrative activities. The Commission is authorized to promulgate rules and regulations governing the establishment and operations of the Lottery. The rules and regulations may include, but are not limited to, the passive game, lotteries conducted and classified as video gaming machines, slot machines, or any other type of gaming machine or device.

The Virgin Islands Lottery operates its income as an enterprise-fund parallel to operations in the private sector and uses the full accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in the United States of America.

Director Jenifer O’Neal - Commission Chair

Lloyd Daley - Member

Vernon Finch - Member

Commissioner Kevin McCurdy - Member

**Executive Director:** Raymond Williams

# VIRGIN ISLANDS NEXT GENERATION NETWORK

FY2025 OPERATING BUDGET

The Virgin Islands Next Generation Network (viNGN) is a public corporation – a wholly owned subsidiary of the Virgin Islands Public Finance Authority. viNGN was primarily funded by grants from the Department of Commerce with a charter to provide wholesale broadband middle mile service to providers and to promote local economic growth, innovation and global competitiveness. The grants awarded were:

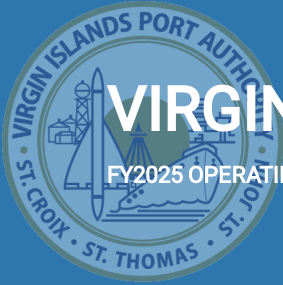

- State Broadband Data Development (SBDD)
- Comprehensive Community Infrastructure (CCI)
- Public Computer Center (PCC)
- Sustainable Broadband Adoption (SBA)

The viNGN municipal infrastructure provides world class open access, high speed, all-fiber optic broadband connectivity. With speeds up to 10 Gbps, viNGN has made the Virgin Islands the only fully interconnected jurisdiction of all 50 states and 6 territories, and leads the Technological Revolution. viNGN is committed to the continued broadband infrastructure, economic, and community development of the U.S. Virgin Islands.

The members of viNGN's Board of Directors are as follows:

Honorable Governor Albert Bryan Jr. - Chairman  
Stephan Adams, President/CEO - Member  
Keith O'Neale, Jr. - Secretary / Member  
Andrew Smith - WAPA CEO - Member  
Gordon Ackley - Member

**Chief Executive Officer and President:** Stephan Adams

# VIRGIN ISLANDS PORT AUTHORITY

## FY2025 OPERATING BUDGET

The Seventh Legislature of the US Virgin Islands passed Act 2375 which established the Virgin Islands Port Authority on December 24, 1968. Act 2405 set the date of establishment of the Authority as February 11, 1969 which is recognized as VIPA's official anniversary date. VIPA is charged with the ownership and management of the Territory's two airports and fourteen public seaports.

### **The Structure and Role of the VIPA Board**

The VIPA is an autonomous agency governed by a nine-member board that sets policy. The Executive Director implements these policies and oversees the day-to-day operation of the agency. As per VI Code Title 29 §541, the board has four ex-officio members of the Governor's cabinet. These members serve at the pleasure of the Governor of the U.S. Virgin Islands. They are:

- The Commissioner of the Department of Tourism
- The Attorney General
- The Commissioner of the Department of Public Works
- The Chairperson of the Economic Development Authority's Board

The remaining five positions are reserved for private citizens who are appointed by the Governor and are subject to the approval of the Legislature of the Virgin Islands. The statute requires that two members represent St. Croix, two members represent St. Thomas, and one member represent St. John. They are appointed to a three-year term of office and each is eligible for re-appointment.

Willard John - Chairman (St. Croix Representative)  
Derek Gabriel - Vice Chairman (Commissioner, Department of Public Works)  
Kevin Rodriguez - Secretary (Chairman, Economic Development Authority)  
Joseph Boschulte - Member (Commissioner, Department of Tourism)  
Gordon Rhea - Member (Acting Attorney General)  
Celestino A. White, Sr. - Member (St. Thomas Representative)  
Leona Smith - Member (St. John Representative)  
Vacant - St. Thomas Representative  
Vacant - St. Croix Representative

**Executive Director:** Carlton Dowe

# VIRGIN ISLANDS PUBLIC BROADCASTING SYSTEM - WTJX

FY2025 OPERATING BUDGET

The Virgin Islands Public Broadcasting System with the FCC-granted call letters, WTJX-TV, was created on November 13, 1968, as an independent, autonomous instrumentality. Governor Ralph M. Paiewonsky created the Virgin Islands Public Television Commission in the 60s and requested a feasibility study to recommend the best structure for Public Television in the Virgin Islands. Subsequently, the Virgin Islands Public Broadcasting System, otherwise known as WTJX, was established by Act 2364, by the Seventh Legislature of the Virgin Islands.

WTJX ensures that our culturally and socially diverse audience has access to free, locally- based, enriching programs and education services. Additionally, six years ago, the Virgin Islands Public Broadcasting System finalized construction of a non-commercial radio station: WTJX-FM, 93.1. WTJX-FM went on the air in January 2015 and is now the territory's only National Public Radio (NPR) station, providing quality news and information to the Virgin Islands community. WTJX- TV is a member of Public Broadcasting Service (PBS) a private, non-profit media enterprise, owned and operated by member stations. The Government of the Virgin Islands' Executive and Legislative Branches, which appropriates and allots approximately 85% of funds for WTJX's operation, exercise some oversight.

The following are the current Board of Directors for the Virgin Islands Public Broadcasting System:

Dr. Kyza Callwood - Chairman  
Yvette deLaubanique - Vice Chairman  
Clifford Graham - Treasurer  
Alvin D. Burke, Jr. - Secretary  
Henry Smock, Esq. - Legal Counsel  
Dr. David Hall - Member  
Commissioner Dionne Wells-Hedington - Member  
Director Jenifer O'Neal - Member  
Commissioner H. Nathalie Hodge - Member  
José Raúl Carrillo - Member  
Osbert Potter - Member

**Executive Director:** Tanya-Marie Singh

# VIRGIN ISLANDS PUBLIC FINANCE AUTHORITY

## FY2025 OPERATING BUDGET

The Virgin Islands Public Finance Authority (PFA or the Authority) was created by Act No. 5365 as a public corporation and autonomous governmental instrumentality, operating on behalf of the Government of the U.S. Virgin Islands (the Government). Its primary duties are: (1) to aid the Government of the U.S. Virgin Islands in the performance of its fiscal duties; (2) to raise capital, public or private, for essential public projects; and (3) to create programs and enter into contracts which will support the financing needs of the Government, promote economic recovery and contribute to the stability of the Territory's economy. The U.S. Virgin Islands Code provides that the debts, obligations, contracts, bonds, assets, receipts, expenditures, accounts, funds, facilities, and property of the Authority shall be deemed to be those of the Authority and not to be those of the Government, or any of its offices, bureaus, departments, agencies, commissions, branches, agents or employees.

The US Virgin Islands Public Finance Authority is governed by a Board of Directors consisting of seven (7) members. The Governor, the Commissioner of Finance and the Director of the Office of Management and Budget, or persons acting in the official capacity of such officers, serve as ex-officio members of the Board. Four additional members are appointed to the Board by the Governor with the advice and consent of the Legislature. These appointed members, two of which must be residents of the District of St. Thomas-St. John, and two who must reside in the District of St. Croix, serve four (4) year terms. The members appointed to the Board must be experienced in business or municipal finance and must not be salaried officials or employees of the Government of the United States or the Government of the Virgin Islands. The Governor serves as Chairman of the Board of Directors. The Commissioner of Finance or the Director of the Office of Management and Budget, as designated by the Governor, serve as the Executive Director of the Authority.

The members of the PFA's Board of Directors are as follows:

Honorable Governor Albert Bryan, Jr. - Chairman  
Keith O'Neale, Jr. - Secretary  
Director Jenifer O'Neal - Member  
Commissioner Kevin McCurdy - Member  
Dorothy Isaac, Esq. - Member

**Executive Director:** Nathan Simmonds

# VIRGIN ISLANDS PUBLIC SERVICES COMMISSION

FY2025 OPERATING BUDGET

The Virgin Islands Public Service Commission regulates all public utilities to ensure a fair and reasonable rate of return while providing the rate payers with the highest quality service in a safe, consistent and efficient manner.

The Virgin Islands Public Services Commission (PSC), a regulatory agency with a broad mandate, ensures that all Virgin Islanders have access to reliable public utility services. The Commission addresses issues of consumer protection such as, renewable and alternative energy, telecommunications services, provision of public marine transportation between the islands and reasonable solid waste and wastewater disposal user rates.

The Commission is composed of nine members who each serve three-year terms. The composition follows, seven members appointed by the Governor and confirmed by the Legislature and two non-voting members appointed by the Senate President. Representatives are equally divided throughout the Territory with three representatives residing on St. Thomas, three representatives residing on St. Croix and one representative residing on St. John. The law requires annual elections for the position of chair and vice chair. Unlike commissioners in the United States, the PSC serves on a volunteer basis. Majority of the voting commissioners constitutes a quorum, and the Commission cannot take formal action in the absence of a quorum.

Pedro K. Williams, Esq. - Chairman  
 David Hughes - Vice Chairman  
 Clement Magras - Member

# VIRGIN ISLANDS TAXICAB COMMISSION

## FY2025 OPERATING BUDGET

The Virgin Islands Taxicab Commission regulates the automobile-for-hire industry which includes taxis and tour operators. Safely executing these responsibilities requires improving operational efficiency and effectiveness by educating industry operators and consumers. The Virgin Islands Taxicab Commission oversees the operation of vehicles for hire through regulation, education and enforcement of the laws, rules and regulations governing the taxicab industry.

The members of the Taxicab Commission's Board are:

Loretta Lloyd - Chairperson  
 Elizabeth Hansen-Watley - Vice Chairperson  
 Myrna George - Secretary  
 Sweeney Toussaint, Jr. - Member  
 Camille Paris, Jr. - Member

# VIRGIN ISLANDS WASTE MANAGEMENT AUTHORITY

## FY2025 OPERATING BUDGET

The Virgin Islands Waste Management Authority (VIWMA) was created in January 2004 by the 25th Legislature of the Virgin Islands to provide solid waste and wastewater management services to the people of the United States Virgin Islands. Act No. 6638 established the VIWMA as a non-profit, public body, corporate and politic, of the Government of the Virgin Islands (GVI). It is constituted as an autonomous instrumentality of the GVI with a Governing Board of Directors comprised of seven (7) members, three (3) from the public sector and four (4) from the private sector. The following Board Members currently serve:

Commissioner Derek Gabriel - Chairman  
 Commissioner Jean-Pierre Oriol - Vice Chairman  
 Diana Collingwood - Member

The VIWMA provides solid waste collection and disposal services to residential and governmental customers throughout the Territory. Commercial customers must collect and dispose of their solid waste. VIWMA provides wastewater collection, treatment, and disposal services to residential, governmental, and commercial customers connected to the public sewer system.

**Executive Director:** Roger Merritt Jr.

# VIRGIN ISLANDS WATER AND POWER AUTHORITY

FY2025 OPERATING BUDGET

In 1964, the Virgin Islands Water and Power Authority (WAPA or the Authority) was created as an instrumentality of the Government of the U.S. Virgin Islands (the "Government") pursuant to Chapter 5 of Title 30 of the U.S. Virgin Islands Code, as amended by Act 4108, approved on March 1978, and Act 4497 approved on October 23, 1980 (the "Virgin Islands Water and Power Authority Act" or the "Act"), for the purpose of developing an adequate electric and water supply for the Virgin Islands. Pursuant to the powers established by the Act, the Authority owns, operates and maintains electric generation, distribution, and general plant facilities that supply electric power and energy to over 54,000 customers in the U.S. Virgin Islands, which include the islands of St. Thomas, St. Croix, and St. John. The Authority also provides electric service to Hassel Island and Water Island, which are located near the St. Thomas harbor. Generally, herein, references to the number of customers, sales and loads on the island of St. Thomas include data associated with the island of St. John, Hassel Island, and Water Island.

The following are WAPA's Board Members:

Director Kyle Fleming - Chairman  
Hubert Turnbull - Vice Chairman  
Juanita Young - Secretary  
Cheryl Boynes-Jackson - Member  
Lionel Selwood Jr. - Member  
Maurice Muia - Member

**Executive Director/Chief Executive Officer:** Andrew Smith

# GLOSSARY

## TERMS

### **Actual**

The year-to-date closing balance of the account for the designated.

### **Adjusted Balance**

The gross, total or net balance that has been adjusted to reflect a change (For example, Adjusted General Fund balance - reflects a change in the general fund total that may not be otherwise adjusted elsewhere).

### **Adjusted Gross Revenue**

The total of all funds to include appropriated (general and local), non-governmental (hospital revolving), and non-appropriated (all others to include federal funds), and any adjustments to the general fund.

### **Administrative Transfer**

A transfer of allotted departmental resources which requires only the approval of the Office of Management and Budget and/or the Governor. These transfers can only be effectuated if no funding restrictions are imposed by the Legislature on appropriations, as in the case of a lump sum appropriation or modified line-item appropriation.

Types of Administrative Transfer of Resources include the following:

- **Lateral transfers:** between the same subaccounts and/or low orgs (activity centers).
- **Vertical transfers:** among different subaccounts and/or low orgs (activity centers).
- **Lateral and vertical transfers:** between and among the same and different subaccounts and/or low orgs (activity centers).
- Lump sum appropriation.

### **Allocation**

A distribution of funds, or an expenditure limit established for a department or agency.

### **Allotment**

A portion of an appropriation to be expended for a particular purpose during a specified time.

### **General Fund**

The largest fund that is used to account for the general operations and activities that provide services to the citizens. It accounts for all financial resources except those required to be accounted for in another fund. It provides the resources necessary to sustain the day-to-day activities and thus pays for all administrative and operating expenses. The primary sources of revenues are individual income taxes, gross receipt taxes, real property taxes, trade and excise taxes and corporate income taxes.

### **General Fund Gross Revenues**

General fund revenues plus contributions (transfers in) and other financing sources; before any deductions of expenses (e.g., before deductions of tax refunds, infrastructure subsidy, debt services, or amounts owed to other entities or instrumentalities), transfer outs or other financing uses.

### **General Fund Net Revenues**

General fund revenues plus contributions (transfers in) and other financing sources less deductions for expenses such as tax refunds, infrastructure subsidy, debt services, or amounts owed to other governmental entities or instrumentalities; transfers out or other financing uses.

### **Grant Period**

The time between the effective date of the award and the ending date of the award reflected in the final financial report.

### **In-Kind**

"Cost Sharing or Matching" means the value of the third-party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

### **Indirect Cost**

The expenses of doing business that are not readily identified with a particular grant, contract, project function or activity, but are necessary for the general operation of the organization and the conduct of activities it performs.

**American Recovery and Reinvestment Act (ARRA)**

An unprecedented effort to jumpstart our economy, save and create millions of jobs, and put a down payment on addressing long neglected challenges so our country can thrive in the 21st century.

**Annual Budget Process**

A description of the annual budget process from the budget formulation to the execution of the adopted budget. This section also includes a process map detailing how the process flows.

**Appropriation**

A legal authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amount and time when it may be expended.

**Appropriation Transfer**

A reprogramming of funds as authorized by Title 2, Chapter 2, Section 28(b), Virgin Islands Code, which can only be effectuated through a departmental request transmitted through the Director of the Office of Management and Budget to the Governor, and from the Governor to the Legislature for final approval.

The following types of transfers require the approval of the Legislature as a Whole:

- Transfers between two different funds
- Transfers from one department to another

The following transfer requires the approval of the Legislature, Committee on Finance:

- Transfers between budgeted line items or organizations (activity centers) within the same department and fund.

**Autonomous Agencies**

Government agencies that do not receive funding from the General Fund.

**Balanced Budget**

When the general fund projected revenues or general fund net revenues equals projected expenditures, plus or minus transfers to or from other funds and financial sources (uses).

**Baseline**

Current level at which the organization is performing.

**Benchmark**

A standard or point of reference used in measuring and/or judging quality value.

**Budget**

A plan of financial operations embodying an estimate of projected expenditures for a given period, and the corresponding proposed resources for funding the same.

**Legislation**

This is the drafted bill to the Legislature to approve the Proposed Executive Budget.

**Low Org**

Levels of an organization that have no sub-units reporting to it.

**Miscellaneous**

Recurring expenditures and the department/agency responsible for managing those.

**Mission Statement**

A clear, concise statement of purpose that guides the action of the department/agency and captures the essence of their goals and philosophies.

**Net Revenues**

Gross or total revenue less any deductions for expenditures (expenses).

**Non-Governmental Funds**

Funds generated and utilized by a semiautonomous or autonomous instrumentality that are not managed by the Government (e.g., Hospital Revolving Funds utilized by Juan F. Luis Hospital and Schneider Regional Medical Center).

**Object**

One of a group of related accounts which support in detail the summaries recorded in a budget category. The individual accounts for personnel service costs such as unclassified and part-time are examples.

**Object Code**

The segment of the account number that reflects the object of expenditure or source of revenue.

**Objective**

A task or group of tasks undertaken to achieve a stated goal.

**Org**

An abbreviation for organization. It is the level within an organization at which costs are accumulated and associated with a purpose to carry on an activity or operation, or to complete a unit of work or a specific job. For example, in the Department of Human Services, Office of the Commissioner is a Divisional Org and Personnel and Labor Relations is an Activity Org.

**Org Code**

A code representing the segments of an account number.

**Organization Type**

Identifies the agency's grouping based on the type of service provided.

**Budget Adjustments**

Changes to appropriations (Budgets) to include supplements, decreases, or reprogramming, including appropriation transfers and apportionments.

**Budget Category**

An account in which the aggregate is recorded for all related objects (e.g. personnel service cost is a budget category that is supported by the related individual detailed objects such as classified, unclassified, and part time).

**Calendar Year**

January 1st to December 31st of the same year.

**Capital Improvements**

Physical assets, constructed, or purchased, that have a useful life of ten (10) years or longer. Exceptions have been made for inclusion of a few projects that do not meet the above criteria, for example, ADA paratransit vans, to make them more visible to the public and the Legislature.

**Capital Projects**

All major projects in the Territory as well as their current status, project description, the obligation balance, location (STT, STJ or STX), and projected expenditure for the fiscal year.

**Capital Outlays**

Expenditures which result in the acquisition of, or addition to, fixed assets. They should be classified under the following objects: land, buildings, improvements other than buildings; machinery and equipment.

**Central Service Cost Allocation Plan**

Comparable to the college and university long form, each central service is treated as a separate cost pool and distributed to each operating department or agency it serves. This distribution is accomplished through billing rates or services rendered (e.g., cost per mile for use of a motor vehicle, dollar per audit, or computer usage rates) or through an allocation basis on an indication of use (e.g., accounting based on the number of transactions or checks written or occupancy based on square footage or space occupied). The costs distributed through the central service cost allocation plan are subsequently included in the department's indirect cost proposal or included where they can be identified with a grant as a direct cost.

**Chart of Accounts**

A list of all assets, liability, fund balance, revenue, and expense accounts.

**Debt Service Fund**

A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

**Option**

Used to provide additional management reporting, e.g., physical location, job classification, or the types of services rendered. Options may be specific to an activity center, division, or department.

**Other Funds**

Funds used to account for financial resources not accounted for in the General Fund. For example, the internal service fund accounts for the financing of goods or services provided by one department or agency primarily or solely to other departments or agencies of the government unit, or to other governmental units, on a cost-reimbursed basis.

**Output**

A description of the level of activity or effort that will be produced or provided over a period by a specified date, including a description of the characteristics and attributes (e.g., timeliness) established as standards while conducting the activity or effort.

**Performance Budget**

A budget presentation that clearly links performance goals with costs for achieving targeted levels of performance. In general, a performance budget links strategic goals with related long-term and annual performance goals and with the costs of specific activities that contribute to the achievement of those goals.

**Performance Goal**

Sets a target level of performance that is expressed as a tangible, measurable objective, against which actual achievement can be compared, including a goal expressed as a quantitative standard, value, or rate. Performance goals can be either outcome or output goals.

**Performance Measures (aka Key Performance Indicators)**

A quantitative or qualitative characterization of performance such as an indicator, statistic, or metric used to gauge program performance.

**Performance Target**

A quantitative level of performance desired.

**Period**

A month within a fiscal year; noted by a number, 1 through 12. Also, periods of SOY (Start of Year), and 13 representing the reserve or EOY (End of Year).

**Prior Approval**

Prior Approval documentation prior to incurring specific evidencing consent cost.

**Program**

A plan or system involving the expenditure of resources under which action may be taken to provide public goods or services. Programs are usually the lowest level of an organization at which cost data and evaluation measures

**Department**

An organization within the Executive Branch, which under general laws has an independent existence and the authority to receive and expend appropriations as set by law.

**Effectiveness Measure**

An indication of the degree to which a program will achieve its objective.

**Encumbrance**

The purchase in an expense account at the time an item is ordered. The encumbrance reduces the available budget by the purchase amount.

**Expenditure**

A transaction resulting in the disbursement of cash.

**Federal Funds**

Contributions of cash or other assets from the federal government to be used or expended for a specific purpose, activity, or facility.

**Financial Plan (by budget category)**

Compares the two previous fiscal year expenditures against the current year proposed budget.

**Financial Summary**

This section provides the reader with the projected revenues and expenditures for the Government of the Virgin Islands for the upcoming fiscal year. The section also provides historical data to support the projections as well as various breakdowns of all expenses (by fund, by budget category, by department, etc.)

**Fiscal Year**

A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. For example, the Government of the Virgin Islands' fiscal year begins on October 1st, in one calendar year and ends on September 30th in the ensuing calendar year.

**Function**

A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible. For example, public safety is a function.

**Fund**

A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purposes of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balances**

A listing of the Territory's funds as well as a brief description of each fund. The funding source as well as the amount available for the budget is also included.

**Program Income**

Program income gross income received by the grantee or subgrantee directly generated by a grant supported activity or earned only because of the grant agreement during the grant period.

**Project Code**

A segment of the account number used to identify a particular capital project.

**Projection**

The estimated budget for the upcoming year.

**Revenues**

Inflows or other enhancements of resources of an organization, or a settlement of its obligations (or a combination of both), during a period from delivering and or producing goods, rendering services, or other activities that constitute the organization's ongoing or central operations.

**Revenues and Expenses** are presented in the context of **Funds** which is the highest grouping of financial information. The second level of information grouping is at the Department/Agency level. **Department/Agency** levels summarize to the Fund Level.

**Schedule of Principal and Interest on Long term Debt**

The section that outlines each bond issuance reflected in the Schedule of Principal and Interest due on Long Term Debt.

**Semi-Autonomous Agencies**

Government agencies that are partially funded by the General Fund.

**Roll-Up Code**

A code which links an account with other accounts for the purpose of calculating the available budget.

**Segment**

A component of an account number; for example, the fund segment.

**Spending Plan**

Various patterns by which revenue and budgeted expenditures are allocated across accounting periods.

**Strategic Goal**

Broad long-term organizational statement of desired future performance.

**Strategic Management**

An integrated approach for leading and managing.

**Strategic Objective**

Broad time-phased statement of measurable accomplishment required to realize the successful completion of a strategic goal.
